In 2024–25, the college facilitated government and institutional scholarship support worth **₹6.31 crore** across **1,974 scheme-wise records**, of which **₹3.06 crore is confirmed disbursed**. This support helped students from economically and socially

disadvantaged backgrounds access engineering and management education they might otherwise not have afforded.

2. Alignment with SDG 1 targets

Target 1.2 – Reduce poverty in all its dimensions. Tuition and fee support lowers the cost of a degree for low-income and socially disadvantaged families. Free Education schemes (BC and MBC) cover 461 students (₹26.8 lakh), with about 99% disbursed.

Target 1.3 – Social protection systems. The college acts as the delivery point for state and central protection schemes: SSP/UMIS, the Post Matric Scholarship for SC (PMSS), NSP and AICTE schemes. It processed 1,327 SSP/UMIS records, all with status "Approved".

Target 1.4 – Equal access to economic resources and basic services. The 7.5% GSS scheme gives ₹3.00 crore to 281 students. About 90% of this (₹2.71 crore, 245 students) supports hostel residents, which helps students from outside Coimbatore stay enrolled. Support also reaches 19 transport-scheme and 16 day-scholar students, across SC, ST, MBC, DNC, BC and other communities.

Target 1.a – Mobilising resources for poverty programmes. Most funding comes from government schemes. The SSS scholarship adds ₹5 lakh for 20 students (5 fresh, 15 renewal) at ₹25,000 each.
