SDG 17.3.2 - PROGRESS AGAINST SDG2

The cross-sectoral discussions and activities held in 2024-2025 to further the Sustainable Development Goals (SDGs) of the United Nations are compiled in this report. In order to debate sustainable practices, innovations, and disaster preparedness, these efforts sought to bring together stakeholders from a variety of sectors, including youth representatives, academic professionals, and healthcare trainers.

Date	10.12.2024
Venue	Cheshire Homes, Coimbatore
Activity	Meal Donation and Distribution
Student Participants	20
Faculty Participants	5
Total Participants	25

3. Introduction

Sri Krishna College of Engineering and Technology, Coimbatore, actively promotes the United Nations Sustainable Development Goals (SDGs) through various community outreach and social responsibility initiatives.

As part of its commitment towards SDG 2 – Zero Hunger, the institution organised a Food Donation Programme at Cheshire Homes, Coimbatore. The programme focused on donating and distributing meals to the residents, demonstrating care, compassion and concern for the well-being of society.

A total of 20 students and 5 faculty members participated in this initiative, reinforcing the importance of sharing food and supporting people in need.

4. Objectives of the Programme

- To contribute towards the achievement of SDG 2 – Zero Hunger.
- To support the residents of Cheshire Homes through meal donation.
- To create awareness among students about food insecurity and hunger.
- To develop empathy, compassion and social responsibility among students.
- To encourage active student participation in community welfare activities.

5. Event Description and Activities

The Food Donation Programme was organised at Cheshire Homes, Coimbatore, with the participation of 20 students and 5 faculty members.

As part of this initiative, meals were donated and distributed to the residents of Cheshire Homes. The students and faculty members actively participated in the food distribution activity and extended their support to the residents.

The programme provided students with an opportunity to understand the importance of food sharing, community service and contributing to the welfare of society.

Through this activity, the institution demonstrated its commitment to addressing social challenges and promoting humanitarian values.

6. Contribution to Sustainability and SDGs

The programme directly supports the objectives of the United Nations Sustainable Development Goals.

- **SDG 2 – Zero Hunger:** Supporting food access through meal donation and distribution to the residents of Cheshire Homes.
- **SDG 1 – No Poverty:** Promoting community support and care for individuals who may require assistance.
- **SDG 3 – Good Health and Well-being:** Recognising the importance of adequate food and nutrition for well-being.
- **SDG 12 – Responsible Consumption and Production:** Encouraging food sharing and responsible attitudes towards food.
- **SDG 17 – Partnerships for the Goals:** Strengthening community engagement through institutional outreach activities.

7. Outcomes and Institutional Commitment

The Food Donation Programme at Cheshire Homes, Coimbatore, was a meaningful initiative towards promoting SDG 2 – Zero Hunger.

The programme involved 25 participants, comprising 20 students and 5 faculty members. The meal donation activity helped students understand the importance of food security, kindness, compassion and community service.

The initiative encouraged students to become socially responsible citizens and actively contribute towards the welfare of society.

Through such community outreach programmes, Sri Krishna College of Engineering and Technology continues to demonstrate its commitment to achieving the United Nations Sustainable Development Goals.
