17.4.1 – EDUCATION FOR THE SDGs

Commitment to meaningful education around the SDGs across the University, relevant and applicable to all students

SDG 17 – PARTNERSHIPS FOR THE GOALS

EDUCATION FOR THE SDGs

Education is the foundation for achieving the Sustainable Development Goals. Indicator 17.4.1 looks at the commitment of the institution to provide meaningful education around the SDGs that is relevant and applicable to all students, so that every graduate understands sustainability and takes responsible action in personal and professional life.

POLICY

Our Institution, SKCET, is committed to building awareness of the Sustainable Development Goals among all students, irrespective of their discipline. Through the National Service Scheme (NSS), USVA and department-level activities, the Institution conducts awareness programmes, competitions, pledges and community campaigns on health and well-being, environment and climate, safety, peace and responsible citizenship. These activities are open to students of all departments and are conducted every academic year, often in partnership with government bodies and NGOs.

ACTIONS PLANNED

1. SDG awareness programmes open to students of all departments
2. Health and well-being campaigns (Drug-free and Tobacco-free campus)
3. Environmental conservation and sustainability initiatives
4. Safety and disaster management training
5. Value-based activities promoting peace and responsible citizenship

EVENT 1: GREEN SEEDS INITIATIVE – BOTTLES TRANSFORMED

SRI KRISHNA COLLEGE OF ENGINEERING AND TECHNOLOGY
An Autonomous Institution| Approved by AICTE| Affiliated to Anna University
Kuniamuthur, Coimbatore - 641008

DEPARTMENT OF COMPUTER SCIENCE AND BUSINESS SYSTEMS
in association with
NATIONAL SERVICE SCHEME
Event Report

Objective:

The National Service Scheme (NSS) in association with Department of Computer Science and Business Systems, Sri Krishna College of Engineering and Technology organized an awareness program on "**Green Seeds Initiative: Bottles Transformed"** under the theme "**Youth for My Bharat**" on 23rd July 2024 at Kurichi Kulam, Coimbatore.

Event Photo:

The primary goal of this event was to creative environmental initiative to reduce plastic waste and promote Green Seeds through innovative reuse. This initiative is to create an insight among the youth about recycling and forming a greener environment. The "Green Seeds Initiative: Bottles Transformed" is a groundbreaking environmental event organized by the National Service Scheme (NSS) to promote sustainability and eco-consciousness among students and the broader community. The primary objective of the "Bottles Transformed" event is to educate students about the importance of recycling and upcycling waste materials, specifically plastic bottles. The event was conducted as part of the National Service Scheme (NSS) awareness event, which is a community service program aimed at social development and volunteerism.

The event was inaugurated by the esteemed Chief Guests, Mr. R. Vetriselvan, Deputy Mayor, and Mr. Babu, Councillor of Ward 87, who commended the students for their innovative use of bottles to grow plants. Demonstrating their commitment to Coimbatore's journey towards becoming a greener city, the distinguished guests also participated by planting saplings.

Active Participation of Students & Faculty in the Event

Outcome of the event:

The event appears to be a commendable initiative by the SKCET CSBS department by transforming something as ubiquitous as a plastic bottle into a symbol of creativity and sustainability, this event underscores the belief that small actions can lead to significant changes. The participation of both students and faculty members in the Bottle Transformed awareness program suggests a collaborative effort to make a positive impact on the community.

EVENT 2: DEMO / DRILL ON FIRE SAFETY

SRI KRISHNA COLLEGE OF ENGINEERING AND TECHNOLOGY
(An Autonomous Institution. Affiliated to Anna University, Chennai)
Kuniamuthur, Coimbatore - 641 008

REPORT ON FIRE DEMO

A mock fire drill was organised by MBA Department on 24.07.2024, at 11.00 am opposite to Krishna Square from Tamilnadu Fire and Rescue Service.

This simulated exercise as a part of NSS-USVA activity was conducted to students to prepare students for Disaster Management in case of real fire emergency.

Key Outcomes of the Demo/Drill

- Students gained a clear understanding of the importance of fire safety and fire hazards and safety practices.
- Students were explained to identify and differentiate between various types of fires (e.g., Class A, B, C) and understand the specific dangers associated with each type.
- Students learnt various firefighting methods, such as using water, dry chemical agents, and CO2 extinguishers, and know which methods are appropriate for different types of fires.
- Students will recognize the importance of safety protocols during fire situations and the use of different type of fire extinguishers.
- Students gained knowledge on real-life scenarios, such as in homes, workplaces, and public spaces, enhancing their preparedness for fire emergencies.
- Students actively engaged in the demonstration through interactive Q&A sessions and hands-on practice.

NUMBER OF STUDENTS PARTICIPATED: 84

(An Autonomous Institution Affiliated to Anna University, Chennai)

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING (CYBER SECURITY)

REPORT

The National Service Scheme (NSS) in association with Department of Computer Science and Engg(Cyber Security), Sri Krishna College of Engineering and Technology organized an awareness program on "**Short Film Competition"** under the theme "**The Role of Youth in Promoting Gandhi's Ideas"** as a part of the USVA activities commemorating **Gandhi Jayanti** on 01 October 2024 at CS Conference Hall, Sri krishna College of Engg & Technolgy, Coimbatore.

The event celebrated Gandhi's vision, emphasizing that love and compassion hold the power to transform the world. The competition was a great success, and we are proud to announce the winners awarded with cash prize and certificates, who effectively showcased these timeless values through their films.

The short film competition was a fitting tribute to Mahatma Gandhi, encouraging young filmmakers, demonstrated a deep understanding of his teachings and it through their unique perspectives. The event was inaugurated by the esteemed Judges, **Dr.Oswalt Manoj**, Associate Professor, CSE Dept and **Mr.M.Diwakaran**, Assistant Professor, IT Dept who encourages young filmmakers to creatively engage with their short film presentation.

REPORT OF THE EVENT

S No	Date of Event	Name of the Event	Department Organized	Event Coordinator	Target Participants
1	28.01.25 @ 10.30am	Anti - Drug Awareness Programme - "Slogan Writing Competition"	AI&DS	Mr. S.Senthilkumar	Students

This Slogan writing competition aims to engage students in creative expression while reinforcing the importance of living a drug-free life. Through this initiative, students are encouraged to think critically about the impact of substance abuse, which helps raise awareness of its harmful effects on health, education, and personal growth. By participating, students make a conscious commitment to a drug-free lifestyle and take a pledge to avoid substance abuse, setting a positive example for their peers. The competition not only enhances students' awareness of the dangers of drugs but also fosters a sense of responsibility and accountability in promoting healthy choices within their campus community.

As a part of Anti-Drug Awareness Programme, Department of AI&DS along with National Service scheme conducted "Slogan Writing Competition" on 28.01.2025 for the all Students. This programme created a lasting impact on students' attitudes toward drug use, helping them focus on their education, personal development, and a future built on healthy decisions.

REPORT OF THE EVENT

S No	Date of Event	Name of the Event	Department Organized	Event Coordinator	Target Participants
1	29.01.25 @ 10.30am	Drug Awareness Pledge on "Commit to a Clear Mind"	ECE	Mr. C. Visvesvaran	Second Year Students and Faculties

Taking a Drug Awareness pledge helps college students commit to a healthy, drug-free lifestyle. It reinforces awareness about the harmful effects of substance abuse, promoting responsible choices and well-being. The pledge fosters a supportive campus environment, encouraging students to stand against peer pressure and seek help when needed. By participating, students become advocates for a drug-free society, spreading awareness and inspiring others. Ultimately, it empowers them to focus on their education, personal growth, and a brighter future.

As a part of Drug Awareness Campaign, Department of ECE along with National Service Scheme coordinated and administered the Drug Awareness Pledge on "Commit to a Clear Mind" on 29.01.2025 for the Second Year Students and faculties. The Drug Awareness pledge encourages college students to stay drug-free and make informed choices. It fosters a supportive environment, helping them resist peer pressure and promote well-being. By taking the pledge, students become advocates for a healthier, drug-free society.
