4.3.1 a Free Courses Leading to Certificate or Award

Sri Krishna College of Engineering and Technology organized a skill development and practical learning initiative under the **Pradhan Mantri Kaushal Vikas Yojana (PMKVY)** on 30 April 2025. The programme aimed to extend the institution's educational and technical facilities to the general public, providing opportunities for individuals beyond the enrolled student community to gain practical exposure and develop industry-relevant skills.

The programme included hands-on demonstrations and practical learning activities in the Automation Laboratory. Participants were given an opportunity to observe technical equipment, understand its functioning and gain practical insights through demonstrations and guidance from faculty members and trainers.

The initiative encouraged experiential learning and created awareness about the importance of technical skills, vocational education and industry-oriented training. By opening institutional facilities for public participation, the college demonstrated its commitment to community engagement, inclusive education and skill development.

Key Activities

1. Practical demonstrations using laboratory equipment.
2. Introduction to technical and automation-related concepts.
3. Hands-on exposure to technical systems and applications.
4. Guidance and interaction with faculty members and trainers.
5. Awareness of skill development and employment opportunities.

Outcomes and Impact

- Extended educational and technical learning opportunities to the general public.
- Provided practical exposure to automation and laboratory-based technologies.
- Promoted skill development and vocational learning.
- Encouraged participation in industry-oriented technical training.
- Strengthened the institution's engagement with the surrounding community.
- Supported the vision of inclusive and accessible skill-based education.

Participants engaging in hands-on practical demonstrations of automation equipment at the SKCET Automation Laboratory as part of the PMKVY Skill Development Programme held on 30 April 2025.

CERTIFICATES

The certificate acknowledges the successful completion of the assessment in the designated job role and validates the participant's competency in Electric Vehicle Assembly Operations. The programme provided technical knowledge and practical exposure relevant to the emerging electric vehicle industry.

This initiative promotes vocational education, industry-oriented skill development and employment opportunities for young individuals. It also supports the development of a skilled workforce to meet the growing demands of the electric mobility sector.

SRI KRISHNA COLLEGE OF ENGINEERING AND TECHNOLOGY

KUNIAMUTHUR, COIMBATORE – 641008

An Autonomous Institution | Approved by AICTE| Affiliated to Anna University, Chennai

ऑटोमोटिव स्किल्स डेवेलपमेंट काउन्सिल
Automotive Skills Development Council
राष्ट्रीय व्यावसायिक शिक्षा एवं प्रशिक्षण परिषद द्वारा मान्यता प्राप्त
Recognised by NCVET
कौशल दक्षता प्रमाणपत्र
Certificate for Skill Competency

Certificate No:
AETNA000304298-030994

This is to certify that Mr./Ms./Mx. Mr. G Vignesh
Son of Gunasekaran G
Date of Birth 17/11/2005
Enrolment No CAN_36536896
has successfully cleared the assessment in the job role/qualification Electric Vehicle Assembly Operator
of Duration 300 Hrs
having earned 10
Credits at NCrF/NSQF Level 2.5
Training Centre Sri Krishna College Of Technology
District COIMBATORE
State TAMIL NADU
with B %Grade
Place of Issue Delhi
Date of Issue 21/07/2025
