

CALL FOR PAPERS

The Authors are invited to submit papers that are original and should not have been published / accepted in any journals or conference proceedings. The conference topics (but not limited to) are :

4G and 5G networks
AI
Internet of Things
Big Data Analytics
Cloud Computing
Data Mining & Data Warehousing and security aspects
Distributed Computing
Evolutionary Computing
Green Computing
Knowledge Management and Expert Systems
Nano computing
Network Security
Optical Communication
Semantic Web
Soft computing
Grid Computing
Wireless and Mobile Communication
Wireless Sensor Networks
Image processing

Authors are requested to submit a soft copy of full-length research papers in IEEE two column format on A4 size paper (Max 6 pages, Font: Times New Roman, 10 Points) to the mail id ncccis17@gmail.com not later than February 6th, 2017. The intimation of acceptance will be made to the author on or before February 10th, 2017.

KEY DATES

Full Paper Submission due : 06- 02- 2017
Notification of Acceptance : 10- 02- 2017
Registration Deadline : 15- 02- 2017

ADDRESS FOR CORRESPONDENCE

Prof. K.S.Sangeetha, AP/IT, SKCET.
Prof. T.Sujatha AP/IT, SKCET.

Conference Secretaries – NCCIS-2017
Sri Krishna College of Engineering and Technology,
Coimbatore, Tamil Nadu, India - 641 008
Mobile No : 7402601503/504
Office Phone No : 0422-2678001-7 (7 lines)
Email-Id : ncccis17@gmail.com
Web Site : www.skcet.ac.in

REGISTRATION FEE

Industrial Delegates :Rs. 1500/-
Academic Faculty :Rs. 1000/-
PG Students & Research Scholars :Rs. 750/-
Registration fee is to be paid by Demand Draft drawn in favor of "The Principal, Sri Krishna College of Engineering and Technology" payable at Coimbatore.

ACCOMMODATION

Accommodation can be arranged in the Student Hostels of the College on request. Delegates are however free to make their own arrangements for accommodation in Coimbatore where good hotels are available with affordable tariff rates.

PUBLICATION

Peer reviewed articles will be published in "Indian Journal of Science and Technology". (Scopus Indexed, online ISSN-0974 -5645)

ORGANIZING COMMITTEE

Chief Patron	Smt S. Malarvizhi, Chairperson & Managing Trustee, Sri Krishna Institutions, Coimbatore.
Organizing Chair	Dr. J.Janet, Principal, Sri Krishna College of Engineering and Technology, Coimbatore.
Organizing Secretary	Dr.S.Shankar, Professor & Head, Department of Information Technology, Sri Krishna College of Engineering and Technology, Coimbatore.
Conference Secretaries	Prof K.S.Sangeetha/Prof. T.Sujatha. Assistant Professor, Department of Information Technology, Sri Krishna College of Engineering and Technology, Coimbatore.

Announcement and Call for Papers

Ninth National Conference on Computing, Communication and Information Systems

(NCCIS-2017)

24th February 2017

Organized by

**DEPARTMENT OF
INFORMATION
TECHNOLOGY**

SRI KRISHNA COLLEGE OF ENGINEERING AND TECHNOLOGY

(AN AUTONOMOUS INSTITUTION)
AFFILIATED TO ANNA UNIVERSITY CHENNAI
ACCREDITED BY NAAC WITH 'A' GRADE

ABOUT THE INSTITUTION

Sri Krishna College of Engineering and Technology is one of the premier institutions of Sri Krishna Trust, established in the year 1998 with a mission of imparting high quality technical education to the aspiring students. The college is an autonomous institution accredited by NAAC with 'A' Grade and National Board of Accreditation is located at a prominent place in Coimbatore city which can be easily accessible on the Palghat high way of NH 47.

The College offers 15 programs that include 7 Under Graduate programs and 8 Post Graduate programs and 4 of the 9 academic departments were recognized as research centers with more than 5000 students and 250 faculties. The College attracts students from various parts of the state and from neighboring states and has emerged as trusted destination for quality technical education in this part of the state.

SKCET has also signed various MOU's with many of the world's best Educational and Research giants, and has also built its partnership with many corporate bodies and industries. The college has carved a niche for research and development by regularly publishing research articles in high impact journals, registering patents, involving in various research projects, organizing workshops, conferences, seminars and symposiums.

ABOUT COIMBATORE

Sri Krishna College of Engineering and Technology is located in an unperturbed atmosphere in the Manchester city of South India, the Coimbatore. Situated at the foot hills of Western Ghats, Coimbatore has evolved itself into a diversified economy with a large number of Engineering firms, Textile Industries, Educational Institutions and Health Care centers .

The city is known for its excellent work culture, good quality of life and salubrious climate throughout the year making it one of the most preferred destination for people all around the world.

ABOUT THE CONFERENCE

The Department of Information Technology of SKCET organizing the Ninth National Conference on Computing, Communication, and Information Systems (NCCCIS-2017) during 24th, February 2017.

OBJECTIVES

The conference is aimed at stimulating forum for Researchers, Academicians and Industry people from all over the country to disseminate the new research findings and to explore innovative technologies for the benefit of society and research community. The Conference is organized to highlight the current issues and advanced trends in the field of Information, Computing and Communication Systems. It is also aimed at bringing together the young scientists, practicing engineers and students to present and discuss the entire spectrum of topics in the areas of Information Technology. Eminent personalities from various Universities, Academic Institutes and corporate sectors will be invited to deliver the key note address during various panel sessions planned in the conference.

ABOUT THE DEPARTMENT

The department of Information Technology is committed to provide the state-of-art technical education to the tomorrow's technocrats and software professionals through dedicated quality teaching. The department is also accredited by NBA and NAAC and it strives to provide ample opportunity to the students for exploring and exploiting new avenues in the field of IT. The department have excellent Infrastructure facilities with highly qualified and devoted faculty members. The placement record of the department is phenomenal. Our students are recruited by companies like Amazon, CTS, Accenture, Infosys, WIPRO etc.,
