

RULES

Student taking part in project exhibition event should follow rules regarding the event:

1. All interested candidates should fill the online registration form by visiting www.skcet.ac.in for filling up the form.
2. The participants should come out with a working model / demonstratable prototype on the theme “Science and Technology for Specially Abled Persons” as prescribed by UGC.
3. After selecting topic for their project, they should submit the chart regarding their project to event co-ordinators.
4. The chart should contain a simple description about their project. The candidates can take help of following points to describe their project in the chart.

Points:

- ✓ Introduction
 - ✓ Working diagram/image of model, which can be hand drawn or a printed one.
 - ✓ Block diagram
 - ✓ Working principle, advantages, disadvantages and future scope.
5. Important note:
The chart should be sent before 25.2.17 to kalpanas@skcet.ac.in
 6. The chart will give us an overview of your project and on the basis of your points in the chart, candidates will be selected.
 7. Selected candidates will be informed via e-mail before 26.2.17.
 8. All participants will be given participation certificate.
 9. Main event will be held on 28.2.17 where selected projects will be displayed by participants.
Basic requirement i.e electric power supply of 230V AC will be made available to participants as per requirement of project.
 10. Participants can contact event co-ordinators for any queries.
