

National Institute of Technical Teachers Training and Research (NITTTR) Chandigarh

National Institute of Technical Teachers Training and Research, Chandigarh, an ISO 9001-2008 certified institute, is one of the four national institutes established by the Government of India in 1967 for the growth and development of technical education in the country. It is now reckoned as a resource institute for the technical education system providing services to its clientele covering faculty/staff of technical institutions, officials of directorates/boards of technical education, central and state government departments, industry, students from technical institutes, community and trainees from overseas. The institute undertakes the following spectrum of activities: Education and Training Programmes, Curriculum Development, Instructional Material Development, Research and Development, Extension Services, Consultancy in Technical Education and Technology areas. The institute offers industry-oriented and practice-based Master's Degree Programmes affiliated to Panjab University, Chandigarh in five disciplines. Three ME Programmes, viz., ME in Computer Science & Engineering, ME in Electrical Engineering (Instrumentation and Control), and ME in Electronics & Communication Engineering are accredited by National Board of Accreditation (NBA), New Delhi. The institute has been recognized as a 'Research Centre' by Panjab University, Chandigarh (in 2006) as well as by Punjab Technical University, Jalandhar/Kapurthala, Punjab (in 2005) for pursuing research work leading to the degree of Doctor of Philosophy i.e. Ph.D.

Sri Krishna College of Engineering and Technology

Sri Krishna College of Engineering and Technology is one of the premier institutions of Sri Krishna Trust, established in the year 1998 with a mission of imparting high quality technical education to the aspiring students. This autonomous institution accredited by NAAC with 'A' Grade (with 3.42 CGPA out of 4) and National Board of Accreditation is located at a prominent place in Coimbatore city which can be easily accessible on the Palghat high way of NH 47. There are 6 branches of B.E./ B.Tech., 5 branches of M.E., MBA and MCA.

**Short Term Course
on
"Cyber Crime and Forensic Tools"
17-21 September, 2018**

Organised By

**Department of Computer Science and Engineering
National Institute of Technical Teachers Training and Research
(NITTTR)
Chandigarh**

**Sri Krishna College of Engineering and Technology
Coimbatore**

Objectives of Course

- To spread awareness about various Cyber Crimes.
- To understand the importance of Cyber Security Measures.
- To impart knowledge on various types of cryptography techniques.
- To demonstrate and practice various open source forensic tools.
- To apprise of cyber laws and IT act.
- To highlight future research directions.

Course Content

- Present Scenario of Cyber Crimes.
- Cryptography Techniques.
- Ransomware.
- Malware Detection and Analysis.
- Future Research Directions.
- Cyber laws and IT act.
- Cyber Forensics tools.
