Kuniamuthur, Coimbatore – 641 008

Mandatory Disclosure 2018 – 19

About the Institution

Sri Krishna College of Engineering and Technology is one of the most sought after Institutions for offering higher standards of technical knowledge to student fraternity. With a decade of establishment in 1998, the Institution has marched towards the pinnacle of glory through its remarkable achievements in the field of Engineering Education. It is an autonomous Institution, accredited with 'A' Grade (3.42 out of 4 scale) by NAAC and its programs have been accredited by NBA for its academic excellence. It offers 7 UG programs, 9 PG programs and 7 research programs. The Institution offers an exciting academic environment with well qualified 354 dedicated faculty members to inspire and nurture the student community. With industry drafted Choice Based Credit System (CBCS) curriculum and syllabi, the Institution takes every effort to bring its students to the forefront of the society as skillful and responsible engineers.

SKCET is ranked second among technical colleges in all India Swachh campus awards 2018. The Institution has a clean campus with sophisticated infrastructure, which makes it unique in the nation. The Institution is bestowed with world class facilities including state of the art laboratories, library, multiplex theatre, athletic cum football field, gymnasium, health center, indoor stadium, open air theatre etc., making it a suitable place for young engineers to realize their dreams. The Institution has witnessed many innovations in teaching learning process such as smart classrooms, interactive learning, project based learning, etc to ensure industry readiness in students.

SKCET is the only chosen Institution among all the Institutions in South India, to jointly offer exclusive B.E degree program in Computer Science and Business System in partnership with Tata Consultancy Services Ltd. SKCET would also launch an exclusive M.Tech degree program in Computer Science and Engineering powered by Virtusa Corporation in this academic year.

The Institution is actively involved in collaborative funded research projects with Government agencies to a tune of 6 crores. It has published 20 patents and filed 58 patents till date. The

faculty and students have published 979 research papers in referred journals. The Institution is also accredited by DSIR with SIRO recognition to further facilitate research and development.

SKCET has been selected as nodal center for MHRD Innovation Cell. Aiming at the fruitful outcomes such as technical support, training, industrial exposure, internships, placements, SKCET has signed 32 MoUs and 12 Centres of Excellence with leading Industries and premier Institutions like NITTTR, Chandigarh, Tata Consultancy Services, Virtusa Corp, Valparaiso University, Siene Aerospace-Dubai, Barry Wehmiller, Sector Skill Council, to name a few.

SKCET excels in its various efforts towards achievement of academic goals. It is one of the 28 prestigious nodal centers across India chosen by MHRD to host 'Smart India Hackathon 2017 and 2018 consecutively. SKCET students have participated in several hackathons and secured prizes and internships from organizations like Google, Cloud bull, BITS Pilani SIH, etc. The Institution is rated with 'AA' NPTEL examinations 2019 and bagged 11th position in national level and first rank among the colleges in Coimbatore region which reveals the academic excellence of its students. SKCET is selected as the Nodal Centre to conduct the NPTEL examinations in accordance with the MoU signed with TCS- ION.

SKCET has been identified by NAAC to mentor 10 non-accredited Institutions in our geographic vicinity to support its goal of accrediting all colleges in India by 2022. The Institution is one among top 150 engineering colleges in National Level in MHRD -NIRF Ranking 2018. SKCET has been chosen as the nodal centre by IIT Bombay for spoken tutorial project of MHRD and one among 8 partner Institutions of AICTE across the Nation for FDP programs.

The Institution also has an exemplary record of Students Placements. The Training & Placement cell of SKCET plays a pivotal role in counseling and guiding the students for successful placements from top notch Companies. In 2019, as a result of customized training based on the career choice of students, 573 students were able to get 689 job offers in 248 companies including Multinational Core and IT Product based companies with 28LPA as the highest package.

LIBRARY- VANKATRAM LEARNING CENTRE

- **A New Website for Library (Intranet Library Website)** Replacing the Previous Website was **Developed and Launched by Central Library.**
- **Library Blog was Developed** and Connected to Intranet Library Website.
- **5000+ Free Technical E-books are Downloaded** from Various Website and Added to the E-books Portal.
- **'SKCET Video Lecture Series'** was Created with the Lecture Video of Faculty of IT Department.
- **A New User Entry Software** was Installed at the Library Entrance and put in to use.
- **A Separate Digital Library was Developed for Periodicals** (Journal and Magazine) Section by the Library.
