

FROM HoD'S DESK

[AGORA Tower,
Taipei, Taiwan]

Warm Greetings.

The purpose of a newsletter is to provide specialized information to a targeted audience. Aadhara aims to bring out the experiences and achievements in our Department into limelight every month. Through a nice blend of coursework and projects,

the Department endows students with the ability to apply knowledge of science, mathematics and engineering to work effectively in multidisciplinary teams, provide leadership and technical expertise, and practice engineering with ethical approaches and concern for society

and environment. Our curriculum undergoes regular revisions to ensure local relevance with a global outlook.

I wish all the students a great learning experience in our Department as well as our Institution.

- DR.D.MARUTHACHALAM

ACADEMIC REVIEW MEETING

was conducted for the 2nd and 3rd year students. Parents were requested to come to college on 20th August to know about their ward's performance in the semester exams and internal exams

Staff Achievements

This column brings out the achievements of our Faculty in various areas like Publications, Co-curricular activities, R&D and more.

STAR FACULTY – AUGUST 2017

Mr.R.Vighnesh was awarded *Star Faculty* for the month of August for his outstanding performance in contributing to the Department developmental activities by organizing a Talent search Quiz competition in association with COCENA, publishing journal papers and coordinating for inauguration of IEI.

“SCIENTISTS

STUDY THE WORLD

AS IT IS.....

ENGINEERS CREATE

THE WORLD THAT

HAS NEVER

BEEN !!!!”

STUDENTS ACHIEVEMENTS

Students of Second year and Third year Civil Engineering have won first place in the Intercollege Basketball tournament held at Kumaraguru College of Engineering and Technology, Coimbatore

Students of Second year Civil Engineering visited **MFAR constructions Pvt.Ltd** as a part of their curriculum from 4th to 6th of August, 2017.

Cost of Project : 200 Crores

MoU

SKCET Civil Engineering and VLAND CONSULTANTS PTE LTD, SINGAPORE & VLAND's BEST Hub PVT LTD, signed a MoU on 23-08-2017 to offer an one credit course and Intership Training Programme to final year Students. The one credit training program shall guide the students to improve their analytical and design skills using latest technology in design through industry- institute partnership, establish opportunities for the students to get trained in the real field conditions and industry

expectations. The participants of the program will be trained intensively to use STAAD.Pro V8i for Analysis and Design of RC and Steel Structures by experts with industrial concepts as per International Standards. The best outgoing students of the one credit technical training program shall be offered an Internship Training Program across India and foreign countries to gain Design and Construction Techniques Experience. This training program aims to create truly employable workforce.

Sri Krishna College of Engineering and Technology and Coimbatore Civil Engineers Association jointly organised "Talent Search Quiz Competition" for the colleges and universities in and around Coimbatore. A grand total of 23 teams participated in the event out of which 6 team qualified for the final round. BIT, Sathy were the winners of the competition, PSG College of Technology and PSG iTech, Coimbatore were the 2nd and 3rd place winners of the competition

SEMINAR DAY

Seminar day for Second year and Third year Civil Engineering students was conducted on 19th of August 2017. Students were asked to present their Inplant training report and were assessed based on the training undergone . You can compile a

mailing list from business reply cards, customer information sheets, business cards collected at trade shows, or membership lists. You might consider purchasing a mailing list from a company.

CIVIL ENGINEERING ASSOCIATION

Civil Engineering Association activities for the academic year 2017-18 were inaugurated by Mr. Suren Prabhu, Manager (Engineering. Civil), Coimbatore International Airport and delivered guest lecture on "Infrastructure Planning, Development and Management of Airport" on 3rd August, 2017.

STUDENTS' CHAPTERS

IGS

IGS Student chapter conducted a webinar at MCA Seminar hall on 4th August.

Resource person:
Er. S.Gowrishankar,
Lead Engineer (Civil & Structural), Dubai.
Topic: Project Implementation:
A glance on various stages and key points for its success.

A SCIENTIST CAN

DISCOVER A NEW

STAR..BUT HE CANNOT

MAKE ONE.

HE WOULD HAVE TO

ASK AN ENGINEER TO

DO IT FOR HIM.
