HoD's Desk

Warm Greetings .

*I hope that this semester would have been a blissful one for all and I wish all the students a **Merry Christmas** and **Happy New Year** ahead. This semester had been a long journey of New experiences and great opportunities. I am profoundly happy that many of our students have excelled in academics by means of placement in reputed concerns and many have taken efforts to upgrade themselves by going for internships and in plant trainings. I extend my heartiest wishes to all the placed students and wishes to other students who are continuously putting in their best efforts to achieve the best. As we have come to the end of this semester I bid all the students a happy vacation and hope to greet you all soon in the forthcoming semester.*

-Dr.D.MARUTHACHALAM

About the Department

Civil Engineering has a special status in Engineering Education. Civil Engineering plays a key role in the development of other fields of Engineering. Civil engineering is the oldest branch of all engineering which has kept its pace with the rapid growth in the field of technology. Civil engineers are born to mankind, they were born with providing urbanization such as building, transportation roadways, highway it's a countless list. To this end, we have endeavored to create a world-class educational institution that is complete in every way. Be it facilities or faculty, curriculum or career guidance, we seek to offer the very best to our students. Since the inception of this department in 2012, the department of civil engineering has been striving hard to provide pleasant ambience for moulding the young minds to scale greater heights in their chosen field of study. We treat our Students, Parents, and Society as our most valued Customers. With the help of highly qualified and dedicated staff members, we will be moulding the students to the required shape which will make them industry-ready and employable. The department is equipped with state – of–the-art and up-to-date infrastructure facilities. Our focus on academic excellence, innovation and discipline has helped us to bring laurels to this institute with students securing university ranks , winning memorials & awards.

Faculty Achievements

NPTEL Certification:

- ✚ **Mr.R.Vighnesh**, Assistant Professor has successfully completed NPTEL courses with **Elite certificate** on Mechanics of Solids and Strength of Materials.
- ✚ **Ms.G.Preethi**, Assistant Professor has successfully completed an NPTEL course on Integrated Waste Management with **Elite certificate**.

Workshops attended

- ✚ Ms.G.Preethi, Ms.S.Vaishnavi Devi and Mr.Prabhath Ranjan Kumar attended Two days Workshop on Total station and its application on 10.11.17 & 11.11.17 at SKCT in association with Lawrence and Mayo.
- ✚ Ms.K.Archana and Mr.V.Mithun attended One day Workshop on Master trainer son e-Governance systems sponsored by AICTE on 18.11.17 at SKCET.

Students' Achievements

NPTEL CERTIFICATION

- ✚ 28 students of Third year civil Engineering had completed the course on Foundation Design out of which **14 students** have secured **Elite** and **Indhu. K** has secured **Elite + Gold** certificate. Also **Mounkarthik.T and Indhu. K** have secured Topper of 5% in this course.
- ✚ **Sathasivam. M** of Second Year Civil Engineering secured **Elite** Certificate for the certificate Mechanics of Solids in the NPTEL Examination conducted during October 2017.

Research & Development

Dr.D.Maruthachalam has published a paper on “Study on corrosion of reinforced concrete beams with fly ash and Glass fibre reinforced polymer ” in International Journal of Chemtech Research, vol.10 (14), pp. 281-286, 2017.
