

Chairperson Message

Smt. S. Malarvizhi
Chairperson and Managing Trustee

“Victory belongs to the most persevering” says Napoleon. This perseverance is well learnt through sports. By being an active participant in sports the students learn not only perseverance but also teamwork, sportsmanship, winning and losing, rewards of hard work, self discipline, develop self confidence, skills and handle competitive situations. Books offer stories about these categories but sports

make them feel it themselves by their own experience. An education institution has the responsibility to give an opportunity to the young minds as they play a vital role in building up of a personality. This opportunity has been given by our institution and the students have also proved their efficiency. Congratulations to the students and the Department of Physical Education for launching this fourteenth annual newsletter. “Every one has a life, live it with sports,” I wish the Physical Education Department all success.

Editorial

Motivation and support of the Management takes the sports activities to scale greater heights every semester and every year. “Dhrona” is launched with the motive of sharing the progress and development of sports and games of our institution with the other educational institutions. This fourteenth Annual Sports Newsletter includes the special features of the college achievements and activities of the academic year 2017-18.

Vision

To Produce Globally Competitive Engineers with High Ethical Values and Social Responsibilities.

Mission

Our mission is to impart the highest quality of technical education, provide impetus to research and development, foster innovation in the technological growth, encourage entrepreneurship and strive to solve problems of mankind. We also endeavor to embed the greatest values of human life and inculcate the will to attain progress and prosperity in life in socially accepted norms, to remain an asset to our nation and be a part of its pride and heritage.

Motto

Perfection through Performance

Perfection is not a destination, only a direction. Our college aims to travel in this direction to scale new heights in all spheres of curricular, co-curricular and extra curricular areas through its sustained efforts and prove by sheer performance to set an example for others to take lead from us.
