NIZHAL CLUB
FAMILY FOR CHILDREN HOME VISIT

The Department of Electrical and Electronics Engineering - Nizhal Club has Organized Outreach Activity a visit to Families For Children home Pothanur on 30.01.2023. Two staff members and 25 students of II and III EEE visited the home. We distributed sweets and gifts to 215 childrens at home.

Family For Children(FCC) is a Private Social Service Organization. 215 children's residing over there including special Childs. The children of FCC home were very pleasantly excited to receive the members. The students greeted us with great enthusiasm. We also met the caretaker. While interacting with the caretaker, we got to know the working of orphanage and its development throughout the years. After that our student volunteers distributed refreshment and sweets to the children. The students interacted with the children. They also engaged with our students. All the children looked so excited and joyful. The team spent about three hours with the children before saying goodbye to them.

It was indeed a very satisfying experience for students, as they could bring smiles on children's faces. Our students learned about human values and they realized that one should contribute and understand his/her social responsibilities towards society.
