**PART A: ACTION TAKEN ON THE MINUTES**

**1. Academic calendar**

The academic calendar for 2020-2021, as well as the administrative incharge's contact information, was released and distributed to students and faculty members.

**2. Plan of events**

For the academic year 2020-2021, seminars, conferences, and faculty development programmes have been planned to ensure industry institute engagement and to train students in recent cutting-edge technologies. A list of industries and appropriate resource persons was prepared and approved by management.

**3. Curriculum Revision**

The R2020 syllabus was finalised at a meeting of the board of studies, which included academic experts, industry experts, and alumni. The syllabus for the 2020-2021 academic year was revised with industrial requirements after many brainstorming sessions.

**4. NAAC Accreditation**

As per the guidelines of the committee members, the institution is also striving to obtain A++ grade in NAAC 2021. The institution has successfully submitted SSR and awaiting comments from the NAAC committee.

## PART B: DISCUSSIONS AND DELEBERATIONS

### 1. TARGETS AND PLANS FOR THE ACADEMIC YEAR 2020-2021

Based on the discussion of the IQAC meeting, the following targets are set for the academic year 2020-21.

- To obtain the highest grade of A++ in NAAC Accreditation.
- To obtain 70th rank in NIRF
- To Promote culture of innovation among students
- To improve the perception of the Institution by participating in Contests and Winning Awards
- To motivate faculty to publish papers in Scopus/Web of Science Journals and patenting the innovation.

### 2. MOOC Courses

Committee members insisted the institution to motivate more students and faculty members to take up MOOC courses such as NPTEL and Coursera. The committee members also suggested to offer these courses as mandatory subjects.

### 3. Internal test review

Committee members recommended that after the first internal test analysis shall be conducted to assess the academic progress. Following the CIA tests, an academic evaluation will be conducted to evaluate faculty members results. The principal, COE and heads of various departments shall participate in the audit to ensure that the teaching-learning process is effective.

### 4. AICTE Curriculum implementation

Committee members asked if the programme had been revised and enforced. The principal ensured the committee members that the curriculum has been revised in accordance with industry standards, and faculty members have been educated in the new curriculum through faculty development programmes. The new curriculum will be effective from 2021 batch.

### Submitted for favour of information to the IQAC`

Dr. P. Ashoka Varthanan, Coordinator, IQAC proposed the vote of thanks to all the members of the IQAC Committee and expressed gratitude for their sustained involvement in IQAC activities.

#### **4. Faculty Review**

Based on the CIA 1 results, a performance review was done to analyze the performance of students. The principal and the heads of departments suggested ideas to improve the internal test results to the faculty members.

## PART B: DISCUSSIONS AND DEBATERATIONS

### 1. Follow up of target plans for 2020-2021

- **Targeting NAAC A++ grade**

The institution received queries from NAAC. The institution is gathering documents in order to respond to the questions, which will be submitted on March 10, 2021. The Institution is confident of obtaining an NAAC A+ grade based on the questions posed and the documentation to be submitted.

- **Obtaining 70<sup>th</sup> rank in NIRF**

The institution has submitted all the required information for the NIRF ranking and is awaiting results. The institution is confident in its aim to accomplish top ranking.

- **Promoting culture of innovation among students**

Student team from Second year from Mechanical Engineering Department has participated in the ideation camp organized by TNSI (Tamil Nadu Student Innovation awards). The team has won First position among the 12 participated and has been shortlisted to participate in the final pitch which is to be held during the Month of April at EDI Chennai. The complete documents for ARIIA 2021 are being prepared and the same will be submitted before the end of March 2021.

- **Promoting the perception of the Institution by participating in Contests and Winning Awards**

The committee appraised the students team for winning the Hackathon awards around the globe. Two teams have won the first prize in SIH Hardware Hackathon and 1 team won first in Software Hackathon.

T.Kumaraguru, student of Second year CSE has won Overall First Prize in the virtual "MakeHarvard 2020 Makeathon" hosted by Harvard College under Harvard University, USA held on 13th&14th of February 2021. The Institutions wall of fame extends across the country as our students continue to win laurels and accolades for our college.

- **Promoting faculty to publish papers in Scopus/Web of Science Journals and patenting the innovation**

A total of 614 research work has been published so far in the 360 scopus indexed international journals, 128 Web of Science Journals and 126 book chapters for the academic year 2020-2021. Faculty and students have jointly filed 37 patents so far.

### 2. Academic calendar

Academic calendar should be published before June 2021. The calendar should include the details of administrative incharges. The academic calendar must take into account of the uncertainty due to the pandemic situation.

### 3. Plan of events

In addition to regular department events, HoDs are requested to organize AICTE / ATAL FDPs to update the faculty with latest technologies. The Institution shall also organize TOY Hackathon at the campus.

### 4. Overall targets for next year

Overall targets for the academic year 2020-2021 were discussed. The committee members insisted to apply for NBA Accreditation for MCT program. They also wished the institution to obtain A+ grade in NAAC 2021.

### 5. Academic / Administrative audit

Committee members suggested the institution to conduct an academic audit in the month of may.
