The **Theatre club** of SHA conducted a **Fashion show activity** for the students to show off a particular aesthetic, a particular mood and a particular feel or point of view. It witnessed a whole lot of students showcasing their attitude and style with their ramp walk and voicing of opinions as a set of questions were shot to them in the rapid fire round.

'To communicate through silence is a link between the thoughts of man'.

The First-year students showcased their ability to act by means of the **Theatre Club** through their Miming skills. **Social issues** like 'Stop deforestation, Excessive usage of mobile phones, the harrowing plight of farmers and the duty to respect and care for elders' where enacted exuberantly by the students.

Dance is the hidden language of the soul.

The **Theatre club** of **SHA** conducted **Folk dance** for the First year students to enhance the social behavior and personality through social dancing. An enthralling and scintillating performance was showcased by the students, bringing to life various **Folk dances** from across the world at the Theatre club.

The theater always comes to life with the gamut of stories heard, seen, felt and imagined. As an extended hour activity, the **Theatre club** had one such competition wherein students were challenged to come out with their 'script writing ability' which had to outline all of the elements like audio, visual, behavior and dialogue that were required to tell a story through a play. Students had a chance for their creativity to come to life through words.
