TESTIMONIAL BY PLACED STUDENTS

My experience in SKCET had been amazing. It was very positive and motivating in every way. There are opportunities for research, projects, jobs, internship and committees. It provided us enough knowledge and experience to excel in the field of choice. These experiences helped me in a lot of ways, improving my communication skills, technical skills and management skills, all of which are essential for a good career. The training that was given by our Placement cell helped me a lot. Overall, I believe that SKCET presents a very conducive environment for an enriching experience. I would like to specially thank the placement cell for guiding me and providing me a good platform for my career and also helped me to secure my Placement in Amazon. Thanks to my parents, SKCET placement, Management, Principal and the entire SKCET family for the wonderful opportunity.
