

## SWACHH BHARAT SUMMER INTERNSHIP EVENTS

### JULY 2018

Swachh Bharat Summer Internship programme aims to engage the educated youth across the nation in this cleanliness drive, enhance their skills and introduce them to the Sanitation-related work and unify the youngsters in community development work in the rural areas.

This programme will not only provide a great learning experience to the students but also help in making India healthy and a clean country.

The duration of this internship is 100 hours and the enrolled candidates can complete this internship from May 1 to July 31, 2018.

Duration : July 2<sup>nd</sup> to July 14<sup>th</sup> 2018.

Venue : Theethipalayam Village

### Rally on pollution control:

The students of Swachh Bharat Summer Internship of Sri Krishna College of Engineering and Technology along with National Service Scheme (NSS) have organised an **Rally on "Pollution Control"** from Theethipalayam, Coimbatore on 14.07.2018 (Saturday) at 9.30 am.

The rally was flagged off by The Principal Dr.J.Janet, in the presence of Mr.W.Sudhakaran, Block Development Officer, Thondamuthur, Coimbatore.

Heads of various departments and faculty members have participated and created awareness about pollution control. Around 250 students of our Institution have participated and created awareness among the public.
