## SMART INDIA HACKATHON WINNERS 2023

*Congratulations*

Outshining competitors, **two exceptional Mech teams EEE teams** secured the first place, each earning a substantial **prize of ₹1 Lakh**.

### Team 1: Team Hydra

**Project:** Estimation of inflow to a reservoir from rainfall, considering soil moisture in its catchment and releases from upstream reservoirs. The system automatically opens reservoir gates for moderate water release, preventing basin flooding.

**Category:** Ministry of Jal Shakti

**Members:** - Harshavarthan M - II MECH A,, - Pavankumar M A - IV MECH B, Dharshana Priya V - II MECH A, Rithanyaa D S - II ECE C, Aathikesavan S - I MECH A, Harrinraj K - I MECH A

**Mentors:** Ramchandran N - Academic mentor, Shridhar E - Industrial mentor

### Team 2: Team Blizzards

**Project:** Automated Water Hyacinth Removal Rover automates the Water Hyacinth Removal process using sensor integration. It classifies the hyacinths for further processes and incorporates a weedicide spraying system to inhibit further growth in commercial aquatic ecosystems.

**Category:** Student Innovation Category

**Members:** Rishi Karthikeyan V P - IV MECH B, Akilesh V - IV MECH A, Mohammed Riyash J - IV MECH B, Geethanjali S - II MECH A, Thangamithra P - II ECE C, Sri Shanmugavel M - IV MECH A

**Mentors:** Ramchandran N - Academic mentor, Arun Balaji R - Industrial mentor

## SMART INDIA HACKATHON WINNERS 2023

*Congratulations*

### Team 3: Team Hawks

**Project:** Geo-tagging of plantation in the catchment area of Hydro Project.

**Category:** Ministry of Power

**Nodal Centre:** Manav Rachna International Institute of Research and Studies, Faridabad, Haryana

**Members:** Padma Priya S R - III EEE B, Santhip Kumar S - III EEE B, Sasipriya S - III EEE B, Srivisveswara M S - III EEE B, Haricharan R - III EEE A, Saran R - II EEE B

**Mentor:** Ms. R.Geethamani

### Team 4: Team Aurora

**Project:** Smart Motor management for E-vehicle.

**Category:** AICTE Student Innovation

**Members:** Naveen M - III EEE A, Naveenkumar T - III EEE A, Aravind Miras N - III EEE A, Rasika B - III IT C, Soma Sundari R - III IT C, Usha K - III IT C

**Mentor:** Mr. S.Boobalan.

**7 teams from SKCET have won accolades in SIH 2023.**

## M.TECH CSE| AFE SCHOLARSHIP

A **Nivedhitha**, student of **Second year MTech CSE**, has been awarded a scholarship from **AFE (Amazon Future Engineer)**, one of the sponsors for **FFE (Foundation For Excellence)**. Her selection for the AFE Scholarship was based on her outstanding academic performance in both the past and present. In the initial year (March 2023), she received a scholarship of Rs. 40,000, and in the second year (October 2023), she was granted a scholarship of Rs. 50,000. Additionally, AFE has also provided her with a Lenovo laptop to support her studies.

## CSY | LITERARY FEST '23

**Mahannad Aslam, Sahana S, Danu Sri S H**, students of **First year CSE (Cyber Security)**, have obtained a certificate acknowledging their participation in Singing competition organized by Science and Humanities Association on 20<sup>th</sup> December 2023.

## CSBS | SPEAK FOR INDIA

**Dhasagreevan C**, student of **Third year Computer Science and Business Systems**, has been honored with a Certificate of Merit for actively participating in the **district-level Speak for India - Tamil Nadu Edition**. This state-level inter-collegiate debate competition took place on December 19, 2023, at CMS College of Science & Commerce. His commendable involvement in the event showcases his dedication to intellectual discourse and excellence in public speaking.

## CSY | QUIZ COMPETITION

**Barani Priya R C**, students of **First CSE (Cyber Security)**, has won First Prize, in the Quiz competition conducted on “National Mathematics Day ‘23” organized by Science and Humanities Association dated on 20<sup>th</sup> December 2023.

# CSBS | DIGITAL NATIONAL HEALTHCARE HACKATHON 2023

Archisha R, Swathi S, Trisha N, Harshitha V, students of First year **Computer Science and Business Systems**, has received a certificate of achievement for their participation in Digital National Healthcare Hackathon 2023 powered by Planotech Group of Companies.

# CSY | SPEAK FOR INDIA

**Pranav S**, student of **First year CSE - Cyber Security** has participated in the District Level Speak for India - Tamil Nadu Edition 2023-2024, a state level inter-collegiate debate competition held on 15.12.2023 at Kongunadu Arts and Science College. This is a Federal Bank CSR initiative in association with The Times of India.

# CSBS | LINKEDIN CERTIFICATION

**Varun Revanth V**, student of **First year Computer Science and Business Systems**, has successfully completed the following online Courses: "Generative AI", "Communicate to Influence", "Emotional Intelligence", "Advanced Business Development", "Interpersonal Communication", "Three Pillars of Effective Communication" powered by LinkedIn Learning on December 27, 2023.

## CSBS | LINKEDIN CERTIFICATION

Iswarya Verma V, student of **First year Computer Science and Business Systems**, has successfully completed the online Course on “What is Project Management”, ”Scrum : The Basics”, ”The Project Management Basics” Powered by LinkedIn Learning on Dec 27, 2023.

## CSBS | GOOGLE PLAY ACADEMY CERTIFICATION

Vishal Chinnasamy, student of **Third year Computer Science and Business Systems**, has successfully completed the Course on “Google Play Store Listing Certificate” powered by Google Play Academy on December 23, 2023.

# CSE | FDP ON MODERN RESEARCH CONVERGENCE IN NEXT GENERATION COMPUTING | DAY - 1

**Session 1: Resource Person:** Mr.Yogeshwar Bodicherla Rambob, Asst.Support Engineer,Primark,Ireland

**Session Takeaways:** Challenges & opportunities in IT sector, Software Tools & Trends for industrial solution, Scope & Future of Next Generation Computing.

**Session 2: Resource Person:** Dr.K.Sathya Babu, HOD/CSE, IIITDM Kurnool,Kurnool.

**Session Takeaways:** Recommender Systems Functions, Data & Knowledge Sources, Recommendation Techniques, Collaborative& content-based recommendation, Matrix Factorization models & Neighborhood models.

**Session 3: Resource Person:** Dr.V.Masilamani, HOD/CSE, IIITDM Kancheepuram,Chennai

**Session Takeaways:** Overview on Generative AI, How to use of Transformers, GPT, Working Principle of BERT, Image GPT Techniques, Real time use cases& Experimental Result

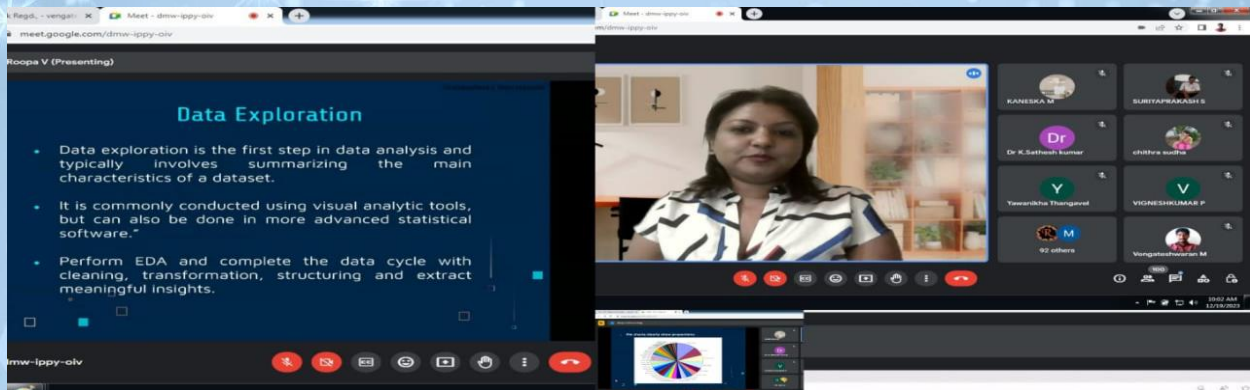

# S&H | EXTENDED HOUR ACTIVITY

Theatre Club of **SHA** conducted **Let the Music Speak** event for the First year students to promote the highest levels of human aspiration and artistic integrity through the composition and performance of music.

# CSE | FDP ON MODERN RESEARCH CONVERGENCE IN NEXT GENERATION COMPUTING | DAY - 2

**Session 1: Resource Person:** Dr.Roopa Venkatakrishnan, Data Analyst, AAFC (Government Ltd),Canada

**Session Takeaways:** Narrate Data capture on context, Visualization approaches, Insights-Tailor data presentation to identified, Impact Analysis Algorithm & recent trends

**Session 2: Resource Person:** Dr.Ramalakshmi, Director (CDOE), Kalasalingam University, Sriviliputhur

**Session Takeaways:** Overview on Edge Computing, Video Analytics Techniques, Fog Assisted Edge, Working Principle & Architecture of EVA, Demo with usecases. EVA Datasets for Research.

## MECH | INTERNATIONAL CONFERENCE ON TRENDS IN AUTOMOTIVE PARTS SYSTEMS AND APPLICATIONS

Department of Mechanical Engineering & SAE INDIA SKCET Collegiate Club organized an International Conference on 'Trends in Automotive Parts Systems and Applications' on 21.12.2023. The conference was inaugurated by **Dr. Nanda Kumar C S**, Program Head, Electric and Hybrid vehicle projects, Bosch, Coimbatore. **Dr. P. Ashoka Varthanan**, Head – Mechanical Engineering welcomed the gathering and delivered the welcome address. **Dr. R. Soundararajan**, Professor – Mechanical Engineering and Faculty Advisor – SAE India SKCET Collegiate club briefed about the conference. He also informed that all the scientific articles selected to be presented will be published in the Scopus-indexed journal (SAE Technical Paper). The session featured a keynote address by **Dr. Aqib Mashood Khan**, Associate Professor – Nanjing University of Aeronautics and Astronautics, China and **Dr. Gabriela Marginean**, Associate Professor, Westphalian University of Applied Science, Germany. The conference focused on the latest technological developments in the automotive field. The conference proceedings were also released during the inaugural function.

## EEE | INDUSTRIAL PROJECT

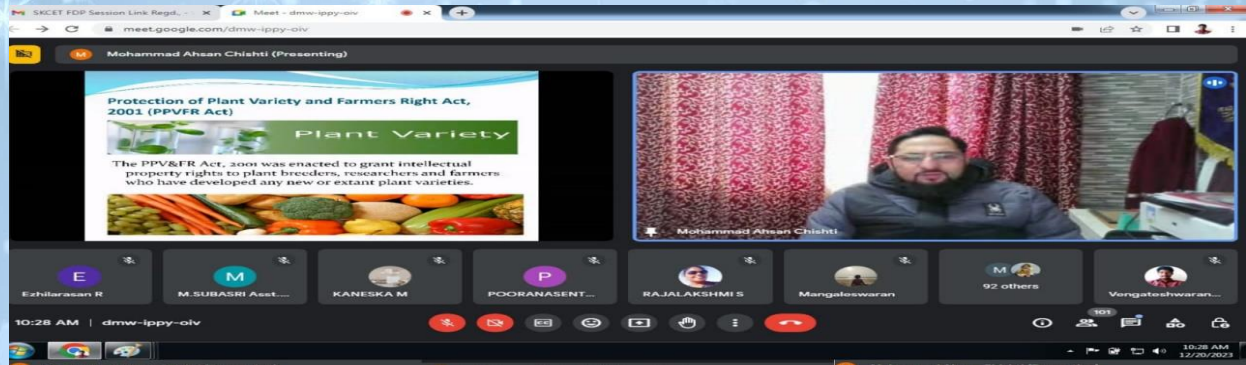

**Aakash**, student of **Third year EEE A** has engaged in an Industrial Project Design titled **User Registration Management** using React JS captivating intellectual discussion with an Industrial expert Mr.V.Srijith, Shree Sai Systems, Coimbatore.

The expert actively added his valuable suggestions in extending this project with multidisciplinary platforms and also appreciated the work designed by the student towards the project.

- Tech Stack analysis
- React JS Tailwind Css coding
- User friendly access

# CSE | FDP ON MODERN RESEARCH CONVERGENCE IN NEXT GENERATION COMPUTING | DAY - 3

## Session 1:

**Resource Person:** Dr. Mohamad Ahsan Chishti, HOD/CSE, NIT Srinagar, Jammu & Kashmir

**Session Takeaways:** Different types of IPR'S, Utilization and Commercialization, Patent Application Filing & Processing, Various Timelines for the Patents, Introduction to Designs, Trademarks & Copyrights, Geographical Indications.

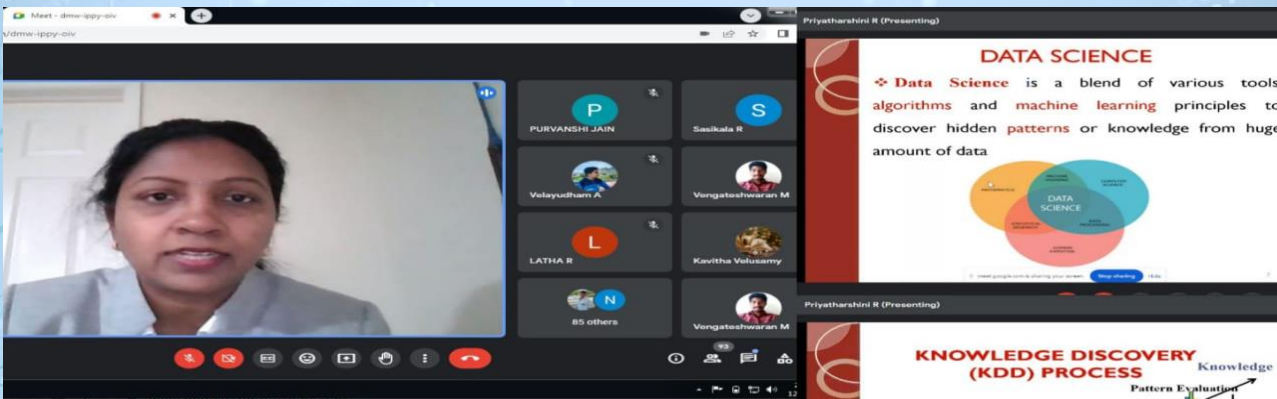

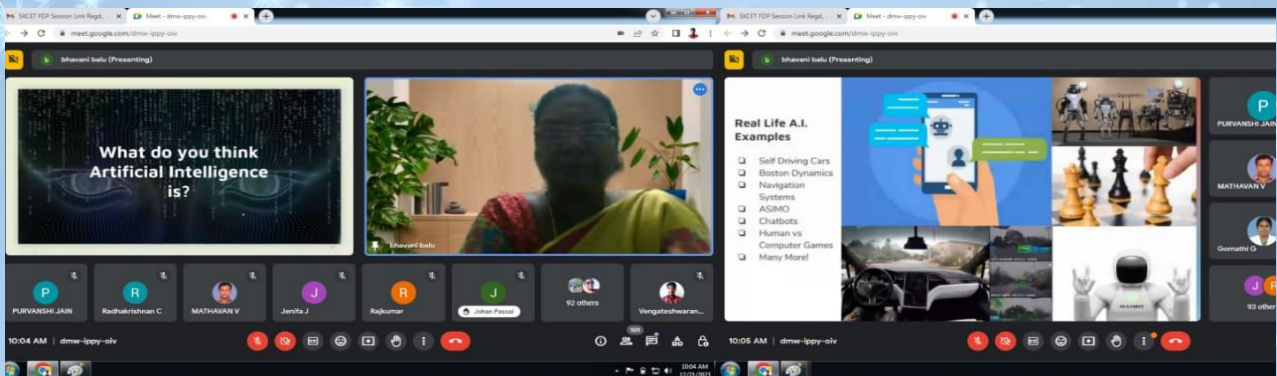

## Session 2:

**Resource Person:** Dr. S.N. Deepa, Associate Professor, NIT Calicut, Kozhicode, Kerala.

**Session Takeaways:** Overview on Natural Language Processing, Sentiment Analysis, Process, Platform, Classification, Models, Deep learning algorithms - CNN, RNN, Transformer.

# CSE | FDP ON MODERN RESEARCH CONVERGENCE IN NEXT GENERATION COMPUTING | DAY - 4

## Session 1:

**Resource Person:** Dr.R.Bhavani, HOD/CSE , Annamalai University, Chidambaram

**Session Takeaways:** Evolution of AI, Impacts of AI on day to day activities, Research opportunities, Strategies for implementing AI in Education, Future Direction, ML Techniques.

## Session 2:

**Resource Person:** Dr.Priyadharsini Rajaram, Program Director, School of Technology, Cardiff Metropolitan University,Wale,UK

**Session Takeaways:** Overview on Data Science, KDD Process & Statistics concepts, Data munging & wrangling, Real time demo with Skin Disease Detection, Error metrics, Core Research issues.

## MECH | INDUSTRIAL VISIT

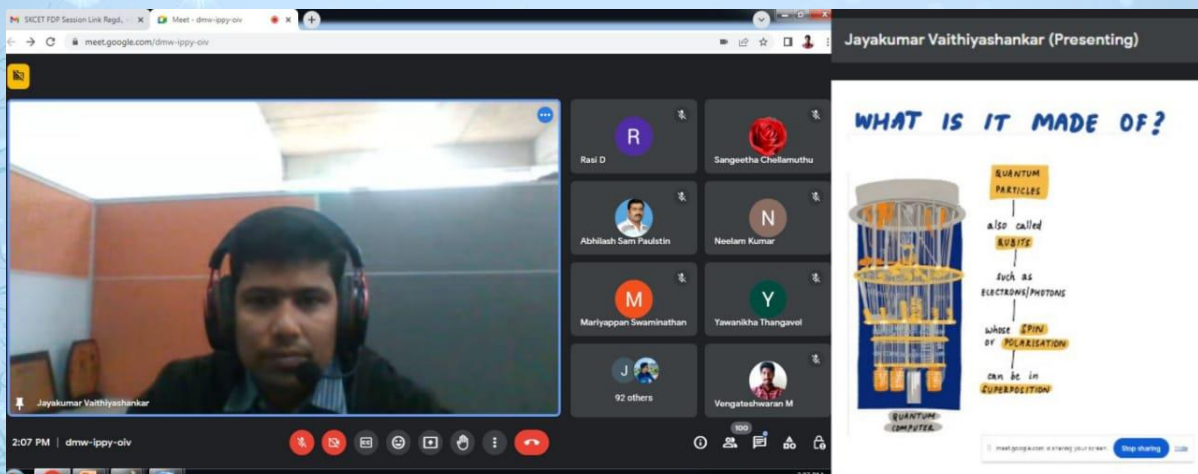

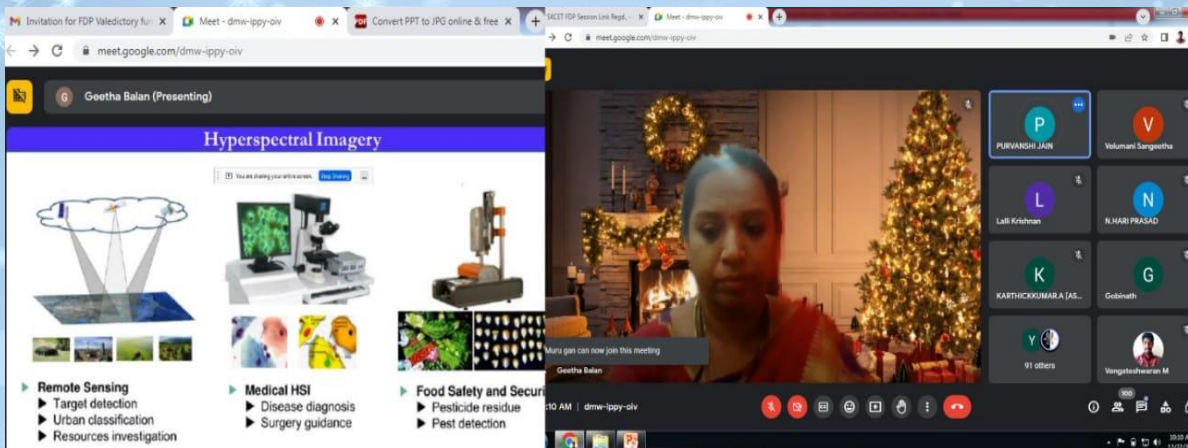

Following students from the Department of **Mechanical Engineering** visited Roots Industries India Private Limited (Automotive Division), Coimbatore on 21.12.2023. The Industry visit was organized by SAEISS Coimbatore Division. Students were exposed to Vehicle Horn technologies and their manufacturing processes.

1. Thiru Arvinda Samy. P – I Mech 'B'
2. Ragahavkrishna.M - I Mech 'B'
3. Vimal Kumar .V - I Mech 'B'
4. Sharuk Ahmed.S - I Mech 'B'
5. Nafil Ahmed .A - I Mech 'B'

# CSE | FDP ON MODERN RESEARCH CONVERGENCE IN NEXT GENERATION COMPUTING | DAY - 5

**Session 1:** Dr.S.Geetha, Dean ( Research), VIT University,Chennai

**Session Takeaways:** Fundamentals of Computer Vision, 2-D Projective Geometry, homography, and Properties of homography, Feature detection and description, Feature matching and model fitting, Dimensionality reduction and sparse representation, Deep neural architecture and applications

**Session 2:**

**Resource Person:** Dr.Jayakumar, IBM Quantum Educator, Bangalore

**Session Takeaways:** Understand quantum computation, Quantum algorithms(Simon's & Prime factorization algorithm), Mathematical models of quantum computation to physical systems, Quantum error correcting codes, Quantum cryptography, Quantum fault tolerance.

# CSE | FDP ON MODERN RESEARCH CONVERGENCE IN NEXT GENERATION COMPUTING | VALEDICTORY SESSION

Department of **CSE** successfully organized a 5-day FDP on "**Modern Research Convergence in Next Generation Computing**" from 18.12.2023 to 22.12.2023, with a notable participation of 1127 individuals, including both Indian and foreign participants. The valedictory session featured external participants from various Institutions. **Dr.K.Sasi kala Rani, HOD, CSE**, honored the participants with certificates of appreciation. The FDP was a commendable initiative fostering knowledge exchange and collaboration.

## CIVIL | HIGHER EDUCATION CELL

Department of Civil Engineering in association with Higher Education Cell organized a Guest lecture on "**An Overview of Higher Education**" for the **Third** year Civil Engineering students on 20<sup>th</sup> December 2023. The Resource Person was **Mr. Basker**, Marketing Manager, 2IIM, Chennai.

Session Takeaways:

- Career Opportunities available for Civil Engineers
- Process available to get admission in IIMs
- Importance of CAT exams
- Scope for Civil Engineering graduates in various countries.

## TESTIMONIAL BY PLACED STUDENTS

Being a part of SKCET has opened a lot of opportunities for me. Life at SKCET has been an amazing journey and I express my heartfelt gratitude for providing us the state of art facilities which enabled me to nurture my skills and learn new ones. I am particularly grateful for the placement training that was provided to us. This training has helped me towards a great career ahead, and I am confident that I have the skills and knowledge to excel in my chosen field. I know that I am not just taking away knowledge from SKCET, but also some life lessons that will always be with me. I would like to take a moment to express my deepest gratitude to my department faculty members and SKCET Placement cell who helped me hone my skills, challenged me to think critically, to pursue my passions, and to constantly strive for excellence and encouraged me in every step of my journey. I am very much grateful to my parents for choosing SKCET. Thanks to our Principal Madam and the entire SKCET faculty team.

**ARAVIND SAMY S,  
CSBS (2023 BATCH),  
MICROFOCUS**

## TESTIMONIAL BY PLACED STUDENTS

I am Brundhavani an alumna of the B.E Mechatronics Engineering program (Batch of 2022) at SKCET. My time as a student at SKCET was truly enriching, providing me with a wonderful environment for learning, exploration, and personal growth. The college has consistently served as an excellent platform for us to build our careers, enhancing our skills and expanding our knowledge. I'm grateful for the unwavering support and guidance I received from the dedicated faculty members and the Placement Officer. The placement cell at SKCET went above and beyond by offering comprehensive placement training and providing access to numerous learning platforms. Participating in various events played a pivotal role in boosting my confidence.

A special note of thanks goes to the placement cell for their guidance, which played a crucial role in securing placements not only in Accenture solutions but also in other esteemed companies. I appreciate the efforts of the SKCET management for their continuous support and guidance throughout my academic journey.

Thank you, SKCET, for being a pivotal part of my educational and career development.

**BRUNDHAVANI G,  
MCT (2022 BATCH),  
Accenture**

## R & D | PAPER PUBLICATION | ECE

**Ms.R.Niranjana**, Assistant Professor, Department of **ECE** presented and published her conference paper titled **“EcoGuard Uniting IoT and AI to Secure Forests and Combat Climate Change in Real-Time”** at the 2023 4th International Conference on Smart Electronics and Communication (ICOSEC). It is a Scopus Indexed Conference.

## R & D | PAPER PUBLICATION | MCT

**Dr. J.Justin Maria Hillary**, Assistant Professor of MCT, has published a paper entitled **“Friction and Wear Optimization of SiC / Graphite Reinforced AZ31 Hybrid Composite using Taguchi Method”** in the International Journal on Interactive Design and Manufacturing (IJIDEM). Its a web of science and Scopus Indexed publication.

## CSE | PRESTIGIOUS DOMAIN SCHOLAR CERTIFICATION FROM NPTEL

**Ms. V.R. Azhaguramyaa**, Assistant Professor, **CSE** has received the **Prestigious Domain Scholar Certification from NPTEL** in the Systems Domain of Computer Science and Engineering. This recognition is bestowed by NPTEL for the successful completion of 4 Core and 2 Elective Courses within the System Domain. Her exceptional performance stands out as she secured the top position in 3 out of the 6 courses undertaken: **Cloud Computing: Top 1%, Computer Networks and Internet Protocol: Top 1%, Introduction to Internet of Things: Top 2%** Due to these remarkable accomplishments, she has already been honored with the **NPTEL Discipline Star Recognition from NPTEL in Jan - Apr 2022**. Domain Scholar certification not only reflects her hard work but also signifies a genuine passion and unwavering dedication to continuous learning and professional growth.

# CSBS | FACULTY PROGRESSION

**Dr. S. Balakrishnan**, Head of **CSBS/CSY** Departments, has been honored with Shri PK Das Memorial **Best Faculty Award 2023** in the Senior category for his remarkable contributions in the field of Computer Science and Engineering, by Nehru College of Education and Charitable Trust. The award was presented by Dr. Garima Gupta, Scientist F, Decision Unit Head for HRD Programmes, DBT, Government of India.

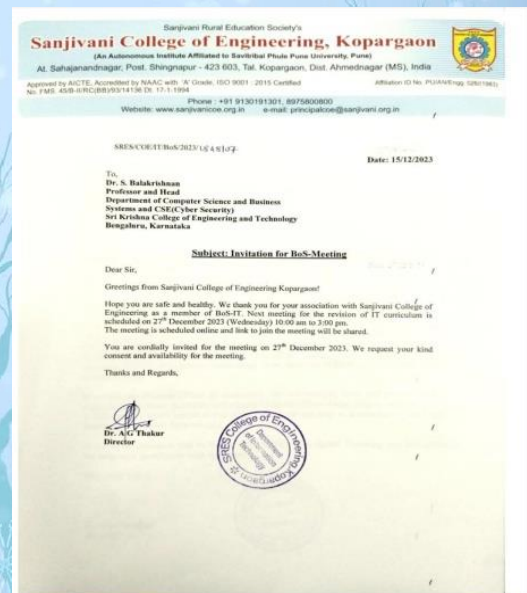

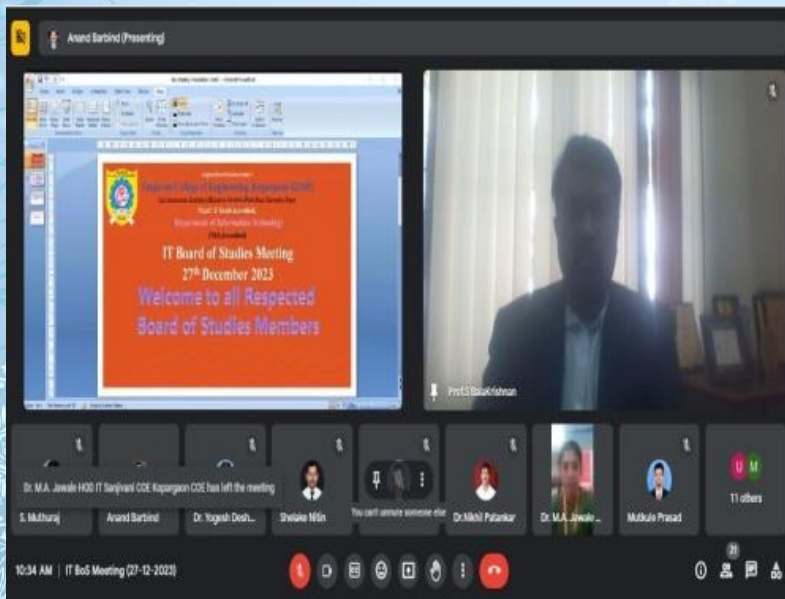

## MECH | GUEST SPEAKER IN FDP

**Dr. N. Balaji**, Professor – Mechanical Engineering has been invited as the guest speaker in the National Level Faculty Development Program on ‘**Cutting-Edge Developments and Research Frontiers in Mechanical Engineering**’ organized by SRM Madurai College of Engineering and Technology.

## CSBS | BOARD OF STUDIES

**Dr. S. Balakrishnan**, Professor and Head, Department of **Computer Science and Business Systems** has acted as the Member (Academics), Board of Studies, Department of Information Technology at Sanjivani College of Engineering, Kopergaon, Maharashtra, on 27th December 2023.
