It has been the vision of our Prime Minister to position India as a Global Hub for Semiconductor design, Manufacturing and Technology development, thereby unlocking a plethora of employment opportunities for the nation's youth.

In line with this vision, the foundation stone is being laid for the Semiconductor Fabrication Facility at Dholera Special Investment Region (DSIR), Gujarat - India's Commercial First Semiconductor Fab, Outsourced Semiconductor Assembly and Test (OSAT) facility at Morigaon, Assam and the Outsourced Semiconductor Assembly and Test (OSAT) facility at Sanand, Gujarat.

The momentous occasion was witnessed through live streaming by students of ECE and EEE, signifying a promising future in India's tech landscape.

AI&DS |SEMINAR ON DEEP INSIGHTS ON GENERATIVE AI MODEL

Department of Al&DS organized a seminar on "Deep Insights on Generative Al Model" on 09.03.24.

Guest Speaker: Mr.M.Sabarinathan, Founder & CEO,Gateway Software Solutions, Coimbatore.

Session Takeaways:

- Generative Adversarial Network Applications
- Significance of Data science in AI
- Text generation with NLP models like GPT
- Image to image translation

IT | CV PREPARATION AND INDUSTRY READINESS

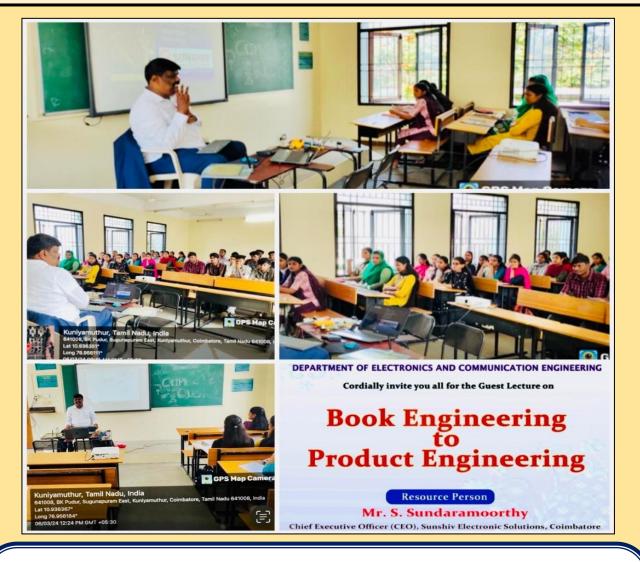

Department of **Information Technology** orgasnized a Guest Lecture on "CV Preparation and Industry Readiness" on 12.3.2024. Dr.Deepak Keynes, Team Lead,Cognizant Technology solutions, Coimbatore was the Resource Person.

Session Highlights:

- Industry readiness and its scope
- Progressive guide lines in LinkedIn
- CV preparation with significance to keywords
- Multi Dimensional perception of IT services

ECE | BOOK ENGINEERING TO PRODUCT ENGINEERING

Department of **Electronics and Communication Engineering** organized a technical Seminar on **"Book Engineering to Product Engineering"** on 06.03.24. Resource Person of the event was **Mr. Sundaramoorthy**,CEO, Sunshiv Electronic Solutions

Session Takeaways:

- Design & creation of products,
- PCB Design concepts,
- Research & idea screening,
- Concept development, Prototype & evaluation
- Product rollout & iteration

Session Takeaways:

- Career Advancement options
- Leaders of premium industries
- Top Business Schools in India
- CAT preparedness
- MBA entrance tests and interviews

ECE | ZERO TRUST ARCHITECTURE REIMAGINING INFORMATION SECURITY

Department of **Electronics and Communication Engineering** organized a Guest Lecture on "**Zero Trust Architecture Reimagining Information Security**" **Mr.V.M Prabakaran,** Founder and CEO, Visaithalam Solutions, Coimbatore was the Resource person.

The Session Highlights:

- Vision 2030,
- Data Security in India
- Social media and Data security
- Project Loon for Data security
- Reimaging Information Security in Cloud
- Medical Electronics Application
- Steganography

MCT | DRONE WORKSHOP – DAY 2

Resource person: Mr. Yuvaraj & Mr. Sam, Skyrider Aerosolutions Chennai.

Session 1

Highlights:

- Training on Drone assembly
- Flight controller Calibration
- Clean Flight software simulation
- Configuration setting up the drones

Session 2

Highlights

- Drone Calibration
- Transmitter and Receiver Configuration
- Drone Flying Training

ECE | TWO DAYS WORKSHOP ON FLUTTER APP DEVELOPMENT

Department of Electronics and Communication Engineering organized a Two days Workshop on "Flutter App Development" . Mr.Celestine P, Robotics Engineer, Robomatiic - a division of cadd technologies, Coimbatore was the Resource person.

Session Highlights:

- Application & Operating systems(OS)
- Flutter and Dart- introduction
- Software installation & System setup
- Homepage creation
- Beginners guide to Flutter
- Flutter Documentation

EEE | TESTIMONIAL BY PLACED STUDENTS

Firstly, I would like to extend my heartfelt thanks to the entire Sri Krishna family for their unwavering support and dedication. Today, as I embark on this exciting journey in my career, I can confidently say that Sri Krishna has not just imparted education, but has also nurtured my overall development. The guidance and support provided by the faculty and placement team were exceptional. Not only did they equip me with the necessary skills and knowledge, but they also groomed me to be a confident and industry-ready professional. I am incredibly grateful to the professors for their rigorous training, which played a pivotal role in helping me secure a covered position at Zoho. I can say that SKCET has been the best part of my life and I admire the support and dedication I received from the management and the department.

"The harder you work for something, the greater you'll feel when you achieve it."

Session Takeaways:

- Technical interviews Success strategies
- HR interview Approaches
- Core Company Entry Plan
- Effective Resume Preparation steps Importance of the project

SKCET | ASPIRE SYSTEMS COE IMPACT

Ms.Anitha and **Ms.Snigdha**, Talent Nurturing Team, **Aspire Systems**, Chennai visited SKCET campus on 12th March,2024, and interacted with 2024 batch **Aspire placed CoE** students.

Aspire is one of our prestigious recruiters, we are happy to share that they visited our campus to kick start training for Aspire CoE students and gave valuable suggestions for next level of learning process.

Session Highlights:

- Conducted an Activity
- Delved into Corporate Culture Discussion
- Initiated a Technical Session

IT | TESTIMONIAL BY PLACED STUDENTS

I am Shanthini Devi N, and am a passed out student of Information Technology Batch of 2022. My experiences at SKCET have helped me to gain knowledge in my area of interests in both academics and nonacademics. The college provides moral support in all aspects. There is a vast and an in-depth learning experience helping one to develop analytical, conceptual and practical knowledge of the subjects. We were trained industry-oriented perspective which helps to gain insights about what a software company expects. The college provides lots of opportunities for students to explore not only their technical thrust, but more importantly, develop analytical skills, problem solving skills and also soft skills, which helps in career development. I am very much grateful to my parents for choosing SKCET. Thanks to our Principal Madam and entire SKCET faculty team.

SKCET | AMPHISOFT TECHNOLOGIES COGNITIVE THINKING WORKSHOP

One day workshop on **cognitive thinking** was organized for **Second** year **CSBS** and **M.Tech. CSE** students by **Amphisoft Technologies** at on **13th March, 2024,**. **Ms.Arthi Shakira**, Freckled.Ai, was the resource person.

Session Highlights:

- Practicing mindfulness
- Problem Solving skills
- Reasoning skills

IT | TESTIMONIAL BY PLACED STUDENTS

My time at SKCET has been truly remarkable. It has been overwhelmingly positive and inspiring in every aspect. The college offers abundant opportunities for research, projects, internships, jobs, and participation in various committees. These avenues have equipped me with valuable knowledge and experience, enabling me to excel in my chosen field. These experiences have significantly contributed to my personal growth, particularly enhancing my communication, technical, and management skills, all of which are essential for a successful career. Overall, I firmly believe that SKCET provides an environment conducive to fostering a fulfilling educational journey. I am especially grateful to the placement cell for their guidance and support in providing me with a solid platform for my career, ultimately leading to my placement at STRIIM. I extend my heartfelt thanks to my parents, the SKCET management, the Principal, and the entire SKCET family for the wonderful opportunities bestowed upon me.
