PART A: ACTION TAKEN ON THE MINUTES

1. Academic calendar

The academic calendar for 2022-2023 was released and distributed to students and faculty members, along with the contact information of administrative incharges.

2. Plan of events

For the academic year 2022-2023, Seminars, Conferences, and Faculty development programmes have been planned to teach students about recent advancements in technologies and update the knowledge of faculty. List of resource persons from leading industries and academia have been approved by management.

3. Curriculum Revision

The R2022 curriculum was finalized at the board of studies meeting attended by academic experts, industry professionals, and alumni. The curriculum for the 2022–2023 academic year was revised to include industrial requirements after multiple brainstorming sessions.

4. NAAC Accreditation

Based on the recommendation of the committee members, the institution has decided to reapply for NAAC next year. The institution is gearing up to obtain NAAC A++ grade.

PART B: DISCUSSIONS AND DELEBERATIONS

1. TARGETS AND PLANS FOR THE ACADEMIC YEAR 2022-2023

Based on the discussion of the IQAC meeting, the following targets are set for the academic year 2022-23.

- To renew the NBA accreditation status for civil and EEE departments (Compliance preparation)
- To invite industry experts to teach curriculum courses to the UG students
- To revise the curriculum and syllabus for all the UG courses as per the requirements of the stake holders
- To apply for 4th cycle NBA accreditation for CSE, IT, ECE and Mechanical Engineering programmes.
- To establish special research labs to expose the students to modern technologies

2.MOOC Courses

Committee members insisted that the institution to encourage more faculty and students to enroll in MOOCs like those offered by NPTEL and Coursera. The committee members also recommended making these courses as mandatory subjects. It is also advised that each academic year, faculty members take at least one MOOC/NPTEL course.

3. Identification of Industries and resource persons for Industrial training

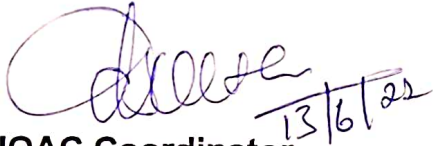

Committee members recommended that suitable industries need to be identified for providing industrial training to the students. The committee suggested that the departments and placement cell shall together identify the industries for training the students

4.AICTE Curriculum implementation

Committee members asked if the programme had been revised and enforced. The principal ensured the committee members that the curriculum has been revised in accordance with industry standards, and faculty members have been educated in the new curriculum through faculty development programmes.

Submitted for favour of information to the IQAC`

Dr. P. AshokaVarthanan, Coordinator, IQAC proposed the vote of thanks to all the members of the IQAC Committee and expressed gratitude for their sustained involvement in IQAC activities.

PART A: ACTION TAKEN ON THE MINUTES

1.SWAYAM NPTEL STATUS

This academic year, a total of 1833 students from all departments enrolled for the NPTEL test, based on the committee members' recommendations. The progress of students are tracked, and they are motivated to achieve gold or elite grade in the final test.

2. Identification of resources for Industrial training

As per the committee members suggestions, the companies such as Virtusa, Aspire, Intain, Hexaware, Capgemini, Crystal delta, Quinbay and ImNeo were shortlisted for imparting industrial training to the students. Hexaware, Crystal delta, Quinbay and iamneo started their training in the month of august and other companies training will begin soon.

3. AICTE Curriculum implementation

The updated curriculum was implemented and it will be applicable for the 2022 batch students. Through online certification programmes and faculty development programmes, faculty members were also trained to teach the new courses included in the curriculum.

PART B: DISCUSSIONS AND DELEBERATIONS

1. Follow up of target plans for 2022-2023

- **Renewal of NBA accreditation for civil and EEE departments**

The department of Civil Engineering and Electrical and Electronics Engineering are preparing a compliance report for the NBA Accreditation renewal.

- **Inviting industry experts to teach curriculum courses to the UG students**

Organizations such as Virtusa, Aspire, Intain, Hexaware, Capgemini, Crystal delta, Quinbay, Seine Aerospace and iamneo have been selected for training our students. Hexaware, Crystal delta, Quinbay and iamneo started their training in the month of august and other companies training will begin soon.

- **NBA accreditation for CSE, IT, ECE and Mechanical Engineering programmes**

As per the committee member's suggestions, the four departments are preparing prequalifier documents for fourth cycle NBA Accreditation. All the departments are aiming for six year accreditation from NBA.

- **Establishment of Special research labs**

The department of ECE established Centre for Excellence in Embedded systems for enhancing the research activities of faculty members and students. Mr. Vishal, Business Unit Head and Ms. Charumathi, HR Head from Valeo Labs Company visited the labs to get acquainted with the lab facilities for collaborative research.

2. NIRF Ranking 2022

The Committee members appreciated SKCET for the 73rd Rank under Engineering category in the 7th Edition of India Rankings 2022: National Institutional Ranking Framework 2022, released by the MHRD. This ranking reaffirms the institution odyssey to educational excellence, as an Institution in "Teaching, Learning and Resources," "Research and Professional Practices," "Graduation Outcomes," "Outreach and Inclusivity," and "Perception.

3. Academic partner excellence award

Committee members appreciated SKCET for receiving the Academic Partner Excellence Award 2022 in recognition for its active participation, outstanding commitment and effective utilization of the services offered by ICT Academy. SKCET has been arbitrated at the National Level as the Top Campus for its excellent participation in getting maximum number of girls with onramp certifications.

4. Hackathon Accolades

The committee members appreciated the nine teams Cardinality, Golden Dawn, Caffeinated Coders, Free Thinkers, The Hephaestus, Innovative Hackers, The

Mitigators, Krenoviantz, Tech Mutants for receiving First Prize in the Smart India Hackathon 2022 - Hardware Edition with a Cash Award of Rs. 1 Lakh. Management of SKCET awarded the teams with additional cash award of Rs 1 lakhs as a token of appreciation. They are also suggested to apply for patent for their innovation.
