## PART B: DISCUSSIONS AND DELEBERATIONS

### 1. TARGETS AND PLANS FOR THE ACADEMIC YEAR 2019-2020

Based on the discussion of the IQAC meeting, the following targets are set for the academic year 2019-20.

- To obtain the highest grade of A ++ in NAAC Cycle 2 Accreditation.
- To establish Centre of excellence in Materials and Manufacturing
- To obtain 70th rank in NIRF
- To Secure top 5 ranks in MHRD – ARIIA
- To encourage students to participate in MOOC Courses

### 2. MOOC Courses

Committee members described the MOOC courses initiate self learning skills among students. Also it helps to bridge the gap between industry expectation and academic training. The committee members insisted the institution to motivate more students and faculty members to take up MOOC courses such as NPTEL and Coursera.

### 3. Internal test review

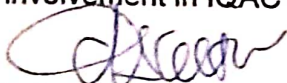

Committee members suggested that a detailed analysis shall be performed after CIA exams to analyze the performance of the faculty members. In order to encourage and challenge the students, higher order thinking questions shall be asked in the internal exams.

### 4. AICTE Curriculum implementation

Committee members enquired if the PG syllabus is benchmarked with AICTE curriculum. The principal informed the committee members that the PG curriculum has been revised in accordance with the AICTE Norms and industry standards. Faculty members handling PG Courses have been trained through faculty development programmes.

## **PART A: ACTION TAKEN ON THE MINUTES**

### **1.SWAYAM NPTEL STATUS**

As per committee members' recommendations, a total of 1673 students from all departments registered for the NPTEL exam this academic year. Students progress has been monitored, and they are encouraged to achieve gold or elite status on the final exam.

### **2. Internal test review**

Based on the results of the CIA I, an online academic review was conducted on 21 August 2019. Faculty members were adviced to conduct weaker section classes for the improvement in second internal test.

### **3. AICTE Curriculum implementation**

The updated curriculum was implemented and followed by the first year PG students from the month of august. Faculty members were also trained through faculty development programmes and online certification programmes for the updated curriculum.

### **4.Programs organized based on the Event list**

Programs were organized online based on the events planned during the beginning of the academic year. Industrial persons and academicians from the reputed institutions shared their domain expertise to the students and faculty members.

## PART B: DISCUSSIONS AND DELEBERATIONS

### 1. Follow up of target plans for 2020-2021

- **To obtain the highest grade of A ++ in NAAC Cycle 2 Accreditation.**  
Teams have been formed for all the Seven criterias for the evaluation of datas to be submitted. Dr P Ashoka Varthanan, IQAC Coordinator is appointed as the overall incharge of NAAC accreditation. The team is analyzing to meet the guidelines set by NAAC for a higher score in all the parameters
- **To establish Centre of excellence in Materials and Manufacturing**  
The institution is receiving quotations from the CNC Manufacturers for establishing Centre of excellence in materials and manufacturing. The CNC machine will ensure consistent product quality, Increased production speed and increased efficiency. Hence it will help the institution in taking up the consultancy work. Moreover, the department of Mech Engg is encouraged to apply for DST-FIST Fund to setup the Centre of Excellence.
- **To obtain 70th rank in NIRF**  
The Institution is striving hard to better project SKCET in the areas of Teaching, Learning, Research, Professional Practice, Graduation outcome, Outreach and Perception. A comparison of the top 50 NIRF Institutions with respect to NIRF ranking is made and steps are taken to attain 70<sup>th</sup> rank in NIRF.
- **To Secure top 5 ranks in MHRD – ARIIA**  
The institution is applying for ARIIA ranking and aiming to secure the top 5 ranks in the field of innovation. This motivates students to become an entrepreneur based on the successful projects completed during their studies. Many successful projects are identified for establishing start ups.
- **To encourage students to participate in MOOC Courses**  
A total of 1673 students and faculty members have registered for the NPTEL December 2019 exams. Mentors have been assigned for all the courses to effectively track the performance of the students and motivate them to secure high marks.

### 2. Scopus/Web of Science Journals publications

Committee members suggested that the faculty members shall publish in high impact factor reputed journals. All the departments shall prepare a list of reputed journals in the area of research expertise of the faculty members and circulate the same among the faculty members for publication.

### 3. Industrial Interaction

SKCET, in collaboration with INFOSYS as a Campus Connect partner college has organized a "Train the Trainer program on INFYEQ" from 24th June 2019 to 26th June 2019 at SKCET. The Institution received positive feedback from the various participants of 23 different Campus connects colleges.

### 4. Language Proficiency

Foreign Language Proficiency Training is one of the best practices at SKCET. German language Classes are conducted for our college students as German is the gateway to the world class higher education. Students of various departments who aspire to pursue higher studies are eager to register and attending the training programs.

### 5. Faculty training

As per the suggestions of the committee members, a team of faculty members from CSE,IT and S&H attended the Train the Trainer programme for Third semester conducted by TCS at Indian Statistical Institute, Kolkata from June 27-28, 2019.
