

## ALUMNI INTERACTION

23.9.17\_Alumni Meet at Quality Inn Sharvanthi, Bangalore

23.9.17\_Inaugural of Alumni Bangalore Chapter

**23.9.17\_Sharing of Thoughts by the Alumnus**

**23.9.17\_Band Performance by the Alumnus at Bangalore**

**23.9.17\_Surprise Gifts were given to the Alumnus**

**Ms.J.Shiny Susan (ME CSE 2015-2017 batch) working currently as Software Developer in Infosys interacted with PG students and motivated them regarding placement and how to plan for future career.**

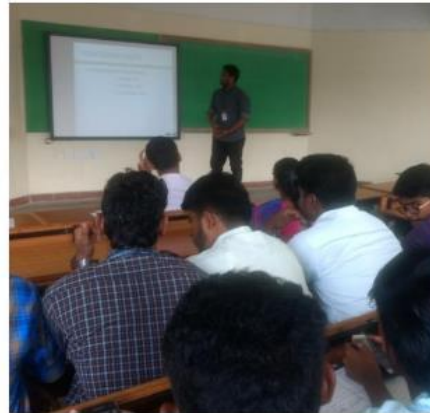

**Mr.E.Elbin Paul ( Alumni 2017 batch) working in Accenture Bangalore interacted with 2018 Batch final year Civil Engineering Students regarding Day-1 companies placement preparation**

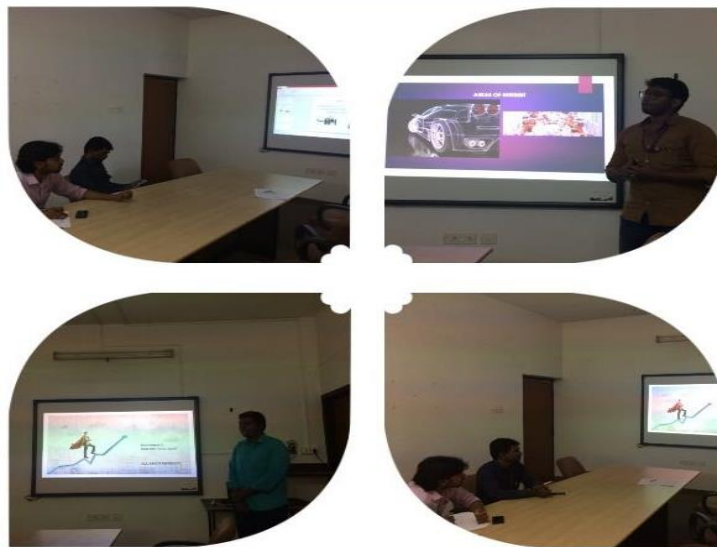

**Mr.Ravishankar (2013-2017 batch) interacted with our final year students about Hyundai placement process and motivated them on Oct 06, 2017.**

**10.10.17\_Mini Project Display for I &II year ECE Students, Organized by Dr. S. Sasipriya  
Chief guest: Mr.Thamaraikannan, CEO, Virtual technologies.**

**Mechatronics Engineering Alumni, Mr.Karthikraj, Robert Bosch And Mr.Mohanraj, Hirotec Evaluated Seminar Presentation For Third Year Students On 07.10.2017**

**Mechatronics Engineering Alumnus, Mr.S.Prasanth, Process Engineer, Ashai India Glass Pvt Ltd Conducted Self Introduction Session For Hyundai First Round Shortlisted Students On 7.10.2017**

**Mechatronics Engineering Alumnus, Mr.Sakthi Gokul Interacted With Second Year And Third Year Students On How To Prepare For Core Industries Recruitment On 05.10.2017**

**Mechatronics Engineering Alumnus, Mr.S.Prasanth, Process Engineer, Ashai India Glass Pvt Ltd Conducted Group Discussion For Hyundai First Round Shortlisted Students On 05.10.2017**

**3.10.17\_Two days' Workshop on Labview for ECE students by ECE alumnae Mr.Vijaykrishnan, Project Engineer, Soliton Technologies**

**Mr. C.Pranab Shreedhar, Regional Head, OYO Rooms 2012 Batch CSE Alumni attended the Alumni Office Bearer's meeting and discussed about the preparation for Bangalore Alumni meet to be held on September 23<sup>rd</sup> 2017..**

**As part of the Placement Activities, The alumni of our esteemed institution accepted our request for conducting the Group Discussion and Mock interview on 17/09/2017. Alumni evaluated the students based on various features and shared their feedback. Following Alumni participated in the event.**

**Yogesh- Infosys**

**Naren - Amazon**

**Madhushalini-Zoho**

**SarumathiR-Amazon**

**Rithikagolecha- Got 4 offers in Day 1**

**Ramakrishnan- Nationstar**

**Akshay-Zoho**

**Kalaivanan-Zoho**

**Hariram-Zoho**

**Sangeetha R - 4 offers in Day1**

**Suryavarshini- Accenture. She cleared SSB and got selected in Airforce**

**Dhanusudanraj- Amazon**

**Mr. K. Narendran, Mobile App Developer - IOS, Amazon, Bangalore visited the department on 11.09.2017. He interacted with the pre-final year students on “How to face Product based company interviews” and motivated the students to excel in their performance.**

**Mr.Madhaneswar, Mr.Kapil and Mr.Manovikas (2012-2016 batch) interacted with our second year students and judged the technical seminar on 19<sup>th</sup> Aug 2017.**

**Mr. Jamal Mustafa (BE MECH 2010-2014) interacted with UG students and motivated them regarding placement and how to plan for future career in the field of HVAC on 21<sup>st</sup> Aug 2017.**

**Mr. V. Karthikeyan working as a Senior Project Manager at HCL Technologies 2004 Batch Alumni inaugurated Computer Science and engineering department Association and gave a guest lecture on “Industries expectations from young engineers” on 28.07.2017.**

**An Entrepreneurship Awareness Camp (EAC) was organized at Sri Krishna College of Engineering and Technology between 20/7/2017 and 22/7/2017. The Camp was funded by the Entrepreneurship Development Institute of India, Ahmedabad under DST –NIMAT project 2017.**

**The main objective of this EAC programme is to create awareness among students about different aspects of entrepreneurship while highlighting the merits of pursuing such a career option. In this programme, 76 engineering students of circuit branches and 9 alumni participated and gained knowledge. Mr.Sivathirunavukarasu, Mr.M.Vijayakumar, Mr.Vikram CM of CSE 2017 passed out students participated in the Camp.**

**Mr.Ramakrishnan-Nationstar, Mr.Prasanna Prabhu-Accenture and Mr.Rohit G Raj-Accenture Alumni of 2017 batch visited the department on 22.07.2017 and had a discussion with the CSE HOD Dr.Persis Urbana Ivy about the Industry-Institute gap and suggested on the various techniques to be deployed in improving the student's technical skills prior placement to make them industry ready.**

**MECHATRONICS ENGINEERING ALUMNUS, Mr. NIRMAL KRISHNA INTERACTING WITH SECOND YEAR AND THIRD YEAR STUDENTS ON HIGHER EDUCATION IN ABROAD AND INTERNSHIP AT IIT ON 13.09.2017**

**Ms.Nandhini, Software Developer, Verizon 2013 Batch Alumni had an interaction with third year CSE students regarding placement on 22.07.2017. She motivated the students about the importance of problem solving skills.**

**Mr.R.Aswiin ,Chief operating officer, Adhya Fabricators and Mr.S.Kamlesh Kumar, Managing director, KAMSYS Tec solutions India Pvt Ltd 2013 Batch Alumni participated in the Entrepreneurs Awareness Camp interaction on 21.07.2017 and gained insight on entrepreneurship activities. They also attended the Alumni Office bearers meeting held on the same day in Alumni Office and discussed about the various Alumni activities and Alumni meet plans for the forthcoming year.**

**Mr. Manikandan S of 2015 batch, working as Software Engineer at Nutanix visited the department on 24.6.2017. He interacted with the final year students on “How to face Product based company interviews” .Then he presented a session on “How to prepare Professional Resume”.**

As part of the Placement Activities, The alumni of our esteemed institution accepted our request for conducting the Mock interview on 24/6/2017. Alumni evaluated the students based on certain criteria and shared their feedback.

Mr. Balanarayanan of of 2013 batch, Procurement Executive Larsen & Tourbo Ltd .

Mr. Wasim Akram of 2013 batch, Software developer, Tech Mahindra

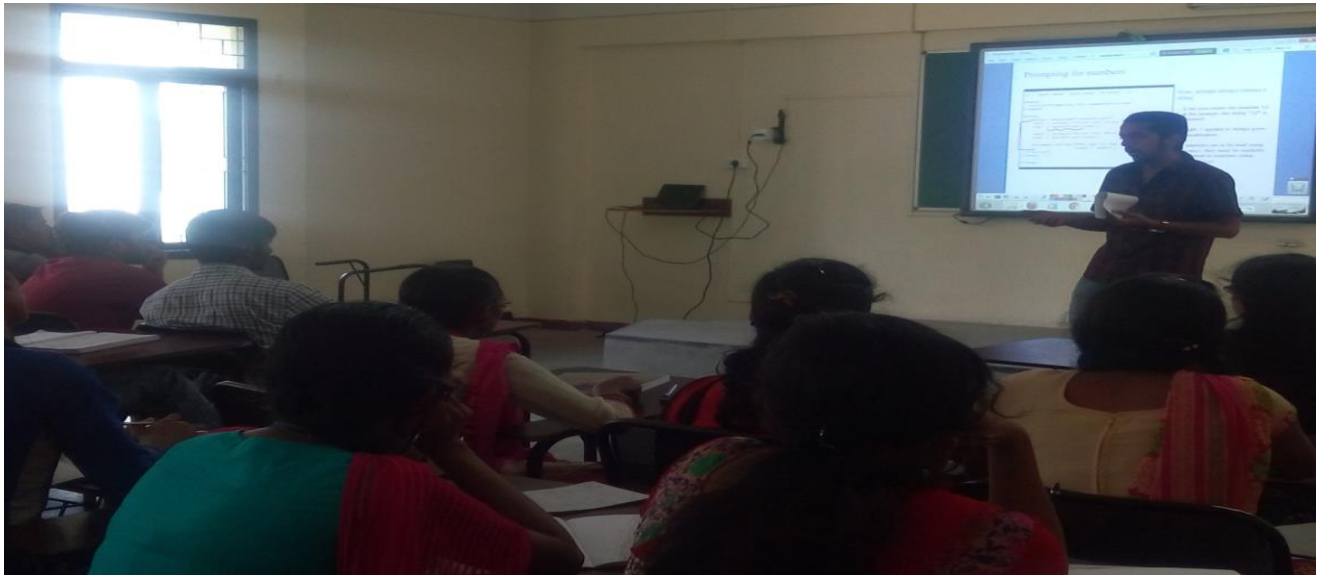

Mr. Ramraj of 2006 PG batch, Professor of CIT, Coimbatore

Ms.Rajashree of 2016 batch, Software developer, Infosys, Chennai

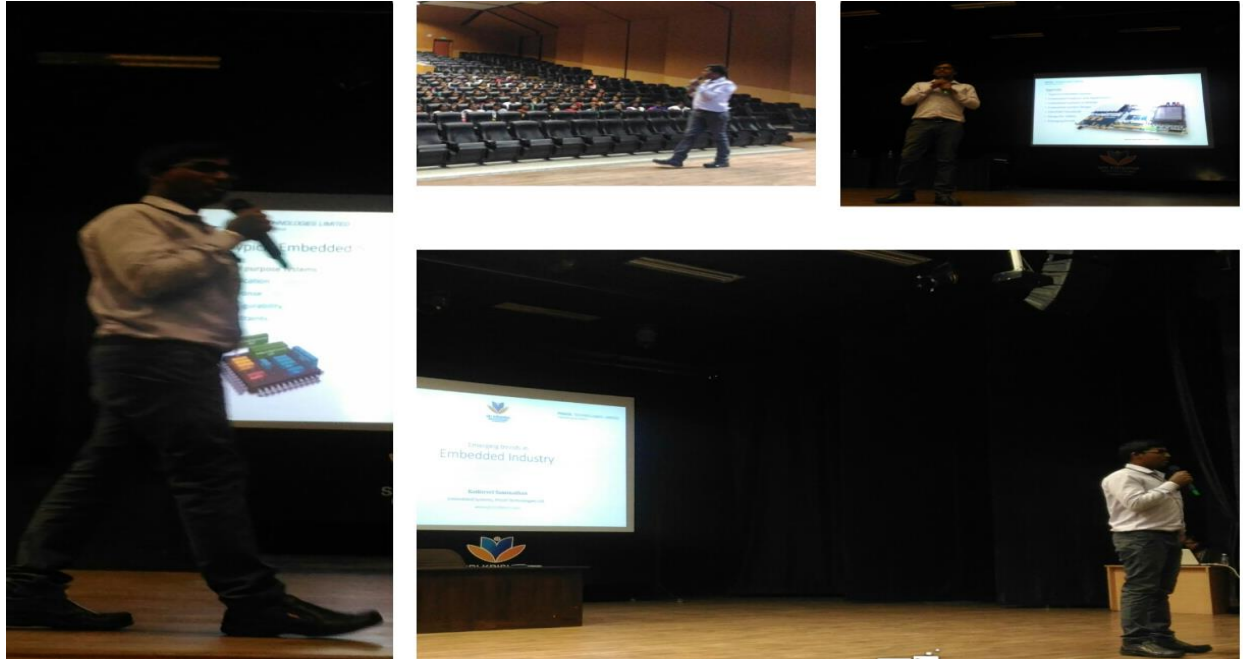

Ms.Dharani of 2016 batch

**Alumni Mr.Ashok from Robert Bosh interacting with II MCA Students**

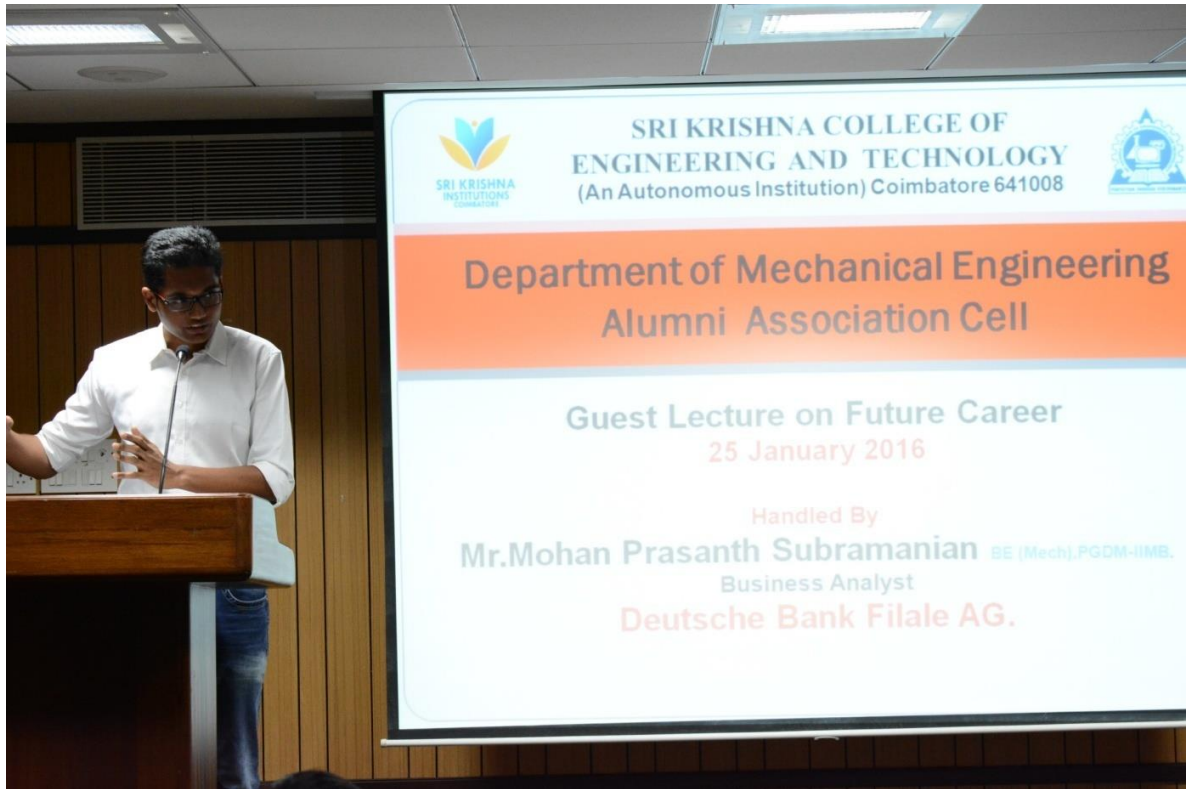

**Our alumni Mr.S.Thamarai kannan, Proprietor, Virtual technologies, presented a guest lecture on ‘Approaching the project’ to the second and third year students on 05.01.2017. He created and delivered an engaging presentation that was relevant to the entire start-up eco-system. He was instrumental in responding to specific questions from the group and was able to provide real-life, relevant examples. He explained how passion can cause many entrepreneurs to overlook basic business fundamentals, leading to problems that can undercut their chances of success. Drawing on his years of experience with successful startup , Mr.S.Thamarai kannan shared insights about how to recognize these potential setbacks before they happen.**

**Our alumni Mr.Kathirvel.S, Graduate Engineer, Pricol Technologies Pvt.Ltd, delivered a seminar on ‘ Recent Technologies in Electronic Industries’ on 06-01-2017 from 3.00 PM to 5.00 PM. He shared his experience in his working environment and also about the latest technologies that is being used in electronic industries. He detailed about the importance of embedded systems in electronic industries. He also motivated the students to get well prepared for placements.**

**Alumni Mr.Gowtham and Ms.Chithra from Accenture interacting with final year students**

**Mr. Mohan Prasanth (2013 Batch) delivered a guest lecture on Future Career on 25<sup>th</sup> Jan 2016, Organized by Alumni association Cell of Mechanical Engineering.**

**EEE Department Alumnus Mr.S.Pranesh, Software Engineer, Robert Bosch Engineering and Business Solutions being a Judge @ Mini project Expo 2016.**

**Computer Science and Engineering Dept organized a Guest Lecture on “Digital Marketing and Search Engine Optimization” by J.Nagarameshwar, SEO Analyst, IQanti Pvt Ltd,Bangalore –Alumni 2013 batch on 20<sup>th</sup> August 2016.**

## **My Journey from Scratch to Special:**

The very first day when I entered SKCET, what I felt was “Oh My God! This would be a superb place for me to do my degree.” It happens when you see a college with a very good infrastructure and I hope most of them would've felt the same.

## **Starting from Special First Year...**

First year was one of the best years of my college life. We were under S&H department which contained many common subjects for all the branches. Also we were new to college we couldn't break the ice for few days (maybe around 3 days) and after that we all were united. Lots of fun activities, combined studies near library during internals, Industrial Visit to Ooty etc.. Mrs. Nirmala was our class advisor during first year; we really enjoyed her guidance as it was little fun filled with some seriousness.

## **Sensational Second Year!!**

We entered our IT department in the second year. We had no clue about the syllabus and other things. So, we were little trembled with eagerness. Thank God! Second year was even more awesome as we belonged to our pride (IT). After a week or two, lateral entry friends started to join the college. They were initially shy to mingle with the regular people. But, we broke the ice and started to take part in all the activities. We thoroughly enjoyed the classes taken by our beloved class advisor Mrs. Geetha, Mr. Kannimuthu as they were really friendly with us. Our seniors became close to us and they guided us in a good way. Things were damn good in the second year.

## **Tireless Third Year...**

Third year was pretty cool in the fifth Semester as we had our core subjects, Industrial Visit to Bangalore, Symposium etc.. We people became even closer in the third year and it was very energetic. I was also given a big responsibility by our Favorite Head Of the Department "Dr.N.K.Karthikeyan", the man who was friendly and also little strict. I was asked to take care of the placement along with my other three friends.

When we entered our sixth Semester, we were little bit cautious as it was our hardest time of the engineering life. Yes, it was our placement time and we had numerous classes for three to four months. We got placed in different companies and very few were left out waiting for further companies. They were little upset as they didn't get placed. But, they too got placed in many good companies. So, at this point I would like to say one thing to all, "Life is a Race and you have to Run, Run, Run."

### **Fervent Final Year:**

This was the year which we didn't want to have as it was the end of our college life. Life was very busy with final year projects, placement drives, seminars etc.. Most of the times were spent in food court and our labs by preparing for our projects. We couldn't spend time with our friends much like how we did in the previous years. Though we all are in contact with each other, we are badly in need of a time travel machine to go back and cherish those college days! ☺

**My final thought:**

***“Life at SKCET will be really awesome if you balance your academics and extracurricular activities”***

So, I would like to thank all my staffs (teaching and non teaching) for making my life great at SKCET.

**With Love,  
Viswanathan. R  
Jr. SEO Analyst**

Mechatronics Department Alumni Mr.Muthiah gave a guest lecture on "Vehicle dynamics and Higher studies in Germany" on 07.01.2016.

**Senthil.V, Hari Krishnan.J & Srihari of 2004-2008 Batch has sponsored amount of Rs. 40,000 for a needy student of ECE Department**

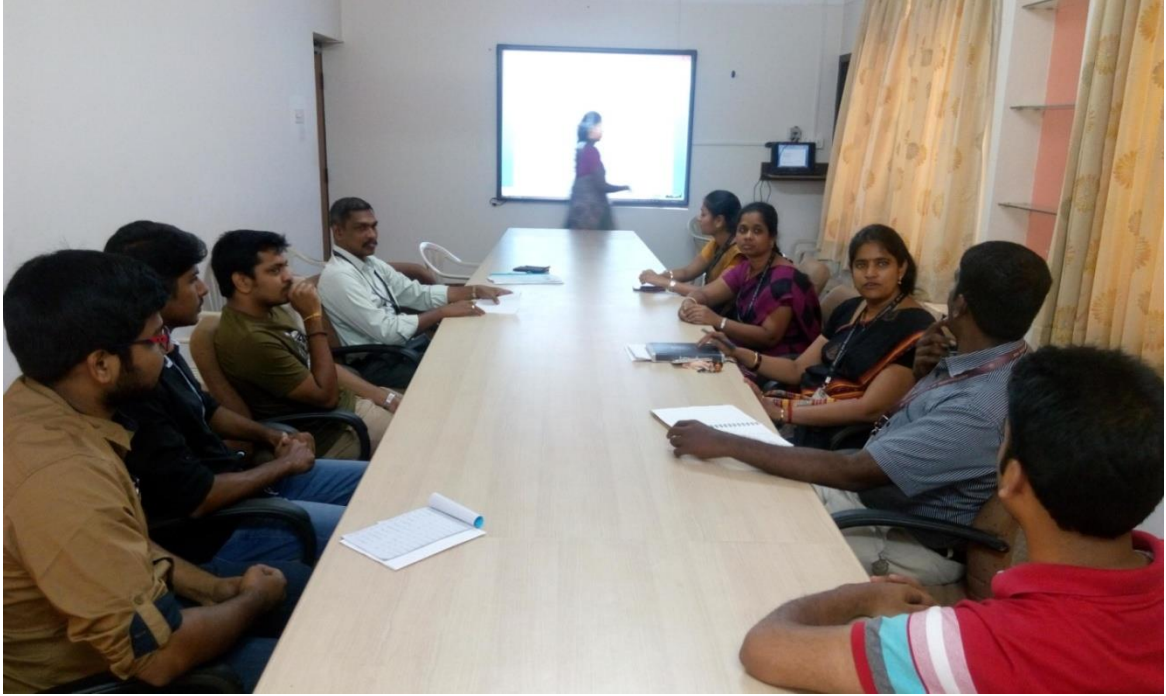

**The Computer Science and Engineering Department organized “Motivational Talk” by Ms.Mounicca , Infosys –Alumni 2016 batch on 26<sup>th</sup> September 2016.**

**Mr. Vignesh and Iniyavan (2015 passed out) Alumni delivered a talk on “Higher studies and Core placements “for final year students on 09-07-2016.**

**Mechatronics Department Association was inaugurated and a guest lecture on "Scope of Mechatronics Engineering in Industries" was delivered by Mr.G.Narendran, Project Manager, Robert Bosch. He is an alumnus of Mechatronics department (2001-2005 Batch).**

**Syllabus validation of EEE Department with our 2012 Alumni Mr.S.Sudhakar , Senior Software Engineer, Robert Bosch Engineering and Business Solutions, Mr.Aadhitya Shankar, Senior Software Engineer, Robert Bosch Engineering and Business Solutions, Mr.M.Pradeep Kumar, Senior Software Engineer, Robert Bosch Engineering and Business Solutions along with 2013 Alumnus Mr.Navaneethan, Senior Software Engineer, Robert Bosch Engineering and Business Solutions.**

**Mock interview conducted by passed out students Mr.Balamurali Krishna from Accenture and Mr. C.M.Anand from Amazon on 9th July 2016. This program is organised for training the students in placement.**

**SENTHIL.V, Proprietor, Sri Guru Power,Karur of 2004-2008 Batch has sponsored an amount of Rs. 36,640 towards the Purchase of Telescope for the Department.**

**THAMARAI KANNAN.S,Proprietor,Virtual Technologies, Coimbatore of 2001-2005 Batch has sponsored an amount of Rs. 2 Lakhs towards the Purchase of MICROWIND Software for the Department.**

**Our alumni Mr.Kathirvel.S , Graduate Engineer, Pricol Technologies Pvt.Ltd, delivered a seminar on “Recent technologies in electronic industries”**

**Alumni interaction by passed out students Mr.Bakthasingh and Ms.Saranya regarding CCNA and ISTQB certification course to the final year students on 26th July 2016. This interaction is initiated to know the importance on certification courses**

**Mr. Nishanth (2016 passed out), Alumni delivered a seminar on “Placement and Higher education opportunities at Abroad” on 29-07-2016.**

**EEE Department Alumnus Mr.Thamaraikannan from Virtual Technologies being a panel member for IEDC-DST Project selection**

**MCT Alumni Mr.Yuvaraj from Robert Bosch (2011 batch) give guest lecture to the II year students**

**The Computer Science and Engineering Department organized an interaction with pre-final year students by Mr.Narendren ,Amazon –Alumni 2014 batch on 16<sup>th</sup> September 2016.**

Alumni Meet was organized in CSE Department on 2.12.2016. Many valuable suggestions like curriculum design, industry requirements, best practices required for department development and so forth were discussed. Student Interview with Alumni

Student Interviewer: Dinesh Kumar, Kalaiprabhakaran, Naveen CS from II CSE and E, Sowmya J, Venkatesh, Krithiga, Dayanithi from III CSE

### **Interview with the Alumni Mr.Prabhakaran Etraj**

**Student:** Hi bro. Introduce yourself.

**Alumni:** I am Prabhakaran Etraj from the 2009 passed out batch and currently working in Netgear research Pvt Ltd as a software engineer. I am Leading a team called access point, its completely wireless technology.

**Student:** In your life, what accomplishment are you most proud of?

**Alumni:** There is an instance strike in my mind when you asked about biggest accomplishment. In mid of 2015, My team faced one critical issue from clients side is haunting us like anything. Team striven to fix it but all went in vain then i pushed myself and took accountability of entire repercussion of decision if it went wrong. Finally decision, dedication paid off and succeeded.

**Student:** Give one sentence about skcet.

**Alumni:** SKCET is the best place to light up your wisdom.

**Student:** Apart from academics, What were the things in skcet useful and helpful for you in your career?

**Alumni:** Organized technosa so that other college students can visit and present paper which help to update us. Right now it is helping me to lead the big team.

**Student:** Tips for Current final year students.

**Alumni:** Focus on your project because it gives practical knowledge. It hints you how product surface would be in working environment. Also make sure your project title is worth enough.

## **Interview with the Alumni Mr. Santhosh Murthi**

**Student:** Introduce yourself dear brother.

**Alumni:** I , Santhosh Murthi is alumni of SKCET BE CSE (2005-2009) batch. It is worth to mention that my love with SKCET made me pursue my Master's in SKCET itself, ME CSE ( 2009-2011) through which i got job in TCS . Currently I am a research scholar in Anna University and proudly an Agripreneur (SANDY FARMS - OOTY, UTHUKULI, GERMALAM ) merging technology with farming ( using IoT sensors on farm)

**Student:** What motivated you to achieve this great height in your life?

**Alumni:** Well experienced professors & friends motivated me to pursue my dream apart from regular studies.

**Student:** What you liked in the college most? How was the college useful to you to build your life & career?

**Alumni:** Everyone loves the infrastructure, library and specially the foothill location of SKCET .The free flow graduation period in SKCET let me develop entrepreneurial skills along with technology.

**Student:** What are the best things you learnt from skcet that is useful in your career?

**Alumni:** SKCET taught me the joy of learning

### **Interview with the Alumni Mr. V. Balaji.**

**Student:** Introduce yourself brother.

**Alumni:** I am Balaji.V from 2012 passed out batch. I am a software engineer in Ingersoll Rand Company, Chennai.

**Student:** What are the pros of skcet?

**Alumni:** Infrastructure and Interactive faculties are the boon to our college. If the facilities are thrown to the students and a caring, technician is with us guiding all the four years, everyone can enjoy a colorful life as me.

**Student:** Does our college satisfies the industry need?

**Alumni:** To certain extent it satisfies. But still a long way to go. If Students and faculties have more involvement and interactions with industries, a complete satisfaction can be gained.

**Student:** What information would you like to tell to students for their better life?

**Alumni:** Building character is more important. I see many youngsters getting disappointed for trifle troubles. Negative thoughts and decisions spoil their career. All our college youngsters must be positive and bold enough to face your career and life. Pleasing words can please everyone's mind.

**Student:** What you want tell to current students?

**Alumni:** All the best. Surely you will be placed in good companies. Don't forget your friends, faculties and college. Plan for regular meet, get-together etc. Any suggestion would you like to give me.

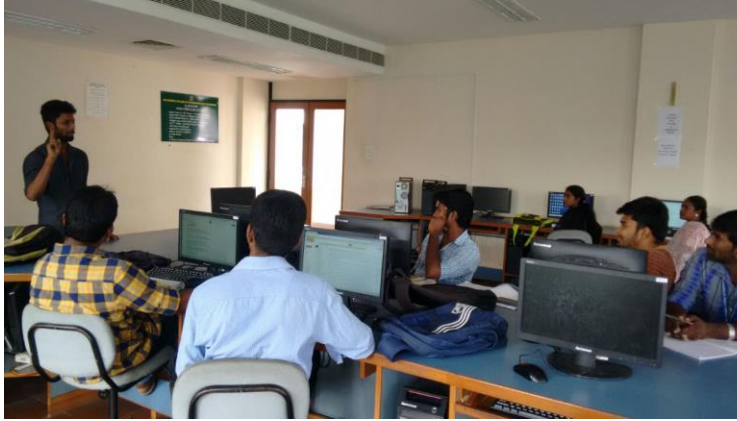

**Mr.Adithya, Alumni of MCA department, working in TLX Tech Soutlions, Coimbatore delivered a topic on Statistical Analysis Using R, Date:15.09.2016.**

**Mr.Murali Ganesh of 2016 passed out ECE gave a motivational talk to final year ECE students on “Preparation for placement” on July 20<sup>th</sup> 2016.**

**Mr.Nandabalan, Alumni of MCA department working in SKAVA Technologies, Coimbatore, gave a guest lecture on the topic “Problem Solving using Strings and Arrays”, Date:14.10.2016**

**Mr. Nishanth (2016 passed out), Alumni delivered a seminar on “Placement and Higher education opportunities at Abroad” on 29-07-2017**

**Senthil.V , Srihari (2008 Batch ECE ) & Thamarai Kannan (2005 Batch EEE) were invited for our Department Association Inauguration on July 23<sup>rd</sup> 2016.**

**Mr. V. Senthil, (2004-2008 Batch), Proprietor, Sri Guru Power, Karur delivered a Motivational Talk on Entrepreneurship on 15<sup>th</sup> July 2015. The goal of this talk was to motivate students about Entrepreneurship. Entrepreneurs are responsible to notice the opportunities and to take the initiative for mobilizing resources, thereby making new goods and services.**

**Mr. V.P. Ajay, (2010-2012 Batch), Assistant Professor, KPR College of Engg & Tech, Coimbatore, conducted a Hands-on Training on NS-2 on 23<sup>rd</sup> July 2015. This training gave the students an overview of Network Simulator (NS-2). The applications of NS-2 in various fields were also discussed.**

**Mr. Luke Vivek John, Physical design Engineer , Broadcom Communications, Bangalore, gave a lecture on “VLSI in INDIA” on 16<sup>th</sup> September 2015. The intention of this guest lecture was mainly to provide the students with knowledge about the latest trends and different domains of VLSI field. It also covered the scope of VLSI in India.**

**Mr. Kathirvel, Ms. Dhivya, Mr. Arun and Ms. Aarthi of 2010-2014 Batch conducted Mock interviews from 10<sup>th</sup> to 14<sup>th</sup> of September 2015. The Final year students were given an opportunity to experience the interview process well before the actual campus drive.**

**Alumni interaction by passed out students Mr.Sakthi Vishaal and Ms.Gayathri on 25<sup>th</sup> July,2016 regarding Placement Preparation. Aptitude preparation and Technical expectation from the company is delivered to the present final year.**

**Two days workshop on " Practical Integrated Antenna- Design and Simulation" referred by Mr.Thamarai Kannan, (2001-2005 Batch), held on 08-10-2015 & 09-10-2015. The objective of this workshop was to provide the students with a Hands-on practical knowledge about the design and simulation of Integrated Antenna.**

### **Lifelong Friendships in SKCET :**

Developing lifelong Friendships during a college term is one of the most rewarding aspect of life. Since many students are away from home it's amazing as you bond in different ways with people around you. Potentially these bonds tend to sustain lifelong as you always have the feel that they are surrounded. Developing these friendship definitely takes time as you may need to meet different types of people every day in and out. At the end of the day it's all memories that you carry along. Thinking about the beautiful days that we all have spent together in this span and longing for more days to come in the future. It's always great to know you have a home away from home and friends are standing besides you at your call. Cheers to all the friends of SKCET around!!
