### **SDG 15 – LIFE ON LAND**

#### **LIFE ON LAND**

SDG 15: Life on Land focuses on protecting, restoring, and promoting the sustainable use of terrestrial ecosystems. It aims to combat deforestation, desertification, and biodiversity loss while ensuring the conservation of forests and wildlife. The goal emphasizes the importance of safeguarding natural habitats to support ecosystem balance and maintain the resources vital for human and environmental health. By addressing land degradation and preserving biodiversity, SDG 15 seeks to promote a healthier and more resilient planet.

#### **CLEAN AND GREEN CAMPUS RECOGNITIONS/AWARDS**

Institute has been crowned as winner in the Clean and Smart Campus award organized by AICTE in the year 2020 and 2019.

Sri Krishna College of Engineering and Technology is recognized for its "Clean and Green" campus, where a harmonious blend of environmentally friendly practices and education fosters a culture of sustainability and eco-friendly initiatives. The Green Campus and Environment Policy aim to introduce innovative co-curricular and extracurricular initiatives, inspiring students and staff to actively lead and contribute to positive change. The green campus concept offers an opportunity to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of mankind.

## **Policy Statement**

- Promote environmental consciousness and sustainability among the stakeholders and the neighborhood community.
- Enhancing campus air quality is prioritized through multiple measures, including the use of environmentally friendly vehicles, urging stakeholders to opt for public transportation, and implementing restricted vehicle entry barriers within the campus.
- Implementing systematic waste management mechanisms to ensure the safe disposal and handling of liquid, solid, and hazardous waste.
- Establish and maintain rain water harvesting structures to maximize the ground water recharging capacity of the runoff.
- Regular tree plantation drives to improve the green cover in the campus.
- Security personnel monitor the entrance of the college, contributing to the seamless functioning of pedestrian facilities.

- Raise awareness and seek the adoption of environmental good practice and the reduction of any adverse effects on the environment.
- Raise awareness by organizing seminars, debates, and activities focused on climate change, environmental protection, and various environmental issues.

## **Scope of the Policy**

- The Green Campus Policy will develop exciting new co-curricular and extracurricular practices that encourage students and staff to take the lead in creating positive change.
- The initiatives necessitate a comprehensive review of all infrastructural and administrative functions, emphasizing energy efficiency, sustainability, and environmental considerations.

## **Objectives of the Policy**

- To encourage students to keep the environment clean.
- To educate students to create awareness amongst the public.
- To make students understand the importance of the environment and its problem areas.
- To protect and conserve ecological systems and resources within the campus.
- To ensure judicious use of environmental resources to meet the needs and aspirations of the present and future generations.
- To integrate environmental concerns into policies, plans and programmes for social development and outreach activities.
- To collaborate with all stakeholders and the local community, fostering awareness and advocating for the adoption of environmentally sound practices while minimizing adverse effects on the environment.

- To consistently enhance efforts in contributing to climate protection, adapting to climate change, and preserving global resources.
- To efficiently utilize all resources, including energy and water, with a focus on minimizing waste generation.
- To be a plastic-free campus.
- To periodically conduct environmental and energy audits for assessment and improvement purposes.
- To implement paperless practices.
- To adopt new initiatives implemented by regulatory agencies through Government schemes.

## **Policy Guidelines**

- The Policy will be reviewed, once every five years or earlier subject to matter of exigencies, as the case may be.
- The policy will be reviewed with the sole intent of understanding the efficacy of (i) implementing sustainable 'Green Campus' practices in the institution and (ii) its facilities for creating an infrastructure for developing and strengthening implementation, provisions and operations including the aspects of resource usage, building infrastructure, transportation, use of services, advent of local, national and international regulations and standards.
- To this extent institution will facilitate the active participation of its stakeholders, particularly students, faculty, administrators and staff as well as external organizations in the implementation of this policy.

## **Policy Procedures**

- To raise awareness among students and encourage them to minimize the use of polluting products.
- To inspire students to embrace environmental friendly practices, such as using paper bags and conserving electricity.

## Policy Outcomes

- Awareness is disseminated regarding the hazards that are adversely impacting the environment.
- Students and teachers realize their individual responsibilities to save the environment.

## Carbon Neutral Initiatives

The following are the initiatives to reduce the Carbon Footprint in the Institution:

- Assessments of the Campus Carbon Footprint to analyze inventory and implement initiatives to minimize emissions.
- Use of electric vehicles by staffs, students and visitors to commute inside the campus.
- Expanding the campus green cover by planting appropriate species that can counterbalance carbon emissions within the campus community.

**MEGA TREE PLANTATION DRIVE- ROOTS OF CHANGE AT THIRUMALAYAMPALAYAM**

S NO	DATE OF EVENT	NAME OF THE EVENT	DEPARTMENT ORGANIZED	EVENT COORDINATOR	NO. OF STUDENT PARTICPANTS
1	24.09.2022	Mega Tree Plantation Drive- Roots of Change	M.Tech CSE	Mr.S.Sreeraj	140

The Department of M.Tech CSE in association with the NSS volunteers of SKCET conducted a Mega Tree plantation drive at Thirumalayampalayam titled “Roots of Change” along with our college students on 24<sup>th</sup> September 2022. In today's world, environmental conservation and sustainability are more critical than ever. With this commitment in mind of protecting environment, a group of dedicated individuals organized a tree plantation drive in the serene village of Thirumalayampalayam.

**OUTCOME OF THE EVENT**

1. This tree plantation drive at the village of Thirumalayampalayam village was a significant step toward enhancing the village's green cover and promoting environmental awareness among its residents.
2. This tree plantation drive demonstrated the power of community engagement and grassroots efforts in safeguarding the environment.
3. Around 140 students participated in this drive has planted different varieties of trees and they have shown their social responsibility and commitment in maintaining a good Environment for our future generations.

## INVITATION

The poster features a light blue background with a faint tree silhouette. At the top, it displays the college's name and address, followed by accreditation logos (NBA, A, MHRD, G20). The central text reads: 'DEPARTMENT OF M.Tech.CSE in association with NSS and USVA organizes a MEGA TREE PLANTATION DRIVE ROOTS OF CHANGE'. The bottom section includes a clock icon for '10.00 AM', a calendar icon for '24-09-2022', and a location pin for 'Thirumalayampalayam, Coimbatore.' Two stylized tree illustrations, one green and one yellow, are positioned at the bottom.

### CERTIFICATE OF APPRECIATION

This certificate is hereby awarded to **Sri Krishna College of Engineering and Technology, Coimbatore, Tamil Nadu**, in recognition of your outstanding support and substantial contribution towards the success of the **Water Conservation, Tree Plantation, Solid Waste Management, Plastic-Free Awareness (Meendum Manjapai)** initiative etc.,

Since 2020, Your institution's commitment to environmental sustainability and community welfare has played a pivotal role in making this awareness campaign a resounding success. The collective efforts of your institution have brought attention to the importance of responsible environmental practices and have encouraged a broader understanding of the role we all play in preserving our natural resources.

This Certificate of Appreciation serves as a token of our gratitude for your unwavering commitment to promoting environmental consciousness and sustainable living. We extend our heartfelt thanks to **Sri Krishna College of Engineering and Technology** for making a significant difference and contributing to the overall success.

With sincere appreciation,

For Associates of Intellectual Mission (AIM)
