17.3.3 – REPORT OF SDG 3 - GOOD HEALTH AND WELL-BEING

SRI KRISHNA COLLEGE OF ENGINEERING AND TECHNOLOGY

An Autonomous Institution | Approved by AICTE | Affiliated to Anna University
Kuniamuthur, Coimbatore - 641008

SDG 3 – GOOD HEALTH AND WELL-BEING

GOOD HEALTH AND WELL-BEING

Good Health and Well-Being focuses on ensuring healthy lives and promoting well-being for all people at all ages. It emphasizes the importance of access to quality healthcare, disease prevention, and promoting mental and physical wellness. This goal addresses global health challenges, such as reducing maternal and child mortality, combating infectious diseases, and fostering health education. It also encourages healthy lifestyles, improving healthcare systems, and ensuring equitable access to health services. Overall, it seeks to build a healthier world, enhancing the quality of life for everyone.

POLICY

Our institute is dedicated to advancing SDG 3: Good Health and Well-Being through initiatives aimed at disease prevention, health education, and fostering a healthier community. We emphasize promoting preventive healthcare and empowering individuals with the knowledge and skills needed to lead healthy lives. Our disease prevention and healthy lifestyle events have successfully increased awareness about risk factors and preventive measures, leading to positive changes in health behaviours among participants. By facilitating access to health screenings and resources, we have strengthened community engagement and established new healthcare

Kuniamuthur, Coimbatore - 641008

partnerships, laying the foundation for lasting well-being improvements. We also prioritize emergency preparedness through Basic Life Support (BLS) training, equipping participants with life-saving skills like CPR and AED use. This training not only fosters confidence in emergency response but also enhances teamwork and communication, contributing to overall community safety. By offering BLS certifications and evaluating skill retention, we ensure the public is well-prepared to handle emergencies, ultimately strengthening our community's emergency readiness. Our health and hygiene initiatives are vital for reducing the spread of diseases and promoting long-term well-being. We focus on educating individuals and communities on sanitation and personal hygiene, leading to lower morbidity rates, improved life expectancy, and reduced healthcare burdens. These efforts also enhance productivity and quality of life, particularly in underserved areas. Additionally, awareness programs for hygiene among corporation workers have resulted in healthier workplace environments, reduced absenteeism, and a greater adherence to safety standards. By organizing rallies and fitness campaigns, we encourage the community to adopt regular exercise routines, thereby supporting a culture of physical and mental well-being. Through these comprehensive efforts, our institute is committed to creating a healthier, more resilient, and well-informed society.

ACTIONS PLANNED

1. Disease Prevention and Healthy Lifestyle at Theethipalayam Village.
2. Basic Life Support (BLS) at TNAU for awareness on First Aid.
3. Awareness on Health and Hygiene at Palathurai Village.
4. Awareness on Corporation Workers regarding Hygiene.
5. Awareness Rally on Fit India Freedom Run 3.0 about Fitness.

The Department of Electronics and Communication Engineering in association with NSS team, Sri Krishna College of Engineering and Technology, conducted an event on the theme **Disease Prevention And Healthy Life Style - "Azadi Ka Amrit Mahotsav (AKAM)"** on **12.08.2022** at Theethipalayam village. The event aimed at disease prevention and healthy lifestyle promotion yielded several key outcomes. Participants exhibited heightened awareness regarding preventive measures and risk factors, resulting in positive changes in health-related behaviors. Many availed health screenings, and community engagement and support increased. Access to healthcare resources improved, and new partnerships formed. Participant feedback indicated high satisfaction and the event garnered positive media coverage. Moreover the potential for long-term impact on sustained healthier practices and a cost-benefit analysis are promising. The event's influence extended to local health-related policies and advocacy efforts.'

BASIC LIFE SUPPORT (BLS) AT TNAU ON FIRST AID

S No	Date of Event	Name of the Event	Department Organized	Event Coordinator	No. of Student Participants
1	10.09.2022	Basic Life Support (BLS) at TNAU on First Aid	ECE	Mr. C. Visvesvaran	50

The awareness about Basic Life Support and emergency medical services and its associated factors was organized by the NSS unit of SKCET in association with District Administration and Alert NGO. A world record was set by more than 5,000 school and college students in Coimbatore on Saturday, by demonstrating basic life support and recovery positions during critical conditions. The Asia Book of Records adjudged the record attempt held on the Tamil Nadu Agricultural University (TNAU) campus. The students in pairs demonstrated the basic life support steps. The collector said all 5,386 students took a pledge against the use of narcotic substances as part of the state-wide initiative launched by the government. "Apart from the world record attempt, the pledge by the students against the use of drugs is also considered an achievement to make a drug-free society on lines with the vision of chief minister M K Stalin," Sameeran added.

Outcome of the event:

A Basic Life Support (BLS) event delivers outcomes that include participants acquiring essential life-saving skills like CPR and AED use, fostering confidence in responding to emergencies, increasing awareness of BLS importance, evaluating skill retention over time, enabling quicker and more effective emergency responses, enhancing teamwork and communication, facilitating BLS certifications, engaging the public in preparedness, strengthening overall emergency readiness, enabling lifesaving interventions, collecting performance data for program improvement, and positively impacting community health and safety through widespread skill dissemination.

AWARENESS ON HEALTH AND HYGIENE AT PALATHURAI VILLAGE

S No	Date of Event	Name of the Event	Department Organized	Event Coordinator	Target Participants	No. of Student Participants
1	22.09.2022	Awareness on Health and Hygiene at Palathurai Village	ECE	Mr. C.Visvesvaran	SKCET Students	25

It is Mahatma Gandhi's, the Father of the Nation, catchphrase. Throughout his life, he promoted, preached, and insisted on personal and societal cleanliness. His example was followed by the Swachh Bharat Mission, which saw good outcomes. This goal will be put into practice by enlisting community support for clean restrooms and integrated waste management to make Coimbatore free of open defecation, zero waste, dust, and plastic garbage. Everyone has a responsibility to maintain their own cleanliness and sanitary surroundings. Additionally, it fosters optimistic and uplifting ideas, which prevent illnesses from developing as quickly. We chose the Coimbatore village of Palathurai for this activity, and the social campaign was successfully carried out there.

Outcomes of the event:

Health and hygiene initiatives yield crucial outcomes, encompassing improved overall health by preventing illness and reducing the spread of diseases. These programs educate individuals and communities on proper sanitation, personal hygiene practices, and disease prevention measures. The results include reduced morbidity rates, enhanced well-being, and increased life expectancy. Moreover, they contribute to improved public health infrastructures, reduced healthcare burdens, and increased productivity due to fewer sick days. Health and hygiene efforts promote a higher quality of life, particularly in areas with limited access to healthcare resources, and underscore the fundamental importance of preventive measures in healthcare systems worldwide.

AWARENESS TO CORPORATION WORKERS REGARDING HYGIENE

S No	Date of Event	Name of the Event	Department Organized	Event Coordinator	No. of Student Participants
1	28.09.2022	Awareness to Corporation workers regarding Hygiene	ECE	Mr. C. Visvesvaran	30

It is the mantra of Mahatma Gandhiji, Father of Nation. He demonstrated, propagated and insisted for individual and community cleanliness throughout his life. Following his footprints, Swachh Bharat Mission campaign achieved encouraging results. This vision will be translated into action by bringing in community participation for clean toilets and integrated waste management to make Coimbatore open defecation free, zero waste, dust free, plastic free and green. It is everybody's responsibility and one should keep themselves and their surroundings clean and hygienic. It also brings good and positive thoughts in the mind which slows down the occurrence of diseases. We selected Theethipalayam, a village in Coimbatore for this activity and we conducted the social campaign successfully. The corporation workers of this village keenly listened to our students' speeches and demonstrations and pledged to ensure their valuable good health by practicing the hygienic ways while working.

Outcomes of the event:

Creating awareness among corporation workers regarding hygiene yields several positive outcomes. It leads to improved personal hygiene practices, reducing the risk of illnesses and absenteeism, consequently enhancing overall well-being among employees. This initiative fosters a culture of cleanliness and sanitation in the workplace, contributing to disease prevention and a healthier work environment. Moreover, heightened hygiene awareness ensures compliance with health and safety regulations, promoting a productive and disease-free workforce while reinforcing the importance of hygiene as a fundamental aspect of employee Well-being.
