17.3.5 – REPORT OF SDG 5 - GENDER EQUALITY

SRI KRISHNA COLLEGE OF ENGINEERING AND TECHNOLOGY

An Autonomous Institution| Approved by AICTE| Affiliated to Anna University
Kuniamuthur, Coimbatore - 641008

SDG 5 –GENDER EQUALITY

GENDER EQUALITY

SDG 5: the objective is to empower all women and girls and attain gender equality. Achieving gender equality, a fundamental human right, is essential to creating a society that is just, equitable, and prosperous for all. The goal of SDG 5 is to guarantee that girls and women have the same access to resources, rights, and opportunities as boys and men. Building a more equitable, peaceful, and successful world requires achieving gender equality. Stronger economies, better health and educational outcomes, and more resilient societies are all results of empowering women and girls. Even though there has been a lot of progress, more work is required to remove obstacles and guarantee that everyone may experience gender equality.

OTHER SDGS INTERLINKED WITH SDG 5

POLICY

Institution has initiated the Gender Audit and Measures for the promotion of Gender Equity during the last five years.

The Institution prioritizes the well-being of its students and established an environment that eliminates mental and physical discrimination and harassment. This comprehensive approach reflects the institutions commitment to addressing gender disparities, fostering gender-sensitive policies and practices and promoting a culture of equality, respect and dignity for all members of the community.

The Women Empowerment Cell is effectively functioning towards empowering women and provides a safe environment, promoting gender equality and working towards the elimination of discrimination and violence against women. This cell stands to facilitate women's empowerment through guest lectures, seminars etc.

For gender equality and justice in all its interventions and practices, an Internal Compliance Committee (ICC) is established, following government guidelines and aligning with the Sustainable Development Goal 5 of the UN, which addresses gender equality. The cell is responsible for looking into complaints filed by students and staff about any grievance. The institution also maintains a robust Anti-Ragging, Grievance Redressal, Prevention of Sexual Harassment Cell (PoSH). Committed to student and staff well-being, it ensures a safe environment, addresses grievances promptly, and upholds internal compliance standards, fostering a positive and secure educational atmosphere.

The institution has integrated gender related courses into the curriculum to raise the awareness about the intersection nature of gender and its implications for individuals, communities and societies.

Recruitment practices is a critical component of the Institution's gender equity initiatives. The institution strives to ensure equal opportunities for individuals of all genders in faculty and staff positions. More than 50% of the total faculty strength at the Institution comprises of female faculty members. They hold diverse

SRI KRISHNA COLLEGE OF ENGINEERING AND TECHNOLOGY

An Autonomous Institution| Approved by AICTE| Affiliated to Anna University
Kuniamuthur, Coimbatore - 641008

positions, including Principal, Deans, Heads of Departments and members of various Statutory and Non-statutory committees.

The Institutions' infrastructure planning also incorporates gender-sensitive considerations to create a safe and inclusive environment for all. This includes the provision of gender-neutral facilities, adequate lighting, and installation of CCTV cameras in various places inside college campus and in college buses and security guards to ensure the well-being and security of all members of the campus community. Common rooms are established for both men and women to relax themselves when they feel tired.

The institution provides support services and resources to address the unique needs and challenges faced by individuals of all genders. This includes offering parental leave policies and other family-friendly initiatives to support work-life balance of faculty, staff and students.

Prioritizing the safety and security of female students, silambam classes have been arranged in the evenings within the hostel premises to equip girls with self-defence skills.

Furthermore, the Institution has introduced measures to enhance gender sensitivity in co-curricular activities. Events, seminars, and workshops are organized to raise awareness about gender issues, promote a culture of respect and equality, and empower students with the knowledge and skills to contribute positively to gender equity. Such initiatives not only educate the student body but also contribute to the creation of a campus culture that values diversity and inclusive.

SEMINAR ON MAKE YOUR VOICE HEARD: ROLE OF SELF EMPOWERMENT IN TECHNICAL LEADERSHIP

The Department of Electronics and Communication Engineering conducted a seminar on " Make your voice Heard: Role of Self- Empowerment in Technical Leadership " on 09.03.2023. Dr.Ramalatha Marimuthu, IEEE IMPACT CREATOR & Entrepreneur, under the IEEE Women Empowerment program was the resource person. She gave an empowering and motivational talk to our budding woman engineers of II & III year students.

Session highlights

- Women empowerment & Equality
- Self-introduction & history of empowerment
- **Family bias, Workplace bias**
- Society pressure & biasing
- Breaking stereotypes with reference to the girl power-cartoons.

AWARENESS PROGRAM ON WOMEN HEALTH AND HYGIENE

The Women Empowerment cell of Sri Krishna College of Engineering and Technology (SKCET) has organized an exclusive session on Women Health and Hygiene for the women students by Dr.Gayathri Karthik - Nutrition Consultant, Co- founder, Kay Gee Global on 14.02.2023.The program sensitized the students about the importance of healthy diet and hygienic measures to prevent infections and promote better health. Dr.Jayasudha Subburaj, Placement Officer thanked the guest for the much needed awareness shared with our Women students. The session included activities like informative talks, and discussions.

The key take away were

- Anemia- causes, symptoms & treatment
- Obesity and its root cause
- Hypothyroid related issues
- Good Health, Proper exercise and sleep benefits
- PCOD/PCOS – causes

EXPO ON ORGANIC PRODUCTS

Department of Science and Humanities has organized an organic expo in the college premises. The key objective of this expo is to directly influence entrepreneurial education, entrepreneurial mindset, and creativity on the entrepreneurial intention with the indirect role of entrepreneurial self-efficacy among the students to become future innovators and entrepreneurs. Students and faculty members explored a wide range of organic food products, beauty products and bags at an affordable price. Both the exhibitors and the visitors were very enthusiastic in participating in this expo which encompassed the organic product spectrum

AWARENESS PROGRAM ON GENDER SENSITISATION AND IT'S CURRENT AFFAIRS

The Women Empowerment Cell of Sri Krishna College of Engineering and Technology organized a Guest Lecture on "Gender Sensitisation and it's Current Affairs" for the First year female students by Ms.Pranavi Jay, Founder HER - D, Coimbatore on 12.12.2022. The main objective of the event was to sensitize the students about the equality concerns and to create awareness regarding **gender equality issues** and modifying the behavior and views that people hold about themselves and other genders. Session Highlights are Gender Identities, Importance of women being financially independent, Break the stereotypes and allow each other to grow with the right perspective

Ms.Pranavi is delivering a lecture on "Gender Sensitisation and it's Current Affairs" on 12.12.2022.

THE INTERNATIONAL MEN'S DAY

The International Men's Day celebration was held at the Convention Centre on 18th of November 2022. Dr J.P Ananth and Dr. P.Ashokavardhanan (HOD) of Mechanical Department were the resource person of the day. They graced the occasion and motivated the **students to be responsible men** and to lead a meaningful life. A singing and dancing competition for boys was also held as a part of the function where students from all departments participated actively and exhibited their talents.
