School of Management of SKCET in association with National Service Scheme, Sri Krishna College of Engineering and Technology organized an Entrepreneurial Training Programme on the title “**A Leap from Idea to Start Up**” for the women SHG members on 05.01.2022 at Sky Global Institute. SKCET-SOM organized a training programme to the women members basically to inspire them to become entrepreneurs. Totally 29 women members attended the training along with three office staff. The training was provided on the various business opportunities available for them to start their small business-like food and catering business, masala powder making, house-keeping, taxi or auto drivers, etc. Also, the various financial facilities available from banks, financial Institutions, Micro finance companies and co-operative banks was discussed. They were introduced as to how they have to start a business as an SHG group and the benefits of starting a business as a group. They were also told on how they can convert their small ideas into business enterprises and the factors to be considered like Need identification, product selection, pricing, competitors Analysis, analyzing the past trends, demand creation, supplying quality products etc. Also discussions were made on the selection of location, building, technology and arriving at the rough overall cost of the project.

OUTCOME OF THE EVENT:

The training programme on Entrepreneurship on the title “A Leap from Idea to Startup” has given good Insights to the women SHG members as to how and what type of business they can start. Also, they came to know the various financial schemes available for them to start the business as a group. They also came to know the various business opportunities that are
