17.4.3. EDUCATION FOR SDGs IN THE WIDER COMMUNITY

SRI KRISHNA COLLEGE OF ENGINEERING AND TECHNOLOGY

An Autonomous Institution | Approved by AICTE | Affiliated to Anna University
Kuniamuthur, Coimbatore - 641008

In an effort to reach a wide audience and educate the public on the significance of fulfilling all of the SDGs, SKCET collaborates with governmental, alumnus and non-governmental groups to run a number of initiatives. SKCET engages Alumnus in promoting awareness about SDG and also engages them in lifelong learning towards the implementation of SDG's throughout the passage of carrier.

Every year, SKCET plans a variety of outreach events to a wider audience the advantages of putting the Sustainable Development Goals into practice is the aim of outreach. Outreach means an interaction between the sender and the receiver of the message, there is a engagement and a two-way conversation between the university and the public. Explaining to a wider audience the advantages of implementing the SDGs is the aim of outreach. Outreach suggests a relationship between the institution as a hub of experience and society.

Events Mapping to SDG 17.4.3 and Other SDGs

Event	Description	SDG 17.4.1 Relevance	Other SDGs
Swachh mela and swachhta action plan to self-help group	Create Awareness and impart tailoring skills to the Palathurai Village community	Eradication of Poverty and reliance of improved economic growth of individuals	 
Honey Harvest Alert System To The Farmers Of Palathurai Village	Promotes awareness to harness the alert system for harvesting the honey	Supports governance and informed policy participation	 

SRI KRISHNA COLLEGE OF ENGINEERING AND TECHNOLOGY

FORMATION OF EBSB CLUB – SWACHH MELA AND SWACHHTA ACTION PLAN TO SELF-HELP GROUP

S No	Date of Event	Name of the Event	Department Organized	Event Coordinator	Target Participants	No. of Student Participants
1	23.09.2022	Formation of EBSB Club - Swachh Mela & Swachita Action Plan to Self Help Group	CSE	Dr.V.Vijeya Kaveri	Self Help Group Palathurai Village	50

The Department of Computer Science and Engineering in association with National Service Scheme of Sri Krishna College of Engineering and Technology is happy to create awareness to the self-help group in the field of tailoring at Palathurai Village on 23.09.2023. The event emphasized how tailoring provide depth in constructing, altering, repairing, or modifying garments for customers based on their specifications, needs, and preferences. They take customers' measurements, assist in fabric selection, and arrange fittings to determine whether additional adjustments are needed.

Outcome of the event:

- As a result of this, self-help group in Palathurai village got awareness in the field of tailoring.
- The event received an overwhelmingly positive reaction, demonstrating that nothing works better than a traditional competition to attract those.

HONEY HARVEST ALERT SYSTEM TO THE FARMERS OF PALATHURAI VILLAGE

S No	Date of Event	Name of the Event	Department Organized	Event Coordinator	No. of Student Participants
1	22.09.2022	Honey Harvest Alert System to the Farmers of Palathurai	ECE	Mr. C. Visvesvaran	40

The Department of ECE in association with National Service Scheme (NSS), SKCET conducted an outreach programme to demonstrate, **“Honey Harvest Alert System to the farmers of Palathurai village”** on 22.09.2022. The modern method of honey harvesting uses honey broods, specially designed wooden boxes, to ripen the honey, but there is no system to know when it is completely ready, which leads to crystallization at the time of extraction. This will make beekeepers’ jobs easier, while also economically helping them because they won’t suffer as great a loss of honey anymore. The farmers of the village enthusiastically listened to our demonstration, discussed about this to us and had an idea to for starting the production that helps their living.

Outcomes of the event:

A Honey Harvesting Alert System offers valuable outcomes, including increased honey yields by ensuring optimal harvesting conditions, reduced bee stress through remote hive monitoring, enhanced hive management for addressing issues promptly, resource efficiency, improved honey quality, cost savings, environmental benefits through pollinator support, data-driven insights, education, market competitiveness, and resilience in adapting to changing environmental conditions and climate challenges. This system streamlines bee keeping practices, promotes sustainability, and contributes to healthier bee populations and higher-quality honey products.

AWARENESS ON HEALTH AND HYGIENE AT PALATHURAI VILLAGE

S No	Date of Event	Name of the Event	Department Organized	Event Coordinator	Target Participants	No. of Student Participants
1	22.09.2022	Awareness on Health and Hygiene at Palathurai Village	ECE	Mr. C.Visvesvaran	SKCET Students	25

It is Mahatma Gandhi's, the Father of the Nation, catchphrase. Throughout his life, he promoted, preached, and insisted on personal and societal cleanliness. His example was followed by the Swachh Bharat Mission, which saw good outcomes. This goal will be put into practice by enlisting community support for clean restrooms and integrated waste management to make Coimbatore free of open defecation, zero waste, dust, and plastic garbage. Everyone has a responsibility to maintain their own cleanliness and sanitary surroundings. Additionally, it fosters optimistic and uplifting ideas, which prevent illnesses from developing as quickly. We chose the Coimbatore village of Palathurai for this activity, and the social campaign was successfully carried out there.

Outcomes of the event:

Health and hygiene initiatives yield crucial outcomes, encompassing improved overall health by preventing illness and reducing the spread of diseases. These programs educate individuals and communities on proper sanitation, personal hygiene practices, and disease prevention measures. The results include reduced morbidity rates, enhanced well-being, and increased life expectancy. Moreover, they contribute to improved public health infrastructures, reduced healthcare burdens, and increased productivity due to fewer sick days. Health and hygiene efforts promote a higher quality of life, particularly in areas with limited access to healthcare resources, and underscore the fundamental importance of preventive measures in healthcare systems worldwide.

AWARENESS ON CHILD ABUSE AT PALATHURAI GOVERNMENT SCHOOL

S No	Date of Event	Name of the Event	Department Organized	Event Coordinator	No. of Student Participants
1	22-09-22	Awareness on Child Abuse at Palathurai Government School	EEE	Dr. A.Radhika	50

On 22 September 2022, SKCET Women faculty team conducted awareness programme for girl children of Government middle school, Palathurai on the topic health and hygiene. The event was conducted by Dr.Sivaranjani, Professor of EEE department. She insisted the adolescent girls on how to take care of their health and hygiene. Lecture on Self-discipline was conducted by Ms.K.Priyadarshini, Assistant Professor of ECE department. Ms.K.Priyadarshini insisted on leading a self-disciplined life and also the difference between good touch and bad touch. All the students keenly listened to both the lecture on how to lead a healthy life. The types of child abuse were also discussed in the programme.

Outcome of the event:

1. Empowered students with knowledge about recognizing and preventing child abuse, fostering a safer and more informed environment for the young girls in the community.
2. Increased awareness among adolescent girls at Government middle school, Palathurai, regarding the importance of health, hygiene, and self-discipline, thanks to the informative lectures by women faculty.

INVITATION

The poster features a background of soft, light blue watercolor washes. At the top left is the Sri Krishna Institutions Coimbatore logo, and at the top right is the Sri Krishna College of Engineering and Technology logo. The text is centered and reads: 'Sri Krishna College of Engineering and Technology (An Autonomous institution) Affiliated to Anna university, Chennai) KUNIYAMUTHUR, COIMBATORE - 641008 DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING Awareness on Child Abuse'. Below the title is a line drawing of a person's profile with a speech bubble. To the right of the drawing are icons for a location pin, a calendar, and a date '22.09.2022'. At the bottom are three logos: AICTE, Anna University, and the Institution's Innovation Council.

MATHEMATICAL SKILL DEVELOPMENT TRAINING CAMP FOR VISUALLY CHALLENGED PEOPLE TAKING GROUP IV EXAM

S No	Date of Event	Name of the Event	Department Organized	Event Coordinator	Participants
1	21.06.22	Mathematical Skill Development training camp for visually challenged people taking Group IV Exam	EEE	Ms.R.Geethamani Dr. A.Radhika	50

The Department of EEE in association with National Service Scheme of Sri Krishna College of Engineering and Technology, Coimbatore and 'Kanithavani' Mathematical Sciences Society conducted a week-long free Mathematical Skills Development Training Camp for visually challenged people taking Group IV examination conducted by the Tamil Nadu Public Service Commission at Tamil Nadu West Branch of the National Network for the Blind.

This camp was organized by the Principal of Sri Krishna College of Engineering and Technology, Dr. J. Janet and the President of the National Blind Internet, Tamilnadu West Zone, Mr. Sathasivam inaugurated it.

In this, a group of 50 students of Sri Krishna College of Engineering and Technology, Coimbatore organized under the leadership of Professor Dr.Prabhakaran, Coordinator of Kanithavani conducted the classes effectively. National Blind Internet Training Coordinator Mr. Ganesan sir gave the guidelines.

In this, 25 visually challenge people from five different districts of Tamil Nadu and the neighbouring states of Puducherry participated and were trained continuously for a week from 9.00 am to 5.00 pm. Arrangements for this were made by Mr. K. Ilango, Co-Coordinator of Kanithavani and Prof.R.Geethamani, NSS Programme Officer of Sri Krishna College of Engineering and Technology, Coimbatore.

In the valedictory function Prof. S.Sophia, Head of the Department, ECE, Sri Krishna College of Engineering and Technology, enlightened the students about the importance of the exam.

OUTCOME OF THE EVENT:

This event motivated the visually challenged people to participate in TNPSC exams, and as an outcome 2 visually challenged got cleared in the exam.

Certificate of Appreciation

This is to extend our deepest appreciation to the **NSS team of Sri Krishna College of Engineering and Technology** for their extraordinary dedication and unwavering commitment as teaching volunteers. Their selfless efforts have played a crucial role in creating an inclusive and empowering learning environment for our students.

Their patience, empathy, and innovative approaches to education have not only facilitated academic growth but have also fostered a sense of independence and confidence among our students to achieve their will in the **TNPSC examination**

We recognize the significant time and effort they have invested in supporting our students, and we want to express our heartfelt gratitude for their invaluable contributions.

Thank you for being a beacon of light and knowledge in the lives of our students. Your generosity and commitment to making education accessible to everyone is truly appreciated.

VENUE : SRI KRISHNA HALL

Inauguration of Alumni Association Meeting 2022

Welcome address by Principal Madam

Release of Annual Alumni Magazine – Advaitha 2022

Launch of Alumni Web Portal -SKCET Linkup

Celebrating the Outstanding Achievements of our Alumni in SKCET way!!

Alumni exhibiting their talents

SKCET Annual Mega Alumni Meet 2022 (Coimbatore Chapter) – Reconnect and Rejoice was conducted on 13th November 2022. To invoke the blessings of the almighty, the lamp of knowledge and wisdom was kindled by our dignitaries. Our beloved Principal Madam Dr.J.Janet delivered the Presidential Address to the team of SKCETians who have gathered again with strong memories. Madam shared the Academic Programmes and Accolades.

Sri Krishna College of Engineering and Technology through its full-fledged efforts systematically carried out the task of bringing together the alumni and establishing their continuous rapport with the Institution. Advaitha - Alumni Magazine was released by our Principal Madam. Also, an exclusive Alumni Web Portal - SKCET Linkup "Reconnect and Relive" was inaugurated by our Principal Madam in the presence of Mr.Thamaraikannan, Secretary, and various SKCET Alumni Association Members. The portal was created by our SKCET students.

One of the best practices of SKCET is to recognize and appreciate the best combination of talent, skill and attitude. Our Beloved Principal Madam felicitated the alumni achievers for their tremendous achievement and contribution to the college.

Department of Civil Engineering Industry visit

13.04.2023

Event: Industry visit coordinated by Alumnus to Food Corporation of India

Alumnus: Mr. V. Sarvesh Nandha

Batch: 2019-2023 Civil

Designation: Contractor at Food Corporation of India, Southern Railways, Coimbatore

Field visit to Food Corporation of India - Railway Siding

Students field visit

The 2nd year B.E. Civil Engineering students visited Food Corporation of India - Railway Siding on 13.04.2023 as part of the Outside Classroom Learning Experience for the course Transportation Engineering. Mr. R. Vighnesh and Dr. R. Chandra Devi accompanied the students.

Key learnings of the visit were

- Points and crossings
- Signalling
- Interlocking
- FDI stockpiling methods
- Permanent way in Railways
- Joints in a permanent way

Event Coordinator

HoD/Civil Engg.

Company Visit- Outside Classroom Learning Experience

18.04.2023

Event: Company Visit arranged by Alumnus

Alumnus: Mr. Adhithya Varma B

Batch: 2018-2022 Civil

Designation: Managing Director, Varma Ready mix concrete Plant Coimbatore

Students visit to Industry

The 2nd year B.E. Civil Engineering students visited Varma Ready mix concrete Plant on 18.04.2023 as part of Outside Classroom Learning Experience for the course Engineering Geology and Concrete Technology. Profs. Ms.R.Hemavathi and Dr.P.Saravanakumar accompanied the students.

Students observed the following concepts practically

1. Manufacturing of concrete
2. Types of admixtures

3. Computerized Load cell for loading ingredients
4. Silo for storing ingredients
5. Conveyor belt
6. Transit Mixer

Event: Alumnus as resources person in Ignite 2.0 - 'Igniting creative minds for future'

Alumnus: Mr.B.Shameer,

Batch: 2018-2022 CSE

Designation: Software Engineer, Odessa Technologies, Bangalore.

Photos:

Alumnus in TechWizards' creative and logical talents

As a part of the Engineers' Day Celebration, the Department of CSE organized Ignite 2.0, a forum to present our TechWizards' creative and logical talents. 30+ teams actively participated in the event by enthusiastically presenting their innovative projects which showcased their technical skills and problem-solving potential. This platform facilitated learning by vesting the students with a space to present their brilliant, innovative ideas and prototypes to the panel.

Facilitation of Best ideas by Alumnus

Panel members:

- Dr.G.Shobana, Associate Professor, IT, SKCET
- **Mr.B.Shameer, Software Engineer, Odessa Technologies, Bangalore.**

The best ideas were applauded and the top three prototypes were awarded with a cash price as a symbol of motivation and appreciation for their smart work.

Innovation on Latest Technologies -Simplifying Code Security

Resource Person

Mr. M. Aravindha Hariharan
DevOps Engineer at Kovan Las Pvt Ltd.
Coimbatore.

Date: 30.11.2022

Time:1.30pm to 3.00pm

Venue: BS03

Seminar session with students

Outcome (Max 50 words)

Around 80 students and faculty members of SKCET attended the Seminar. The session was very useful, interesting, and informative. The Resource Person inferred about how to simplify the code security. Secure coding is the practice of developing computer software in such a way that guards against the accidental introduction of security vulnerabilities. Defects, bugs and logic flaws are consistently the primary cause of commonly exploited software vulnerabilities. More and more financial transactions are also moving online. Security incidents often originate deep in an application's underlying software and can have serious consequences for businesses and individuals alike. Insecure code in important industries (e.g., finance, healthcare, energy, and transport) could result in financial and property damages, market manipulation and theft, even physical harm and fatalities. Students got motivated and gain more knowledge in cybersecurity. The participants found that the session was eyes breaking.

31.02.2023

Event: Alumnus interaction with students about their Job, Work Experience, etc.

Alumnus: Mr. Asoak Kumar

Batch: 2018- 2020 MBA

Designation: Manager, Oppo Mobiles Telecommunication

Alumni interaction with students

The Department of MBA conducted an Alumni interaction 'on 31st Feb 2023. Mr. Asoak Kumar, student of (2018 – 2020) batch, currently working with Oppo Mobiles Telecommunication Ltd visited the campus and interacted with our students

The planned objectives are to interact with the alumni to know about their Job, Work experiences, Internship opportunities available, Connection with juniors and finally to get their feedback for the overall development.

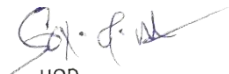

The points discussed during alumni meet:

- The alumni's shared their knowledge and perception about their journey

- They also shared their working experience in companies and pointed about search towards new technologies every day to keep up their benchmarks high.
- They were asked to give Guest lecture, Webinar and conduct Mock interview to the junior student's in the near future through online mode.
- Alumnus are ready to give training for motivating our students.
- Alumnus agreed to have a connection with the department and inform about the internships and job opportunities in their company for juniors.
- They also came out with suggestions for the overall development for the students like Management skills which is highly recommended in today's era since it is vital for any organization to succeed and achieve its goals and objectives.
- They also suggested that the communication skill training must be given for the students at early stage out of which they will build confidence.
- Alumni's of various batch participated and, shared their professional and entrepreneurial experience
- The overall meeting was enjoyable and simultaneously profitable, as all members shared their views, ideas, information and more insights came up.

DEPARTMENT OF MECHATRONICS ENGINEERING

Higher Education Opportunities in Abroad

23.02.23.

Event: Alumnus insight the higher education opportunities in abroad

Alumnus: Mr. Sabarikannan

Batch: 2017 – 2021 MCT

Designation: Pursuing MS at Uppsala University, Sweden

Alumnus interacting with Students

Mr. SABARIKANNAN, student of (2017 – 2021) batch MCT currently pursuing Master of Science in “**Industrial Management and Innovation**” in Uppsala University, Sweden, visited our department and addressed our students on 23.02.23.

Points of Discussion:

- Higher Education opportunities in abroad
- Selection of PG courses
- Job Opportunities in abroad

Board of Studies meeting

23.12.2022

Event: Alumni's as members in BoS

Alumnus: Mr. Raghul Manogaran

Batch: 2005- 2009 MCT

Designation: Senior Tech Lead, Mercedes Benz, Research and Development, Bangalore

Alumnus: Mr.Muthiah,

Batch:2009- 2011 MCT

Designation: Computation Engineer (Automotive), Akka Technologies, Germany

Alumnus as members in Board of Studies meeting

Board of studies meeting

The Department of Mechatronics Engineering conducted **14th Board of Studies meeting on 23.12.2022** in the Conference Hall for the students admitted under the regulation 2022. The meeting was convened by **Dr. M. Lydia**, Professor and Head of the Department along with the external experts **Dr. K. Linga Durai**, Dean, Anna University Regional campus Madurai, **Dr. Santhakumar** Mohan, Associate Professor Department of Mechanical Engineering IIT Palakkad, **Dr. R. Ramakrishnan**, Associate Professor, Department of Design and Automation VIT- Vellore and the faculty members of MCT. The Industrial expert member **Mr. Raghul Manogaran**, Senior Tech Lead, Mercedes Benz, Research and Development, Bangalore and our prestigious alumni member **Mr. Muthiah**, Computation Engineer (Automotive), Akka Technologies, Germany have joined the meet online. The members pooled in their vast experience and technical knowledge to fine-tune the syllabi in order to improve our students' skills and equip them with the latest technical know-how.

Contribution to Kerala Flood Relief Camp in Alignment with SDG 17.4.3

As part of the commitment to SDG 17: Partnerships for the Goals, particularly target 17.4.3, Sri Krishna College of Engineering and Technology extended support to the Kerala Flood Relief Camp. The following items were provided to assist in disaster recovery and support affected individuals.

Students and faculty from Sri Krishna College of Engineering and Technology Collected and denoted the necessary things to the people who are suffering for their basics needs due to flood. Our volunteers are at the forefront in delivering the relief materials. The Art of Living has reached out to several thousands in the past and we continue to do so even today.

- Dress materials
- Sanitary napkins
- Cleaning materials like mops, cleaning brushes, cleaning liquids, etc.
- Packets of food items like rice, dals, masala, biscuits, bread, etc.
- Chappals and shoes
- Blankets
- Raincoats
- Monetary donations
