The Department of EEE in association with National Service Scheme of Sri Krishna College of Engineering and Technology, Coimbatore and 'Kanithavani' Mathematical Sciences Society conducted a week-long free Mathematical Skills Development Training Camp for visually challenged people taking Group IV examination conducted by the Tamil Nadu Public Service Commission at Tamil Nadu West Branch of the National Network for the Blind.

This camp was organized by the Principal of Sri Krishna College of Engineering and Technology, Dr. J. Janet and the President of the National Blind Internet, Tamilnadu West Zone, Mr. Sathasivam inaugurated it.

In this, a group of 50 students of Sri Krishna College of Engineering and Technology, Coimbatore organized under the leadership of Professor Dr.Prabhakaran, Coordinator of Kanithavani conducted the classes effectively. National Blind Internet Training Coordinator Mr. Ganesan sir gave the guidelines.

In this, 25 visually challenge people from five different districts of Tamil Nadu and the neighbouring states of Puducherry participated and were trained continuously for a week from 9.00 am to 5.00 pm. Arrangements for this were made by Mr. K. Ilango, Co-Coordinator of Kanithavani and Prof.R.Geethamani, NSS Programme Officer of Sri Krishna College of Engineering and Technology, Coimbatore.

In the valedictory function Prof. S.Sophia, Head of the Department, ECE, Sri Krishna College of Engineering and Technology, enlightened the students about the importance of the exam.

### OUTCOME OF THE EVENT:

This event motivated the visually challenged people to participate in TNPSC exams, and as an outcome 2 visually challenged got cleared in the exam.

## Awareness campaign against single-use plastic conducted

Associates of Intellectual Mission (AIM), a non-governmental organisation, conducted an awareness campaign against single-use plastic at the foothills of Marudamalai. Rangarajan, president of Somayampalayam Panchayat, inaugurated the awareness programme. Along with the NGO Volunteers, students from Sri Krishna College of Engineering and Technology and Bharathiyar University participated and urged those coming to the temple to use only cloth and jute bags, said P.A. Thirunavukkarasu, Managing Trustee of the NGO, said in a press release.

## பிளாஸ்டிக் ஒழிப்பு விழிப்புணர்வு

வடவள்ளி, நவ. 26-

எய்ம் தன்னார்வ தொண்டு நிறுவனம் சார்பில், பிளாஸ்டிக் ஒழிப்பு விழிப்புணர்வு நிகழ்ச்சி, மருதமலை அடிவாரத்தில் நடந்தது; சோமையம்பாளையம்

ஊராட்சி தலைவர் ரங்கராஜ் துவக்கி வைத்தார்.

பிளாஸ்டிக் பொருட்கள் பயன்பாட்டை தவிர்க்க வேண்டும்; மக்கும் தன்மையுள்ள பொருட்களை பயன்படுத்தி சுற்றுச்சூழலை காக்க வேண்டும். தடை செய்யப்பட்ட பிளாஸ்டிக் பொருட்களை

பயன்படுத்தினால், அரசு அதிகாரிகள் பறிமுதல் செய்து அபராதம் விதிப்பர் என, மாணவர்கள் விழிப்புணர்வு ஏற்படுத்தினர்.

எய்ம் தன்னார்வ தொண்டு நிறுவன நிர்வாக அறங்காவலர் திருநாவுக்கரசு, கிருஷ்ணா பொறியியல் மற்றும் தொழில்நுட்ப கல்லூரி மாணவர்கள், பாரதியார் பல்கலை மாணவர்கள் உள்ளிட்டோர் கலந்து கொண்டனர்.

### BASIC LIFE SUPPORT (BLS) AT TNAU ON FIRST AID

S No	Date of Event	Name of the Event	Department Organized	Event Coordinator	No. of Student Participants
1	10.09.2022	Basic Life Support (BLS) at TNAU on First Aid	ECE	Mr. C. Visvesvaran	50

The awareness about Basic Life Support and emergency medical services and its associated factors was organized by the NSS unit of SKCET in association with District Administration and Alert NGO. A world record was set by more than 5,000 school and college students in Coimbatore on Saturday, by demonstrating basic life support and recovery positions during critical conditions. The Asia Book of Records adjudged the record attempt held on the Tamil Nadu Agricultural University (TNAU) campus. The students in pairs demonstrated the basic life support steps. The collector said all 5,386 students took a pledge against the use of narcotic substances as part of the state-wide initiative launched by the government. "Apart from the world record attempt, the pledge by the students against the use of drugs is also considered an achievement to make a drug-free society on lines with the vision of chief minister M K Stalin," Sameeran added.

#### Outcome of the event:

A Basic Life Support (BLS) event delivers outcomes that include participants acquiring essential life-saving skills like CPR and AED use, fostering confidence in responding to emergencies, increasing awareness of BLS importance, evaluating skill retention over time, enabling quicker and more effective emergency responses, enhancing teamwork and communication, facilitating BLS certifications, engaging the public in preparedness, strengthening overall emergency readiness, enabling lifesaving interventions, collecting performance data for program improvement, and positively impacting community health and safety through widespread skill dissemination.

### AWARENESS CAMPAIGN FOR SOLID WASTE MANAGEMENT IN ASSOCIATION WITH COIMBATORE CORPORATION AND AIM NGO

S No	Date of Event	Name of the Event	Department Organized	Event Coordinator	No. of Student Participants

As part of outreach program, faculty members of SoM, along with AIM a Non-Governmental Organization of Coimbatore has conducted an awareness rally against the usage of plastic/polythene bags which has been banned by the Tamil Nadu Government. The rally was conducted on 20/09/2022 and 21/09/2022 in Thiyagi Kumaran Market which is located near Raja Road, Town Hall, Coimbatore. The awareness program was conducted under the guidance of Coimbatore Corporation coordinators.

The students from School of Management, SKCET had taken part in this program. On both the days, the students have been segregated into five groups i.e., 12 in each. Later, group started to North and the other one to the south. 12-member group has been further divided into two groups to cover most of the shops located in the market.

The main purpose of conducting this awareness among the shopkeepers and the consumers is to remove the usage of plastic bags and insisting them to use other alternatives like cloth bags, jute bags etc. so that environmental pollution or degradation can be avoided. The major impact of plastic bags on the environment is that it takes many years to decompose. In addition, toxic substances are released into the soil when plastic bags perish under sunlight and, if plastic bags are burned, they release a toxic substance into the air causing ambient air pollution.

The students have been divided into four groups and approximately 60-70 shops were covered. Each group went to 15 shops and gave the pamphlet to the shop owners and the customers also instructed not to use the plastic bags. The groups are being coordinated by the corporation employees. Each student has insisted and clearly explained about the

problems that is degrading our environment because of the usage of plastic bags and stucked a pamphlet on the walls of the shop.

Majority of the shops in the market are covered and all the details have been clearly explained to the persons out there. Stickers to be mounted on wall which contains instructions from the corporation are stucked across different shops so that information could reach the general public as well.

Students were assembled at Sanitary Health Inspectors office before starting the rally on the market side. Students were given a complete information about the rally and coordinators were assigned before starting

### **OUTCOME OF THE EVENT:**

When students approached different shop owners and customers, they explained about the various causes by usage of plastics and environmental impact. They said shop owners not to provide any plastic bags to customers.

As an outcome many shop owners accepted the impact and said will try to avoid the usage of plastic bags in the shops. They also said in case if the customer asks for a plastic bag, they will insist the customer to bring any cloth or jute bags to buy the products from their shop.

In case if the customer doesn't accept that the owners will show the notice which was stucked in the wall that has been said by the government. Some customers also voluntarily said that if they see any shop owners are using any kind of plastic bags, they will try to inform the corporation office so that a fine amount will be charged on the particular store.

### WOMEN EMPOWERMENT PROGRAMME AT PALATHURAI VILLAGE - TRAINING ON MILLET FOOD PRODUCTION – HEALTHY LIVING

S No	Date of Event	Name of the Event	Department Organized	Event Coordinator	Target Participants	No. of Student Participants
1	22.09.2022	Training on millet food production at Palathurai village – Healthy living	S & H	Dr. A. Padma	Women Self Help Group	60

A woman is the full circle. Within her is the power to create, nurture and transform.

On 22 September 2022, Women empowerment cell of SKCET organised a programme on “Training on millet food production - Healthy Living” at Palathurai Panchayat office for the Self help groups in the locality. The training was given by Prof. Padma of SKCET about the various bakery products that shall be prepared using millets. This session was really an eye opener to most of the members of SHG in the locality. The trainer displayed the list of healthy snacks that can be prepared using millets and the method of preparing them.

The SKCET Women Empowerment team also discussed the various loan schemes available for becoming entrepreneurs. SHG members thanked the entire team for making this event happen in their locality.

#### Outcome of the event:

- The event was aimed to mingle with the members of SHG and give them moral support.
- Apart from this, the importance of this development programme is to inculcate the need of having good health and making India a peaceful place to live in.

### AWARENESS ON CHILD ABUSE AT PALATHURAI GOVERNMENT SCHOOL

S No	Date of Event	Name of the Event	Department Organized	Event Coordinator	No. of Student Participants
1	22-09-22	Awareness on Child Abuse at Palathurai Government School	EEE	Dr. A.Radhika	50

On 22 September 2022, SKCET Women faculty team conducted awareness programme for girl children of Government middle school, Palathurai on the topic health and hygiene. The event was conducted by Dr.Sivaranjani, Professor of EEE department. She insisted the adolescent girls on how to take care of their health and hygiene. Lecture on Self-discipline was conducted by Ms.K.Priyadarshini, Assistant Professor of ECE department. Ms.K.Priyadarshini insisted on leading a self-disciplined life and also the difference between good touch and bad touch. All the students keenly listened to both the lecture on how to lead a healthy life. The types of child abuse were also discussed in the programme.

#### Outcome of the event:

1. Empowered students with knowledge about recognizing and preventing child abuse, fostering a safer and more informed environment for the young girls in the community.
2. Increased awareness among adolescent girls at Government middle school, Palathurai, regarding the importance of health, hygiene, and self-discipline, thanks to the informative lectures by women faculty.

### AWARENESS ON HEALTH AND HYGIENE AT PALATHURAI VILLAGE

S No	Date of Event	Name of the Event	Department Organized	Event Coordinator	Target Participants	No.of Student Participants
1	22.09.2022	Awareness on Health and Hygiene at Palathurai Village	ECE	Mr. C.Visvesvaran	SKCET Students	25

It is Mahatma Gandhi's, the Father of the Nation, catchphrase. Throughout his life, he promoted, preached, and insisted on personal and societal cleanliness. His example was followed by the Swachh Bharat Mission, which saw good outcomes. This goal will be put into practice by enlisting community support for clean restrooms and integrated waste management to make Coimbatore free of open defecation, zero waste, dust, and plastic garbage. Everyone has a responsibility to maintain their own cleanliness and sanitary surroundings. Additionally, it fosters optimistic and uplifting ideas, which prevent illnesses from developing as quickly. We chose the Coimbatore village of Palathurai for this activity, and the social campaign was successfully carried out there.

#### Outcomes of the event:

Health and hygiene initiatives yield crucial outcomes, encompassing improved overall health by preventing illness and reducing the spread of diseases. These programs educate individuals and communities on proper sanitation, personal hygiene practices, and disease prevention measures. The results include reduced morbidity rates, enhanced well-being, and increased life expectancy. Moreover, they contribute to improved public health infrastructures, reduced healthcare burdens, and increased productivity due to fewer sick days. Health and hygiene efforts promote a higher quality of life, particularly in areas with limited access to healthcare resources, and underscore the fundamental importance of preventive measures in healthcare systems worldwide.

### HONEY HARVEST ALERT SYSTEM TO THE FARMERS OF PALATHURAI VILLAGE

S No	Date of Event	Name of the Event	Department Organized	Event Coordinator	No. of Student Participants
1	22.09.2022	Honey Harvest Alert System to the Farmers of Palathurai	ECE	Mr. C. Visvesvaran	40

The Department of ECE in association with National Service Scheme (NSS), SKCET conducted an outreach programme to demonstrate, “**Honey Harvest Alert System to the farmers of Palathurai village**” on 22.09.2022. The modern method of honey harvesting uses honey broods, specially designed wooden boxes, to ripen the honey, but there is no system to know when it is completely ready, which leads to crystallization at the time of extraction. This will make beekeepers’ jobs easier, while also economically helping them because they won’t suffer as great a loss of honey anymore. The farmers of the village enthusiastically listened to our demonstration, discussed about this to us and had an idea to for starting the production that helps their living.

#### Outcomes of the event:

A Honey Harvesting Alert System offers valuable outcomes, including increased honey yields by ensuring optimal harvesting conditions, reduced bee stress through remote hive monitoring, enhanced hive management for addressing issues promptly, resource efficiency, improved honey quality, cost savings, environmental benefits through pollinator support, data-driven insights, education, market competitiveness, and resilience in adapting to changing environmental conditions and climate challenges. This system streamlines bee keeping practices, promotes sustainability, and contributes to healthier bee populations and higher-quality honey products.

The Department of M.Tech CSE in association with the NSS volunteers of SKCET conducted a Mega Tree plantation drive at Thirumalayampalayam titled “Roots of Change” along with our college students on 24<sup>th</sup> September 2022. In today's world, environmental conservation and sustainability are more critical than ever. With this commitment in mind of protecting environment, a group of dedicated individuals organized a tree plantation drive in the serene village of Thirumalayampalayam.

#### OUTCOME OF THE EVENT

1. This tree plantation drive at the village of Thirumalayampalayam village was a significant step toward enhancing the village's green cover and promoting environmental awareness among its residents.
2. This tree plantation drive demonstrated the power of community engagement and grassroots efforts in safeguarding the environment.
3. Around 140 students participated in this drive has planted different varieties of trees and they have shown their social responsibility and commitment in maintaining a good Environment for our future generations.

## AWARENESS TO CORPORATION WORKERS REGARDING HYGIENE

S No	Date of Event	Name of the Event	Department Organized	Event Coordinator	No. of Student Participants
1	28.09.2022	Awareness to Corporation workers regarding Hygiene	ECE	Mr. C. Visvesvaran	30

It is the mantra of Mahatma Gandhiji, Father of Nation. He demonstrated, propagated and insisted for individual and community cleanliness throughout his life. Following his footprints, Swachh Bharat Mission campaign achieved encouraging results. This vision will be translated into action by bringing in community participation for clean toilets and integrated waste management to make Coimbatore open defecation free, zero waste, dust free, plastic free and green. It is everybody's responsibility and one should keep themselves and their surroundings clean and hygienic. It also brings good and positive thoughts in the mind which slows down the occurrence of diseases. We selected Theethipalayam, a village in Coimbatore for this activity and we conducted the social campaign successfully. The corporation workers of this village keenly listened to our students' speeches and demonstrations and pledged to ensure their valuable good health by practicing the hygienic ways while working.

### Outcomes of the event:

Creating awareness among corporation workers regarding hygiene yields several positive outcomes. It leads to improved personal hygiene practices, reducing the risk of illnesses and absenteeism, consequently enhancing overall well-being among employees. This initiative fosters a culture of cleanliness and sanitation in the workplace, contributing to disease prevention and a healthier work environment. Moreover, heightened hygiene awareness ensures compliance with health and safety regulations, promoting a productive and disease-free workforce while reinforcing the importance of hygiene as a fundamental aspect of employee Well-being.

School of Management of SKCET in association with National Service Scheme, Sri Krishna College of Engineering and Technology organized an Entrepreneurial Training Programme on the title “**A Leap from Idea to Start Up**” for the women SHG members on 05.01.2022 at Sky Global Institute. SKCET-SOM organized a training programme to the women members basically to inspire them to become entrepreneurs. Totally 29 women members attended the training along with three office staff. The training was provided on the various business opportunities available for them to start their small business-like food and catering business, masala powder making, house-keeping, taxi or auto drivers, etc. Also, the various financial facilities available from banks, financial Institutions, Micro finance companies and co-operative banks was discussed. They were introduced as to how they have to start a business as an SHG group and the benefits of starting a business as a group. They were also told on how they can convert their small ideas into business enterprises and the factors to be considered like Need identification, product selection, pricing, competitors Analysis, analyzing the past trends, demand creation, supplying quality products etc. Also discussions were made on the selection of location, building, technology and arriving at the rough overall cost of the project.

**OUTCOME OF THE EVENT:**

The training programme on Entrepreneurship on the title “A Leap from Idea to Startup” has given good Insights to the women SHG members as to how and what type of business they can start. Also, they came to know the various financial schemes available for them to start the business as a group. They also came to know the various business opportunities that are

### FIRE SAFETY (IOCL AND MARS INDANE) TO SHG

Date of Event	Name of the Event	Department Organized	Event Coordinator	No. of Student Participants
17.02.23	Safety (IOCL and Mars Indane) to SHG	EEE	Dr. A.Radhika	50

The National Service Scheme, Sri Krishna College of Engineering and Technology in association with AIM NGO, and Mars Indane gas services conducted awareness program on Safety clinic on safe use of LPG gas. The following points are discussed

- Always ensure adequate ventilation and never use indoors or in confined spaces.
- Always read the manufacturers operating instructions.
- Do not connect or disconnect cylinders near a naked flame.
- Do not use lpg in windy conditions.
- Always keep cylinders cool and away from flames, sparks and heat.
- If we detect a gas odour, we should immediately open the doors and windows to allow the gas to leave.
- No electrical switches should be turned on.

#### Outcome of the event:

1. Increased awareness among participants about safe LPG gas usage, leading to a reduced risk of accidents and incidents related to gas cylinder mishandling.
2. Improved community safety awareness and preparedness to prevent LPG-related emergencies and respond to gas leaks effectively.
