Kuniamuthur, Coimbatore - 641008

### **17.3.4 – REPORT OF SDG 4 - QUALITY EDUCATION**

## SDG4-QUALITY EDUCATION

A key component of SDG4 is to ensure equitable access to quality education for all. This goal will foster a sustainable and equitable world by promoting lifelong learning opportunities for all. Education is the foundation of all development and progress, and it is essential to achieving a better future for everyone. Collaboration between governments, international organizations, and other stakeholders is necessary for SDG4.

### **POLICY for SDG 4:**

Our Institution, SKCET, worked towards the implementation of SDG 4.

The vision of the SKCET is Transforming life through excellence in education and research. The Mission of the University are as follows: To impart the highest quality state-of-the-art technical education by providing impetus to innovation, research, and development and empowering students with entrepreneurship skills. To instill ethical values, imbibe a sense of social responsibility, and strive for societal well-being. To identify the needs of society and offer sustainable solutions through outreach programs

At Sri Krishna College of Engineering and Technology, our core values shape the foundation of excellence. We champion Integrity, fostering a culture of honesty and accountability. Innovation is our driving force, empowering students to think creatively. Collaboration is our strength, promoting teamwork and shared success. Excellence is our benchmark, ensuring quality education and continuous improvement. These values, woven into our fabric, guide us in nurturing the next generation of leaders and innovators.

### **ACTIONS PLANNED:**

1. Selfie with Slogan contest for School Students on the Theme - My Father
2. Kovai Thaneer Thiruvizha - Art Competition for School Students on the theme Water Conservation
3. World Record Attempt - Making Paper Bag
4. Janjathiya Vikas - Tribal Heritage, a Tribal Development Programme for the people in Anaikatti and Attapadi Villages
5. Awareness Campaign on Developments of Renewable Energy for School Students

### **OTHER SDGS INTERLINKED WITH SDG 4**

S No	Date of Event	Name of the Event	Department Organized	Event Coordinator	Target Participants
1	22.06.2023, @ 3pm	<b>Father's Day – Selfie with Slogan</b>	ECE	Mr. C. Visvesvaran	50

Father's Day is a special occasion that provides an opportunity for college students to express gratitude and celebrate the unwavering support, love, and guidance of their fathers. It is a day to honor the silent yet powerful pillars of strength in our lives. For college students, fathers are not just parents; they are mentors, confidants, and friends who have been there through the ups and downs of academic and personal journeys. From providing financial support to offering words of wisdom, their presence has been instrumental in shaping our lives. On this day, we reflect on the countless sacrifices our fathers have made to ensure our education and well-being. Whether it's working long hours to fund our studies or offering a listening ear during stressful times, their dedication and selflessness have left a lasting impact on our lives.

**Outcomes:**

- As part of “**Father's Day**” Department of ECE conducted “**Selfie with Slogan**” on **22.06.2023** for College Students.
- An overwhelming response of over 50 aspiring and vibrant College Students participated and attended the event and got motivated from the event.

## **REPORT ON WATER CONSERVATION DAY**

The Department of Computer Science and Business Systems, in association with the National Service Scheme (NSS), organized an outreach activity for the students of Government High School, Kuniyamuthur on 21.07.2023. The primary objective of this event was to raise awareness and promote the importance of water conservation among the school students.

The outreach activity took the form of an Art Competition, wherein the students were invited to showcase their artistic talents and creativity while expressing their thoughts and ideas about water conservation through their artwork. The topic of the Art Competition was specifically focused on "Water Conservation," aiming to highlight the pressing need for preserving this valuable natural resource.

The event garnered enthusiastic participation from the students of Government High School, Kuniyamuthur. They eagerly took part in the competition, demonstrating their passion for both art and environmental conservation. The young participants put forth their best efforts to create meaningful and thought-provoking artwork that conveyed the message of water conservation in various unique and imaginative ways.

After the Art Competition, a panel of judges carefully evaluated the submitted artworks based on creativity, originality, and relevance to the theme. The judging process was likely to have been fair and transparent, ensuring that the most deserving entries were recognized.

As a reward for their hard work and dedication, the winning teams were appreciated and celebrated during the award ceremony. The encouragement and motivation provided to the students were an essential aspect of this initiative, as it

SRI KRISHNA COLLEGE OF ENGINEERING AND TECHNOLOGY

reinforces the idea that their efforts in promoting social and environmental causes are recognized and valued.

**Outcome of the event:**

1. The students were advised to preserve water to create a healthy environment.
2. The importance of saving water is taught to the 34 participant students.

## REPORT

### 1. About the Program

On the eve of World Paper Bag Day, as a part of NSS activity, the Department of Science and Humanities of Sri Krishna College of Engineering and Technology organized a Mega Paper Bag Making Event as an attempt for a world record. 334 student participants of SKCET gathered together in the pursuit of making 15,000 paper bags with a shared vision to promote sustainability, raise awareness about the harmful effects of plastic bags and encourage people to embrace eco-friendly alternatives. We are happy to share that our students have crossed the target and made a total number of 15,627 paper bags.

This indeed was a challenging task for the students of SKCET to make a minimum of 30 paper bags within 30 minutes. Some of the students were able to make more than 50 paper bags in thirty minutes through their hard work, perseverance and practice. Students of Sri Krishna College of Engineering and Technology are known for their teamwork, discipline and hard work and have accomplished this task brilliantly and they have also set an example of being united and contributing to the college and have added feathers to SKCET. Together as SKCETians, the students made a significant positive impact on our community's sustainable future.

#### Outcomes:

1. As part of "World Paper Bag Day", the NSS Club of SKCET organized a mega paper bag making event with 334 student participants.
2. The students gathered to make 15000 paper bags in order to attempt a world record.

## **REPORT:**

### **About the Program**

Equality is something that great leaders have always envisioned. As India is traveling towards being a developed nation, the minds of the people are also gradually changing to a nation that is equal and holistic.

The National Service Scheme of Sri Krishna College of Engineering and Technology organized Janjathiya Vikas- Tribal Heritage, a tribal development programme for the people in Anaikatti and Attapadi, Tamil Nadu. The event focused on engaging the children and the elders. The faculty members from SKCET engaged the PRE KG children from Vidya Vanam School, Anaikatti. The faculty made them play, sing and dance. They also taught them moral values through various activities. As far as the elders are concerned, they enjoyed relaxing themselves playing musical chairs and sharing their life experience. The elders were overwhelmed with the initiative taken by SKCET in order to visit them in their place in Attapadi.

Dean of Student Affairs, Dr. V. Ragavi and Dr. A. Indhulekha, Head, Department of Science and Humanities facilitated the children and the other prize winners. Faculty members from Sri Krishna College of Engineering and Technology used this wise opportunity to get themselves involved in entertaining and educating the tribal people.

### **Outcome:**

- The Janjathiya Vikas- Tribal Heritage was aimed to mingle with the students and give them moral support.
- Apart from this, the importance of this tribal development programme is to inculcate the need of having an unbiased mindset and to change equality for the betterment of living and making India a peaceful place to live in.

# **REPORT OF AWARENESS CAMPAIGN ON DEVELOPMENTS OF RENEWABLE ENERGY**

In the view of Akshay Urja Day- Outreach activity an awareness campaign was organised by Department of EEE, SKCET on the topic Developments of Renewable Energy for the Government High School Students at Milekal, Sugunapuram, Coimbatore.

Our EEE Students showcased the Ekart Vehicle and conducted a live demonstration to the school students.

## KEY DELIBERATIONS

The outreach activity aims to educate the young budding minds on the following topics:

- ❖ Designing of E-vehicle
- ❖ Features of Motor Controller
- ❖ Working Principal of Solar Panel
- ❖ Selection of Motors
- ❖ Battery Management System

## OUTCOMES

Around 90 students participated enthusiastically and interacted with various technical queries during the event. School Head Mistress along with teachers appreciated our team incredible effort for conducting the event.

Students enjoyed the hands on learning experience.
