17.3.5 – REPORT OF SDG 5 - GENDER EQUALITY

SDG 5 –GENDER EQUALITY

GENDER EQUALITY

SDG 5: the objective is to empower all women and girls and attain gender equality. Achieving gender equality, a fundamental human right, is essential to creating a society that is just, equitable, and prosperous for all. The goal of SDG 5 is to guarantee that girls and women have the same access to resources, rights, and opportunities as boys and men. Building a more equitable, peaceful, and successful world requires achieving gender equality. Stronger economies, better health and educational outcomes, and more resilient societies are all results of empowering women and girls. Even though there has been a lot of progress, more work is required to remove obstacles and guarantee that everyone may experience gender equality.

OTHER SDGS INTERLINKED WITH SDG 5

POLICY

Institution has initiated the Gender Audit and Measures for the promotion of Gender Equity during the last five years. The Institution prioritizes the well-being of its students and established an environment that eliminates mental and physical discrimination and harassment. This comprehensive approach reflects the institutions commitment to addressing gender disparities, fostering gender-sensitive policies and practices and promoting a culture of equality, respect and dignity for all members of the community. The Women Empowerment Cell is effectively functioning towards empowering women and provides a safe environment, promoting gender equality and working towards the elimination of discrimination and violence against women. This cell stands to facilitate women's empowerment through guest lectures, seminars etc. For gender equality and justice in all its interventions and practices, an Internal Compliance Committee (ICC) is established, following government guidelines and aligning with the Sustainable Development Goal 5 of the UN, which addresses gender equality. The cell is responsible for looking into complaints filed by students and staff about any grievance. The institution also maintains a robust Anti-Ragging, Grievance Redressal, Prevention of Sexual Harassment Cell (PoSH). Committed to student and staff well-being, it ensures a safe environment, addresses grievances promptly, and upholds internal compliance standards, fostering a positive and secure educational atmosphere. The institution has integrated gender related courses into the curriculum to raise the awareness about the intersection nature of gender and its implications for individuals, communities and societies. Recruitment practices is a critical component of the Institution's gender equity initiatives. The institution strives to ensure equal opportunities for individuals of all genders in faculty and staff positions. More than 50% of the total faculty strength at the Institution comprises of female faculty members. They hold diverse positions, including Principal, Deans, Heads of Departments and members of various Statutory and Non-statutory committees. The Institutions'

infrastructure planning also incorporates gender-sensitive considerations to create a safe and inclusive environment for all. This includes the provision of gender-neutral facilities, adequate lighting, and installation of CCTV cameras in various places inside college campus and in college buses and security guards to ensure the well-being and security of all members of the campus community. Common rooms are established for both men and women to relax themselves when they feel tired. The institution provides support services and resources to address the unique needs and challenges faced by individuals of all genders. This includes offering parental leave policies and other family-friendly initiatives to support work-life balance of faculty, staff and students. Prioritizing the safety and security of female students, silambam classes have been arranged in the evenings within the hostel premises to equip girls with self- defence skills. Furthermore, the Institution has introduced measures to enhance gender sensitivity in co-curricular activities. Events, seminars, and workshops are organized to raise awareness about gender issues, promote a culture of respect and equality, and empower students with the knowledge and skills to contribute positively to gender equity. Such initiatives not only educate the student body but also contribute to the creation of a campus culture that values diversity and inclusive.

A Report on International Women's Day Celebration-2024

06.03.2024

Target Audience: Female Faculty Members (Teaching and Non-Teaching) & Students

Total Number of Participants :(498)

On behalf of Sri Krishna College of Engineering and Technology, Coimbatore, Women Empowerment Cell has celebrated International Women's Day on March 6th, 2024 at Convention Center at 2.00 pm. Dr. S.Sophia, the Principal of SKCET, delivered the Women's Day address, emphasizing the importance of equality, empowerment, and celebrating the achievements of women in all spheres of life.

As a part of the Women's Day celebration, three exemplary women guests, Mrs. D.Subhalakshmi, Block Mission Manager, TNSRLM, Mahalir Thittam, Mrs.V.Birundha, Block Coordinator, TNSRLM, Mahalir Thittam and Mrs.J.Ajitha Kalpana, Block Coordinator, TNSRLM, Mahalir Thittam were invited and honored with awards and mementos as tokens of appreciation for their efforts in uplifting marginalized and tribal women, empowering them to become self-resilient by our Academic Leadership Team.

Mrs.D.Subhalakshmi, Block Mission Manager, TNSLRM, Mahalir Thittam inspired the audience with her igniting speech on the roles and responsibilities of every woman in empowering the marginalized women. A multitude of events was organised by various departments for students, teaching staff, and non-teaching staff alike. The winners of these electrifying events were honored and celebrated with extravagant prizes, igniting a wave of excitement and anticipation throughout the event.

Furthermore, SKCET female faculty fraternity and female students performed an enthralling and scintillating dance where they tapped to the tunes perfectly.

REPORT ON WORLD DIABETES DAY

KNOW YOUR RISK, KNOW YOUR RESPONSE

24.11.2023

Target Audience : Faculty Members and Students

Designation of Participants : Professors/ B.E.,/B.Tech.,/M.Tech students

Total number of participants: 464

Event Organizer : Ms. Revathy P (S&H) and Ms. Subathra P

In commemoration of the World Diabetes Day, Department of Science and Humanities in association with Women Empowerment Cell organized a special awareness talk on Diabetes - the global health issue and what has to be done collectively for better prevention, diagnosis and management of the condition. Dr. Rajasekaran, Diabetes, Heart Specialist & General Physician, Priya Clinic & Diabetic Centre, Coimbatore was the Chief Guest of the day. This event raised an awareness about the impact of diabetes on the health of people and to highlight the opportunities to strengthen the prevention, diagnosis, and treatment of diabetes. To incorporate physical activity into daily routines helps to control weight and improves insulin sensitivity and aim for at least 150 minutes of moderate-intensity exercise per week.

Students demonstrated their culinary skills by preparing a variety of delicious and nutritious dishes suitable for individuals with diabetes. Dr. Rajasekaran suggested diabetics to eat raw vegetables like salad, at the beginning of meals since cooking vegetables can destroy certain phytochemicals. Overall, the event emphasized the importance of balanced, tasty meals in supporting a diabetes-friendly diet.

CIRCULAR

Circular No: SKCET/S&H/WEC/2023-2024/3.10.2023

Greetings!

On behalf of the Department of Science and Humanities & Women Empowerment cell, we are delighted to extend a warm invitation to all the students and faculty members of SKCET to participate in an Ayurvedic Medical Camp aimed at promoting holistic health and wellness on empowering individual health with Ayurveda.

🌸 Date: [5.10.2023]

🕒 Time: [11:30am]

📍 Venue: [MBA GROUND FLOOR]

Let's come together to prioritize health, wellness, and a balanced life. We look forward to your presence at the Ayurvedic Medical Camp.

CC:

1. All Deans, Heads & faculty members
2. Students
3. Members of Committee
4. Office – file

Note : Schedule for Medical Camp (II YEAR STUDENTS)

REPORT ON GUEST LECTURE & MEDICAL CAMP

EMPOWERMENT OF WOMEN HOOD WITH AYURVEDA 5.10.2023

Target Audience: Faculty Members & Students

Designation of Participants :Professors/B.E/B.Tech Students

Total Number of Participants : (363) Guest Lecture :158 Medical Camp :205

Event Organizer: Mrs. K.Kalaivani (S&H)& Dr .E.Sumathi(S&H)

The Department of Science and Humanities and Women Empowerment Cell organized a combined event featuring a guest lecture on "Empowerment of Women hood with Ayurveda" followed by a medical camp, held on 5.10.2023 at Sri Krishna College of Engineering and Technology ,which was a remarkable initiative aimed at promoting women's health and empowerment through Ayurveda. Dr.J. Janet, Principal, Dr.V. Ragavi, Dean Student affairs, Dr.S.Sophia ,Dean of Research and Development graced the occasion with their presence and the event drew significant participation from students and Faculty members and received positive feedback for its comprehensive approach. The guest lecture was delivered by Dr L Pavithra Saran, a distinguished Medical officer in Arya Vaidya Chikitsalayam, Coimbatore an expert in women's health brought extensive knowledge and experience to the discussion.

The lecture commenced with an introduction to Ayurveda's ancient principles and its role in promoting women's empowerment. Dr L Pavithra Saran emphasized Ayurveda's holistic approach, addressing not only physical health but also mental and emotional well-being and elaborated on various aspects of women's health, including menstrual health, hormonal balance, and reproductive well-being. Attendees were provided with insights into Ayurvedic therapies and remedies tailored to address these concerns. Apart from this, the lecture delved into the importance of self-care practices and nutrition in women's empowerment. The lecture concluded with an interactive question-and-answer session. Following the lecture, a medical camp was set up to provide on-site consultations and health check-ups for all students and faculty members, experienced Ayurvedic doctors and healthcare professionals were present to offer their expertise and guidance. Attendees received comprehensive health assessments, including blood pressure monitoring, pulse diagnosis, and doctors provided one-on-one consultations to address specific health concerns and offer personalized advice. Customized Ayurvedic medications and herbal remedies were distributed to individuals based on their health assessments.

The event received a heartening response from both students and faculty members. Their active participation showcased a genuine interest in the topics discussed and a willingness to engage in medical camp. The presence of these esteemed speakers and the involvement of the academic community contributed to the success of the event.

"wherever the art of medicine is loved, there is also a love of humanity."

WOMEN'S EQUALITY DAY

As a part of celebrating Women's Equality Day 2023, the Department of Information Technology, in association with Women Empowerment Cell, A team of students and faculty of the IT Department visited CSI Girls Higher Secondary School, Coimbatore on 25.08.2023. The event was attended by students belonging to class 6th, 7th and 8th standard. The young audience was educated on women's equality and empowerment by Dr. Granty Regina Elwin J, Associate Professor, Ms. Krishna Vikashini, III IT, SKCET and Mr. Pranesh, III IT, SKCET. A drawing contest was conducted in this regard, and the top performers were felicitated. The volunteers also conducted fun games for the school students. The students actively participated and were made aware of their importance and equal place in the community.

SPECIFIC FACILITIES

24*7 Safety and Security

SKCET prioritizes campus safety with a comprehensive approach that includes both male and female security guards, along with the installation of CCTV cameras to address unforeseen emergencies. Various committees, such as the Anti-ragging committee and the PoSH (Prevention of Sexual Harassment) cell, are actively in place to ensure a disciplined and secure environment throughout the college.

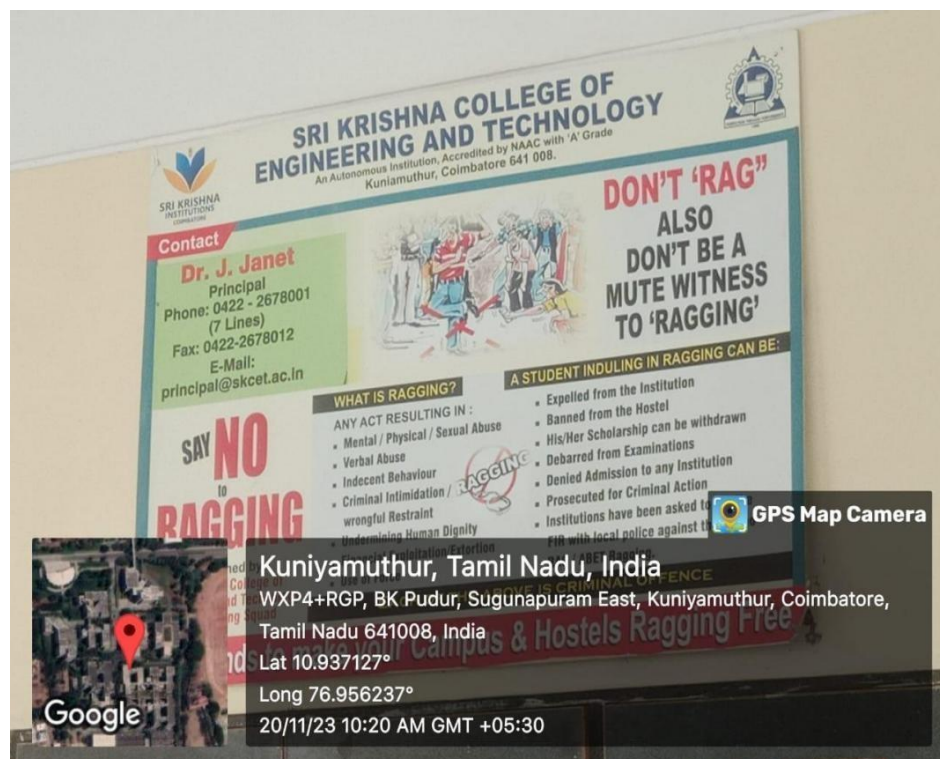

Surveillance camera

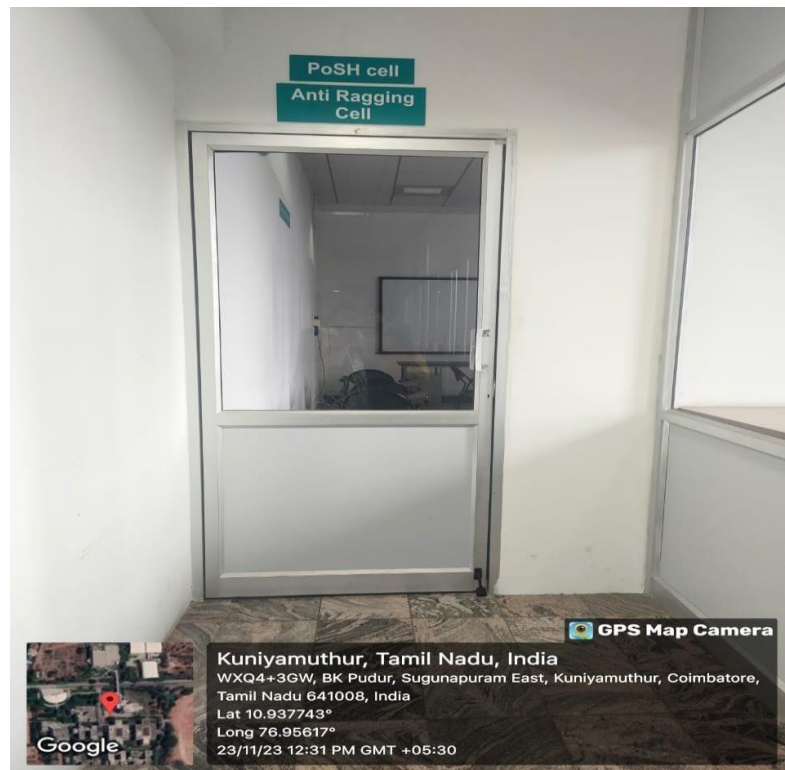

Woman Security at Main Gate

Woman Security at hostel

Anti-ragging Awareness board in classroom blocks

ICC / Anti Ragging Cell

Counseling room and Mentoring Cell for the Students

A confidential space is offered to students, encouraging open discussions about a range of issues, whether personal, academic or addressing concerns related to self-esteem. This approach ensures that students feel secure and supported when seeking assistance with their challenges. Qualified counsellors are available to counsel girl students to overcome their personal problems.

Counseling Session given to a student

Common Room for Women and Ambulance facility

The women folk who feel sick have an option to utilize a comfortable room designed to provide a serene environment for refreshing and rejuvenating both their body and mind. Ambulance facility is also available for the students to take hospital during emergency conditions.

Girls Common Room

Napkin Vending Machine

A napkin vending machine is conveniently placed in every lady's restroom to ensure easy accessibility for girls during times of emergency, addressing their immediate needs.

Napkin Vending machine in rest room

Silambam Class

Prioritizing the safety and security of female students, the Institution has arranged silambam classes for them in the evenings within the hostel premises to empower and equip female students with self-defense skills.

Silambam Class for Girls

Gym for Girls

To foster a healthy environment that enables students to reach their academic potential and encourages the development of lifelong healthy habits, SKCET has established a gym exclusively for girls within the hostel premises.

Assistant Physical Director (Female)

Numerous female students have shown interest in participating in various sports, including Volleyball, Badminton, Ball Badminton, Basketball, Table Tennis, and more. To facilitate this enthusiasm, a female assistant physical director has been employed to train and encourage girl students to actively engage in sports activities.
