REPORT

1. About the Program

World Environment Day is the largest global platform for environmental public outreach and is celebrated by millions of people across the world. It is a day marking and reminding global citizens of the continuous negative impact of global warming and climate change. Tree plantation is very necessary because trees provide oxygen to the environment and make the air quality better. By planting a single tree, we contribute to the fight against climate change, conserve biodiversity, and improve the overall quality of life for people and animals alike.

Since, students are the future of the nation and the gift to the world, an awareness campaign was initiated to public through students by tree plantation on the World Environment Day.

The students from Sri Krishna College of Engineering and Technology as part of "World Environment Day" Department of Science and Humanities conducted "Tree plantation - An Awareness campaign" on 05.06.2023 along with First year students associated with AIM, NGO, Selvapuram, between 10 am – 1.00 p.m. The students were participated with energetic in this event. Nearly 150 saplings have been planted in Selvapuram and nearby area. This event was targeted to public to initiate tree plantation for green and clean environment.

Outcomes:

- As part of "**World Environment Day**" Department of **Science and Humanities** conducted "**Tree plantation - An Awareness campaign**" on 05.06.2023 for public awareness through students.
- An overwhelming response of over 125 aspiring and vibrant volunteers from various departments participated in this programme.

REPORT

1. About the Program

Lifestyle in the twenty first century is a hard nut to crack. There are different cultures that are popping around and people are petrified as to the culture they want to adapt to. Food has become a predominant element in the daily lives of the human beings. Food plays a vital role, as it involves various cultures involved and different cuisines involved. People, particularly youngsters have developed an obsession towards food. But, speaking on the analytical point of view, people have become more desperate and in the verge of losing their health because of the wrong choices that they take in choosing the food that they want to eat.

The students from Sri Krishna College of Engineering and Technology did a research on Healthy Food Choices and Healthy Eating Habits. They discussed it with the children and also gave them useful tips that would improve their overall health through the choices they make in eating. The creamy layer of the programme was to make the children understand the importance of food, the amount that is actually needed for a human survival and Clean Eating process.

The students spoke to the children about most popularly followed diet cultures, including Keto Diet, Intermittent fasting, Vegan Diet, etc and also inculcated the advantages and disadvantages of the same. And they also insisted to consult a physician or a nutritionist before getting into any sort of practices like these.

Outcomes:

- As part of “World Food Safety Day” the Department of Science and Humanities conducted “An Awareness Programme” on 07.06.2023 for Outside School Students.
- An overwhelming response of over 150 aspiring and vibrant participants of various schools participated in this programme.

REPORT

About the Program

Economic hardship exacts a toll on millions of families worldwide – and in some places, it comes at the price of a child's safety.

Roughly 160 million children were subjected to child labour at the beginning of 2020, with 9 million additional children at risk due to the impact of COVID-19. This accounts for nearly 1 in 10 children worldwide. Almost half of them are in hazardous work that directly endangers their health and development.

Children may be driven into work for various reasons. Most often, child labour occurs when families face financial challenges or uncertainty – whether due to poverty, sudden illness of a caregiver, or job loss of a primary wage earner.

The consequences are staggering. Child labour can result in extreme bodily and mental harm, and even death. It can lead to slavery and sexual or economic exploitation. And in nearly every case, it cuts children off from schooling and health care, restricting their fundamental rights. Since, students are the future of the nation and the gift to the world, an awareness programme was initiated to walk around the area in and around Kuniamuthur and discuss with them about importance of education on the World Day against Child Labour. Children removed from labour must also be safely returned to school or training. UNICEF supports increased access to quality education and provides comprehensive social services to keep children protected and with their families.

Outcomes:

- As part of “World Day against Child Labour” Department of **Science and Humanities** conducted “**An Awareness Programme**” on 14.06.2023 in and around Kuniamuthur area.
- An overwhelming response of over 35 aspiring and vibrant participants of various schools participated in this programme.

REPORT ON WATER CONSERVATION DAY

The Department of Computer Science and Business Systems, in association with the National Service Scheme (NSS), organized an outreach activity for the students of Government High School, Kuniyamuthur on 21.07.2023. The primary objective of this event was to raise awareness and promote the importance of water conservation among the school students.

The outreach activity took the form of an Art Competition, wherein the students were invited to showcase their artistic talents and creativity while expressing their thoughts and ideas about water conservation through their artwork. The topic of the Art Competition was specifically focused on "Water Conservation," aiming to highlight the pressing need for preserving this valuable natural resource.

The event garnered enthusiastic participation from the students of Government High School, Kuniyamuthur. They eagerly took part in the competition, demonstrating their passion for both art and environmental conservation. The young participants put forth their best efforts to create meaningful and thought-provoking artwork that conveyed the message of water conservation in various unique and imaginative ways.

After the Art Competition, a panel of judges carefully evaluated the submitted artworks based on creativity, originality, and relevance to the theme. The judging process was likely to have been fair and transparent, ensuring that the most deserving entries were recognized.

As a reward for their hard work and dedication, the winning teams were appreciated and celebrated during the award ceremony. The encouragement and motivation provided to the students were an essential aspect of this initiative, as it

reinforces the idea that their efforts in promoting social and environmental causes are recognized and valued.

Outcome of the event:

1. The students were advised to preserve water to create a healthy environment.
2. The importance of saving water is taught to the 34 participant students.

1	Self awareness talk on the topic “Nirbhay Bharat(Sakshat Naril)”	21.07.2023	Save the Girl Child	IT	Ms. S.Vizhiyarasi	School Students

The pupils were really engaged and attentively watched the speech on the subject of "saving the girl child."

* To assist them remain collected and calm in strange situations, we played a mind game with them.

* We require the students to recite the pledge together with topic-related slogans.

* We gave treats to the kids that interact with us the most.

* On behalf of our institution, we presented a memento to the school's headmistress as a token of gratitude.

REPORT:

About the Program

Equality is something that great leaders have always envisioned. As India is traveling towards being a developed nation, the minds of the people are also gradually changing to a nation that is equal and holistic.

The National Service Scheme of Sri Krishna College of Engineering and Technology organized Janjathiya Vikas- Tribal Heritage, a tribal development programme for the people in Anaikatti and Attapadi, Tamil Nadu. The event focused on engaging the children and the elders. The faculty members from SKCET engaged the PRE KG children from Vidya Vanam School, Anaikatti. The faculty made them play, sing and dance. They also taught them moral values through various activities. As far as the elders are concerned, they enjoyed relaxing themselves playing musical chairs and sharing their life experience. The elders were overwhelmed with the initiative taken by SKCET in order to visit them in their place in Attapadi.

Dean of Student Affairs, Dr. V. Ragavi and Dr. A. Indhulekha, Head, Department of Science and Humanities facilitated the children and the other prize winners. Faculty members from Sri Krishna College of Engineering and Technology used this wise opportunity to get themselves involved in entertaining and educating the tribal people.

Outcome:

- The Janjathiya Vikas- Tribal Heritage was aimed to mingle with the students and give them moral support.
- Apart from this, the importance of this tribal development programme is to inculcate the need of having an unbiased mindset and to change equality for the betterment of living and making India a peaceful place to live in.

REPORT OF THE EVENT

A team of 25 third year Civil Engineering students, along with Mr R. Vighnesh, Assistant Prof., Civil Engineering, conducted a Traffic survey and accident hotspot analysis for the road junction between Sundarapuram signal and Madukkarai market. The study is a part of the 2nd accident hotspot analysis organised by the Addl. Director General of Police, Special Task Force, Road Safety to identify the reasons for the fatal and non-fatal accidents.

REPORT ON CELEBRATING UNSUNG HEROES.

The Department of M.Tech CSE and CSD conducted a group outreach event titled **“Paper craft Picaso”** on the theme **“Celebrating Unsung Heroes”** for government school students on **02.08.2023**. The motivation of this contest is to make the students aware of the role of the unsung freedom fighters who sacrificed their today for our peaceful tomorrow.

This contest is a solo event where students come together to raise their respect towards the unsung freedom fighters who contributed their valuable life for our nation.

The freedom struggle is a pivotal chapter in human history, where countless brave souls fought tirelessly to break the shackles of colonial rule and secure independence for their nations.

Today, we pay homage to these forgotten champions of the freedom struggle and recognize their courage, sacrifice, and unwavering commitment to the cause.

Around 28 school students have actively participated in this contest. The students who have participated in this event have drawn various with collage paper craft work on the theme **“Celebrating Unsung Heroes”**

Outcome of the Event:

1. This event has helped the school student community to bring their real hidden talents in the form of portraits.
2. This event motivated the school students to understand the significance of teamwork and collaboration with their fellow students.

REPORT

Department of Electronic and Communication Engineering and Department of AI & DS

S No	Date of Event	Name of the Event	Department Organized	Event Coordinator	Target Participants
1	17.08.2023, @ 3 pm	Recitation and Essay Writing Competition	ECE & AI&DS	Mr. C. Visvesvaran and Mr. K.Balaji	School Students

Welcome to the Recitation and Essay Writing Competition in honor of India's Independence Day! This is an opportunity for artists of all ages to showcase their creativity and pay tribute to the rich history and spirit of India's freedom struggle. Express your patriotism and artistic skills by capturing the essence of India's journey to independence through vibrant colors and imaginative designs.

Theme and Guidelines: The theme of the competition is "India's Independence Day." Your artwork should reflect the spirit of freedom, unity, diversity, and the sacrifices made by our leaders and heroes.

Outcomes:

- As part of “**INDEPENDENCE DAY**” Department of ECE & AI&DS conducted “**Recitation and Essay Writing Competition**” on **17.08.2023** for School Students.
- An overwhelming response of over 150 aspiring and vibrant School Students participated and attended the Drawing event and got motivated from the event.

REPORT OF AWARENESS CAMPAIGN ON DEVELOPMENTS OF RENEWABLE ENERGY

In the view of Akshay Urja Day- Outreach activity an awareness campaign was organised by Department of EEE, SKCET on the topic Developments of Renewable Energy for the Government High School Students at Milekal, Sugunapuram, Coimbatore.

Our EEE Students showcased the Ekart Vehicle and conducted a live demonstration to the school students.

KEY DELIBERATIONS

The outreach activity aims to educate the young budding minds on the following topics:

- ❖ Designing of E-vehicle
- ❖ Features of Motor Controller
- ❖ Working Principal of Solar Panel
- ❖ Selection of Motors
- ❖ Battery Management System

OUTCOMES

Around 90 students participated enthusiastically and interacted with various technical queries during the event. School Head Mistress along with teachers appreciated our team incredible effort for conducting the event.

Students enjoyed the hands on learning experience.

CLEANING OF WATER BODIES

S No	Date of Event	Name of the Event	Department Organized	Event Coordinator	Target Participants	No. of Volunteers
1	24.09.2023	CLEANING OF WATER BODIES	ECE	Mr. C. Visvesvaran	SKCET Students	100

Cleaning up lakes and ponds is essential for preserving these vital water bodies. Regular maintenance, including the removal of debris, pollutants, and excess aquatic vegetation, not only improves their aesthetic appeal but also offers numerous advantages. Firstly, it ensures the availability of clean, safe water for various uses, such as drinking, recreation, and wildlife habitat. Secondly, lake and pond cleanup enhances water quality, reducing the risk of harmful algal blooms and maintaining balanced ecosystems. Moreover, it promotes tourism and outdoor activities, benefiting local economies and fostering community well-being. In an era of growing environmental concerns, the restoration of lakes and ponds is a necessary step toward sustaining the health and biodiversity of our ecosystems and ensuring a higher quality of life for future generations.

Outcome of the event:

1. As part of “**International Coastal Cleanup Day**” Department of **ECE** conducted “**Cleaning of Water Bodies**” on **24.09.2023** with our College Students.
2. An overwhelming response of over 30 aspiring and vibrant College Students participated and attended the event and got motivated towards the cleanliness of water bodies from the event

CIRCULAR

03.10.2023

The National Service Scheme (NSS) unit and The Institute of Indian Foundrymen – SKCET Students chapter (IIF) of Sri Krishna college of Engineering and Technology would like to organise a Rally (by walk) to create **“an awareness about Fitness”** to help us all to get freedom from obesity, laziness, stress, anxiety and diseases. The rally will begin opposite to the Corporation office, Kuniamuthur, on 11.10.2023 (Wednesday) at 11.00 a.m. Around 250 students (100 girls + 150 boys) of our institution will participate in this rally and they will complete the rally at the college campus. We request you to kindly grant permission for organising the rally and grace the occasion by your valuable presence. Mr. K. Raghupathi Raja, Assistant Commissioner of Police, Kuniamuthur – range, would be the chief guest. We cordially invite you to the event and grace the occasion by your valuable presence.

S No	Date of Event	Name of the Event	Department Organized	Event Coordinator	Target Participants	Participants
1	11-10-2023	Rally	Mech	Mr. J. Baskaran, Dr. S. Raja	Students & Faculty members	250

Target Participants:

The National Service Scheme (NSS) unit and The Institute of Indian Foundrymen - SKCET Students Chapter (IIF) of Sri Krishna College of Engineering and Technology jointly organized a FIT INDIA (by walk) rally to promote awareness about Fitness on Wednesday, October 11th, 2023 at 11 a.m. The rally started from BSNL office and ended at A1 Ground, Kovaipudur.

Mr. K. Raveendran, Inspector of Police, Kuniyamuthur, served as the chief guest. Principal Madam, Dr. J. Janet waved the flag to start the rally. Dr. V. Ragavi Dean -Student Affairs, Dr.S.Sophia, Dean - R&D Ranking & Accreditation and Dr. P. Ashokavarthan, HOD/MECH also participated in the rally.

I and II B. E/ B. TECH students participated in the rally and displayed informative placards to bring about behavioral changes and move towards a more physically active lifestyle among the youngsters.

The rally's major goal is to help everyone to get freedom from obesity, laziness, stress, anxiety and diseases.

Report on the Event

As a part of swatch Bharat Mission 2023, the Department of Information Technology, in association with National service scheme organized an outreach activity. A team of students and faculty of the IT Department visited Central Market Ukkadam, Coimbatore. The event was attended by vegetable Traders of Ukkadam market. One hundred Cloth Bags are dispatched to traders in order to avoid plastic bags. The Bags are dispatched by Dr K N Sivabalan Professor and Student Volunteers. The traders are advised by the team to use cloth bags and the disadvantages using plastic bags which contaminate soil.

REPORT

Event Name: **Green Diwali celebrations 2023**

Date of the event: **06.11.2023**

Event Venue: **Government middle school, Kondanur village, Coimbatore.**

About the Event:

The students of Sri Krishna College of Engineering and Technology, along with social club – “Eagai” and Eco Green club – “Mannvaasam” celebrated Green Diwali with the tribal school children and people at Government middle school, Kondanur. 80 students and faculty members conducted various events in the school following the theme of celebrating a Green Diwali. Speech sessions on pollution, social awareness and green diwali, tree plantation drive, games for students & teachers and dance show were conducted.

The event witnessed a celebration without bursting crackers and also asked students and public to avoid crackers to protect the environment by reducing pollution and safeguarding birds and animals in the forest regions. Prizes and sweets were distributed for the winners of each event. Nearly 70 students from classes from 1 to 8, from Government middle school, Kondanur.

The management of Sri Krishna Institutions sponsored the entire event, thereby creating awareness among the rural students to conserve the environment and celebrate Diwali in a greener way.

REPORT ON TRAFFIC REGULATION AND AWARENESS PROGRAMME

Traffic regulations are rules and regulations that guide the behaviour or action of road users, in order to prevent accidents and enhance the free flow of traffic. They are driving laws put in place by the government to regulate or control the attitude of all road users to achieve an orderly and free flow of traffic. UYIR, an NGO working towards road safety joined hands with Coimbatore City police to regulate traffic a head of diwali festival. UYIR Club Volunteers of SKCET participated in the diwali traffic regulation at big bazaar street from 03.11.2023 to 10.11.2023. The event started with a talk on traffic scenario at the locality by Deputy Commissioner of police (traffic) Shri.Rajaraman on 02.11.2023. SKCET UYIR Club volunteers were given awareness on regulating the traffic at these busy localities. The event was attended by officials from police department, College mentors and UYIR club volunteers. Around 15 SKCET UYIR Club Volunteers attended the event.

The trained volunteers started regulating the traffic at big bazaar Street and Oppanakara street from 2 pm to 7 pm. The trained volunteers extended their service from 03.11.2023 to 10.11.2023. They were given reflector jackets by the Coimbatore city police during traffic regulation. The trained volunteers insisted the pedestrians to walk on the footpath to reach their destination and regulated the traffic during the peak hours to have a trouble free ride. During the traffic regulation, the volunteers insisted the riders to wear helmets and seat belts to have a safe journey. The volunteers educated the public by giving short messages on the benefits of wearing helmets ,seat belts and obeying traffic rules. The SKCET UYIR Club volunteers were appreciated personally by the officials of the Police department , UYIR Club mentors and faculties of the college.
