## REPORT

The primary objective of the Wellness Awareness Camp is to foster a culture of well-being among the faculty members of SKCET. This initiative aims to provide valuable insights, resources, and tools to enhance physical, mental, and emotional health, thereby creating a supportive and thriving academic community. The camp will provide informational pamphlets, resources, and tools for ongoing support. Participants are encouraged to actively engage in discussions and share their thoughts and experiences. The wellness camp aims to create a supportive network among faculty members, **fostering a sense of community.**
