Library

The Vankatram Learning Centre – Central Library of Sri Krishna College of Engineering and Technology is one among the best Libraries in this part of the Country, in terms of Scholarly and Rare Resources, User Centric Services, Technology, Architecture, Infrastructure, Facilities, Size and Green concepts.

Green concept of the Central Library is its unique feature. The innovatively designed North facing Roof Architecture facility allows natural sun light flow through all the sections of the library throughout the day. Users get the Sun light but are not exposed to hot Sunshine. As an added value to the Green concept, the library is surrounded by Lush Green Gardens Landscapes.

The Wi-Fi Central Library that sprawls in 55,122 Sq.feet area, in a centrally air-conditioned environment has Lending Section, Periodicals Section, Reference Section, Digital Library Sections, CD/DVD/VCD Library Section, Technical Processing Section, Digital Conversion Section, Discussion Rooms, Idea Hubs and Innovation Cells functioning in three floors. Each floor has User Entry systems, Web OPACs, Cabins with Student Support Staff and amenities of washroom and drinking water facilities. There are large reading areas adjacent to Lending, Periodicals and Reference Sections where 500 students can be seated at a time.

Meticulous care has been taken to build up the resources continuously in all disciplines. The Central Library caters to the information and knowledge needs of all its users through its scholarly resources comprise of 82172 volumes of print books in 41685 titles, of which 42713 volumes of books in 21356 titles authored by international authors, 25992 E-Books subscribed from reputed international publishers, 11560 Journals/Magazines in print and digital modes, of which 2562 Journals indexed in

Scopus and Web of Science, 12,742 CDS/DVDS/VCDs, 4,666 back volumes, NPTEL Videos and Web Contents. In addition, the library houses 6012 rare resource collections that include Palm Leave Manuscripts of Tamil Literature and Special Collections.

The Reference Section of the library houses 15145 knowledge rich collections consist of Syllabi Collections, Handbooks, Standards, Rare books, Encyclopedias, Dictionaries, Thesaurus, Directories, Atlases, General books, Competitive Exam books, Books for GRE, GATE, GMAT, CAT, TOEFL etc., Books on Ethics and Culture, Project Reports and Back volumes assets.

The Library, as a member in Indian Access Management Federation (INFED) of INFLIBNET – an autonomous Inter University Centre of UGC, disseminates the subscribed e – resources such as IEEE Digital Library, ASME Digital Collection, ASCE Digital Library, Science Direct E-Journals, Science Direct E-Books, Scopus Citation Database, Proquest ABI/INFORM Collection and DELNET database among the Students, Faculty Members and Researchers, on and off the campus.

The unique technology leap of the library is that the it reaches out to its users through Remote Access Technology, 24x7 anywhere and anytime under the auspices of INFLIBNET - Shibboleth IDP. The library is automated using KOHA Integrated Library Management System with the version 22.11.01. RFID Technology, Barcode Technology, Biometrics Technology, Self Issue/Return Kiosks, GSDL Digital Library, D Space Institutional Repository, Intranet Library Website and Remote Access Technology of E-Resources are the Technology highlights of the Library.

○ WELCOME TO SRI KRISHNA COLLEGE OF ENGINEERING AND TECHNOLOGY ○

Sri Krishna College of Engineering and Technology Off-Campus Access

The Library subscribes to the Electronic Resources through the Publishers. The Off-Campus Access service is provided to the Faculty Members and Students to seamlessly access the subscribed scholarly electronic resources from outside the Institute campus. Username and Password have been provided to all the Faculty Members and Students to access the resources 24/7 through Identity Providers. You may communicate to the Library Team at librarian@skcot.ac.in for any issues in accessing the E-Resources.

Online Access

Login to ProQuest PROD SP

The image shows a login form for ProQuest PROD SP. The form is contained within a light blue rectangular box. At the top left is the "INFED" logo in red. In the center is the "eShodhSindhu" logo, which includes the text "eShodhSindhu" and "Source to M+ Business". At the top right is the "SRI KRISHNA INSTITUTIONS" logo. Below these are two input fields: a "Username" field and a "Password" field, both with placeholder text. Underneath the password field are two checkboxes: "Don't Remember Login" and "Clear prior granting of permission for release of your information to this service.". A large blue "Login" button is centered below the checkboxes. At the bottom left is the "ProQuest" logo. To the right of the logo is a text block: "ProQuest provides subscription access to numerous premium technical journals, dissertations and other information databases." Below the form is a URL: <https://idp.skct.ac.in/password.php> | Need Help?

Library Enabled Digital Learning Through SWAYAM Prabha

SWAYAM Prabha, a national initiative of the Ministry of Education offering 24×7 high-quality educational broadcasts through dedicated DTH channels, was effectively utilized by the library to support digital learning. As part of this initiative, the library organized a screening of the SWAYAM Prabha program on *Principles of Operating DC Machines* (Course: Electrical Machines) for the second-year Electrical and Electronics Engineering students at AV Theatre–1 in the Vankatram Learning Centre.

Hands-on Training on Library E-Resources and RFID Technology

Hands-on training on E-Resources, the Library App, and Library RFID Technology was provided to new faculty members and newly admitted students during the academic year 2023–2024.

International Visitor Appreciation

A Japanese professor who participated in the IEEE International Conference visited the library and recorded in the visitor's book that the library exceeds the standards of those in Japan.
