CIVIL | MYSTIQUE - 25

Department of **Civil Engineering**, Indian Concrete Institute (ICI) - Student Chapter organized an event entitled, **"MYSTIQUE - 25**" on March 27, 2025. Technical and Non-Technical events were conducted for the Civil Engineering students. The First-year **Civil Engineering** students actively participated in all the events.

Event Highlights

The following Technical events, which focused on the SDG Goals, were conducted:

- Technical presentation regarding the given SDG goals
- Poster presentation
- CAD Plot

Non-Technical Events - Frozen Moments, Treasure Hunt and Surprise Event were also conducted for the students.

AI & DS | PAYODA LAUNCHPAD 2025

Logesh S, Nick Anto Roy A and **Shanmathi Srinivasan,** students of **Third** year **AI & DS** along with **Mr. Pugalendhi GS**, Assistant Professor, **AI & DS** & Placement Coordinator, attended the **Payoda Launchpad 2025** event at Tidel Park, Coimbatore, on March 29, 2025. The event highlighted Payoda's expertise in AI applications across various domains, showcasing how AI-driven solutions effectively tackle real-world challenges and enhance efficiency by saving valuable time. This insightful experience provided valuable learning opportunities, equipping them with knowledge and inspiration to develop their own AI projects.

- Insights into Technology landscape like GEN AI, Cybersecurity.

SKCET | STUDENT INDUSTRY TALK SERIES – QUINBAY INSIGHTS

To bridge the gap between academia and industry, an insightful Student Industry Talk Series was organized for the **First and Second** year **M.Tech CSE** students featuring distinguished leaders from Quinbay Technologies and Satkaam.

Session Highlights

- Cultivate a mindset that goes beyond traditional learning environments to become future-ready

- Commit to lifelong learning and personal growth

- Stay ahead by adapting to the rising demand for AI-driven automation

- Foster a spirit of innovation and explore entrepreneurial opportunities.

SKCET | PLACEMENT TESTIMONIALS

I am **Abinith R**, a Final-year **Mechatronics** student (2021-2025), and I am delighted to share that I have secured a placement at Tata Consultancy Services. I am deeply grateful to SKCET for being the foundation of my academic and professional journey. The institution's well-structured technical curriculum, hands-on learning approach, and dedicated faculty have played a crucial role in shaping my career.

SKCET provided an excellent platform for me to explore my interests and grow both technically and personally. The extensive training in soft skills and personality development helped me enhance my communication and confidence, which played a vital role in my placement success. Additionally, the institution significantly contributed in improving my coding and logical thinking abilities. Through structured technical training, regular coding contests, and practical projects, I was able to develop strong problem-solving skills, which prepared me for industry challenges.

I sincerely appreciate the unwavering support and guidance provided by the placement cell and faculty members throughout the placement process. Their continuous encouragement and mentorship have been invaluable. I extend my heartfelt gratitude to the principal and the entire SKCET faculty for their immense support in helping me achieve this significant milestone in my career.

ABINITH R - MCT,
TATA CONSULTANCY SERVICES, INDIA.

SKCET PLACEMENT TESTIMONIALS

I am extremely grateful to the entire placement team for their unwavering support and dedication throughout my placement journey. Their guidance, encouragement, and consistent efforts played a pivotal role in helping me secure an offer from ThoughtWorks.

From the very beginning, the placement team was always there to provide personalized advice, share valuable insights into the recruitment process, and ensure that I was well-prepared for each stage. Their expertise and understanding of the industry helped me present my skills and experiences in the best possible light. The placement team's commitment to our success, from conducting training sessions to providing consistent mentorship, truly made a difference. They ensured that we were equipped with everything we needed to excel, and their belief in my abilities kept me focused even when the journey seemed tough.

I would like to give special thanks to placement team for their exceptional efforts in bringing top companies to our campus. They worked tirelessly to establish and maintain strong relationships with industry leaders, opening doors for us to interact with some of the most prestigious companies in the industry. Their strategic approach and constant outreach to recruiters made it possible for us to be a part of high-level recruitment drives that offered us incredible opportunities.

I feel incredibly fortunate to have had access to such a wide range of esteemed organizations during the placement process. The companies that visited our campus were not only leaders in their fields but also offered environments that foster innovation, growth, and learning—exactly the kind of places we all aspire to work.

Sindhu C- M Tech CSE,
ThoughtWorks
