

Faculty Achievement: Successful Completion of IIM Indore Annual FDP

Mr. C. Boopathy, School of Management, Sri Krishna College of Engineering and Technology, was recognized by Prof. Himanshu Rai, Director, IIM Indore, for successfully completing the Annual Faculty Development Program (FDP) conducted by the Indian Institute of Management Indore from April 7 to May 9, 2026. This achievement reflects his commitment to continuous professional development and academic excellence.

SKCET Student Completes Prestigious Internship at ISRO-LEOS

IV Year CSE (AI & ML) student gains hands-on experience in Artificial Intelligence, Computer Vision, and Geometric Modeling at ISRO's Laboratory for Electro-Optics Systems, Bengaluru.

DEPARTMENT OF CSE | AI & ML

INTERNSHIP ACHIEVEMENT

STUDENT SPOTLIGHT

Ms. Abinaya Saras M. S.
IV Year B.E. CSE (AI & ML)

1 MONTH INTERNSHIP
18 May - 18 Jun 2026

INTERNSHIP AT
ISRO - LEOS
Laboratory for Electro-Optics Systems, Bengaluru

SKILLS GAINED

- Artificial Intelligence (AI)
- Computer Vision
- Geometric Modeling
- Space Domain Applications

During the internship, she acquired valuable practical exposure to advanced technologies, including Artificial Intelligence, Computer Vision, and Geometric Modeling. Working in a highly research-oriented environment, she contributed to projects aligned with space technology applications while strengthening her technical knowledge and problem-solving skills.

This achievement reflects SKCET's commitment to fostering academic excellence, experiential learning, and industry-relevant technical expertise. The institution congratulates Ms. Abinaya Saras M. S. on this remarkable accomplishment and wishes her continued success in her future endeavors.

Ms. Abinaya Saras M. S., a fourth-year B.E. Computer Science and Engineering (Artificial Intelligence & Machine Learning) student at Sri Krishna College of Engineering and Technology (SKCET), successfully completed a prestigious one-month internship at the Laboratory for Electro-Optics Systems (LEOS), Indian Space Research Organisation (ISRO), Bengaluru.

Faculty Achieves SWAYAM-NPTEL Domain Certification in Programming

Dr. Latha Maheswari T, Assistant Professor, Department of Computer Science Engineering successfully completed SWAYAM-NPTEL Domain Certification in "Programming" (Computer Science) in the period of April 2026

Dr. J. Jency Joseph, Associate Professor, Department of Electrical and Electronics Engineering (EEE), has successfully earned the prestigious SWAYAM-NPTEL Domain Certification in Programming (Computer Science). This accomplishment reflects her commitment to continuous professional development and interdisciplinary learning. The certification enhances her expertise in programming concepts and reinforces the institution's focus on academic excellence, technology-driven education, and lifelong learning. Congratulations to Dr. J. Jency Joseph on this noteworthy achievement.

Faculty Complete Training on Zoho People & Recruit

School of Management faculty enhance HR technology expertise through a five-day Faculty Training Program at PSGR Krishnammal College for Women.

Dr V. Balamurugan, Assistant Professor and Dr. R.T Induji, Assistant Professor from the School of Management, Sri Krishna College of Engineering and Technology, Coimbatore attended a 5-day Faculty Training Program on Zoho – People and Recruit from 1st June to 5th June, 2026 at PSGR Krishnammal College for Women, Coimbatore. Dr R. Muthukrishnan, Associate Professor and Mr T Krishnasamy, Assistant Professor from the School of Management, Sri Krishna College of Engineering and Technology, Coimbatore attended a 5-day Faculty Training Program on Zoho – Projects from 1st June to 5th June, 2026 at PSGR Krishnammal College for Women, Coimbatore.

SOM Faculty Delivers Expert Session on Generative AI in Teaching

Dr. R T. Induji, Assistant Professor, SOM, has acted as a resource person on the topic "Usage of Generative AI in teaching". The session focused on using CHAT GPT for lesson plan creation, Usage of Notebook LM in teaching, Usage of Canva AI, Usage of Claude AI and the usage of THAAFT software for AI tool updation. Nearly 200 participants attended the session and was very enriching the knowledge of each participants.

School of Management Charts Strategic Roadmap for Academic Growth

The School of Management conducted its Strategic and Annual Planning Meeting on 29 May 2026. Faculty members reviewed academic performance, student achievements, research activities, and industry engagement. The meeting concluded with a strategic roadmap focused on enhancing teaching quality, strengthening industry collaboration, and improving student employability to support the department's continued growth and academic excellence.

Faculty Enhance CRM Expertise through ZOHO CRM Training

School of Management faculty complete intensive CRM training to enhance industry-relevant knowledge and practical skills.

Benazir, Assistant Professor & Dr.S.Mahalakshmi, Assistant Professor from School of Management have attended a comprehensive training session on ZOHO CRM conducted at PSGR Krishnammal College for Women from 01.06.2026 to 12.06.2026 for enhancing their understanding of Customer Relationship Management (CRM) concepts and practical applications.

III CSE Students Participate in Google's Build with AI Bootcamp

Hands-on learning experience in Artificial Intelligence, Generative AI, and Prompt Engineering

Mr. Shyam Sundar T, Shakthi Sree S, Sarah Grace S of III CSE D participated in "Build with AI Bootcamp" organised by Google for Developers & Hack2skill at PSG College of Arts & Science, Coimbatore on 19th June 2026. The event served as a valuable platform for enhancing knowledge of Artificial Intelligence, Generative AI, and prompt engineering through practical learning and expert guidance. Developed the confidence and skills to apply AI technologies in academic projects, research activities, and future professional careers.

From the Principal's Desk

It gives me immense pleasure to connect with you through this edition of our college newsletter. Every academic year presents a fresh canvas of opportunities, challenges and possibilities. Your time in college is much more than earning a degree, it is a journey of discovering your potential, shaping your character, and preparing yourself to make a meaningful impact on society.

At SKCET, we are committed to providing an environment that nurtures academic excellence, innovation, leadership, research and holistic development. I encourage each one of you to make the best use of every opportunity the college offers. Participate actively in academic programmes, technical events, internships, research initiatives, clubs, sports, cultural activities, community engagement and skill development programmes. Every experience, whether inside or outside the classroom, contributes to your personal and professional growth.

Success belongs to those who are willing to learn continuously, embrace challenges with confidence, and transform setbacks into stepping stones. Never hesitate to explore new ideas, ask questions, collaborate with your peers and step beyond your comfort zone. The habits you cultivate today will define the leader, innovator, and responsible citizen you become tomorrow.

Remember, opportunities do not merely appear, they are recognized, embraced, and transformed into achievements through dedication, perseverance, and a positive attitude. Believe in your abilities, uphold the values of integrity and compassion, and strive to excel in every endeavor.

I wish each one of you a rewarding academic journey filled with learning, growth and success. Let us continue to work together in creating a vibrant academic community where knowledge inspires innovation, values shape character, and excellence becomes a way of life.

Best wishes for your bright future.

Dr. K. Porkumaran
Principal

Faculty Achieves SWAYAM-NPTEL Domain Certification and Discipline Star Recognition

Dr. N. S. Abinaya Earns Prestigious NPTEL Data Science Certification and Discipline Star Award

Dr.N.S.Abinaya, Assistant Professor, Department of EEE, have successfully earned the prestigious SWAYAM-NPTEL Domain Certifications in Data Science (Computer Science). Adding to this achievement, Dr.N.S.Abinaya has also been recognized as an NPTEL Discipline Star in Data Science domain for the Jan-Apr 2026 session.

Orientation Session on TCS Placement Drive Conducted for CSD Students

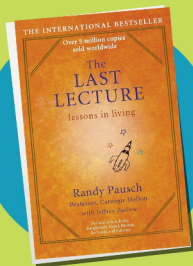

The Department of CSBS and CSD organized an Orientation Session on the TCS Placement Drive on 24 June 2026 under the guidance of Dr. K. Sasi Kala Rani, Dean – CSE Clusters, and Dr. F. Margret Sharmila, Head, CSBS/CSD. The session familiarized students with the TCS recruitment process and placement expectations.

Following the session, Dr. F. Margret Sharmila reviewed the Week Two Industry Training results with the III B.E. CSD students, providing guidance on placement readiness and encouraging them to strengthen their technical and employability skills.

BOOK LOOK

The Last Lecture

by Randy Pausch (1960–2008)

About the Author

The Last Lecture is an inspiring memoir published in 2008. It is based on a lecture that Professor Randy Pausch delivered at Carnegie Mellon University after being diagnosed with terminal pancreatic cancer. Rather than focusing on death, the book celebrates how to live a meaningful, joyful, and purposeful life.

The book shares practical life lessons about achieving childhood dreams, perseverance, gratitude, time management, relationships, and leaving a positive impact on others. Its central message is that while we cannot control everything that happens to us, we can choose how we respond.

About the Book

Randy Pausch (1960–2008) was an American professor of computer science at Carnegie Mellon University. He was widely respected for his work in computer science, virtual reality, and human-computer interaction. He also co-founded the Entertainment Technology Center, which combined technology with creative storytelling and design.

In September 2007, after learning that he had only a few months to live due to pancreatic cancer, Pausch delivered his famous lecture, "Really Achieving Your Childhood Dreams." The lecture quickly became a global inspiration, reaching millions of people online.

School of Management Faculty Attend FDP on Digital Marketing at Infosys BPM

Four faculty members from SKCET participated in a three-day residential Faculty Development Program at Infosys BPM, Mangalore, enhancing their expertise in contemporary digital marketing practices.

Marketing conducted at Infosys BPM, Mangalore, from 10 June to 12 June 2026.

The intensive program provided participants with valuable insights into emerging digital marketing strategies, industry best practices, and the latest trends in customer engagement and digital business transformation. The FDP also offered an excellent platform for knowledge sharing, industry interaction, and professional development, enabling the faculty members to further strengthen their teaching and research capabilities.

The School of Management, Sri Krishna College of Engineering and Technology (SKCET), Coimbatore, proudly congratulates Dr. R. Muthukrishnan, Dr. V. Ramadevi, Dr. S. Piradeep, and Dr. M. S. Sibi on successfully participating in a three-day residential Faculty Development Program (FDP) on Digital

SKCET Faculty Addresses Coimbatore Management Association

Dr. Sibi M. S., Assistant Professor, School of Management, delivers a guest lecture at CMA and publishes a book on Financial Modeling.

Dr. Sibi M. S., Assistant Professor, School of Management, served as a Guest Speaker at the "Monday Musings" session organized by the Coimbatore Management Association, affiliated with the All India Management Association, on 8 June 2026. The session provided a platform for sharing insights and engaging with management professionals and students.

Dr. Sibi.M.S, Assistant Professor of School of Management has published a book titled on "Financial Modeling", Publisher Skyline Global Publications. Year 2026.

Industry Lecture on Smart Mechatronics Powered by AI

The Department of Mechatronics Engineering, SKCET, organized an Industry Lecture Series on "Smart Mechatronics: Powered by AI" on 20 June 2026. The session was delivered by Mr. Arul Praveen T, alumnus (2017–2021 Batch) and Forward Deployed Engineer, Realfast, Bengaluru. He shared insights on AI Engineering, APIs, RAG, Fine-Tuning, Large Language Models (LLMs), AI applications in Mechatronics, and intelligent robotics. The interactive session enhanced students' understanding of AI-driven engineering systems and emerging career opportunities.

Dr. V. Balamurugan Publishes Research in a Reputed Q2 Journal

Assistant Professor from the School of Management publishes a research article on sustainable marketing and ethical brand positioning in the digital era.

The School of Management, Sri Krishna College of Engineering and Technology (SKCET), Coimbatore, congratulates Dr. V. Balamurugan, Assistant Professor, on publishing his research article, "Revolutionizing Customer Experience Through Sustainable Marketing Strategies and Ethical Brand Positioning in the Digital Age," in the Indian Journal of Information Sources and Services, a reputed Q2-indexed journal. This achievement reflects his significant contribution to research in sustainable marketing and business management.
